Library Public Policies

Advertising Policy

*Paper flyers* may not be placed in restrooms or any other area of the Library. Contact information on flyers will be shared with Student Affairs for appropriate disciplinary action.

*Electronic flyers* advertising events sponsored by official Georgia Southern groups/units will be posted when space is available and time allows. To maximize visibility, flyers should be formatted as .jpg with an image size of 1920 w x 1080 h. Other sizes will not maximize the screen size. Electronic files may be sent to liboffice@georgiasouthern.edu. Paper flyers will not be accepted. Approved flyers will be posted by Library personnel.

**Cell Phones**

Cell phones should be set on vibrate in designated “quiet” areas.

**Children in the Library**

Children younger than 16 visiting the Library should be accompanied at all times by a parent/supervising adult (over 21) for their own safety and wellbeing. Parents/supervising adults are responsible for children's use of the Library. The Library's mission is to provide information resources and services to the Georgia Southern University academic community, and those resources are not necessarily appropriate for children. Children visiting the Library without a parent/supervising adult will be asked to leave if Library employees become aware they are interfering with the Library’s mission.

**Computers**

**Computer Assistance**

Computer assistance (e.g., color printing, software and hardware assistance) will not be available between 12 am and 8 am or when the 2nd Floor Help Desk is not staffed with trained Library personnel. Training is provided for faculty, staff, and students through workshops.

**Computer Usage**

The Library makes every effort to ensure that all have free and equal access. In keeping with its mission, members of the Georgia Southern University academic community take priority over other patrons. The Library follows Georgia Southern University’s Information Technology Appropriate Use Policy.
