Staff Council holds Tobacco Survey

As a public institution, Georgia Southern has the responsibility to not only educate students in the classroom, but also to foster a healthy environment for faculty, staff, students, and members of the community who find themselves on the Georgia Southern campus every day. Staff Council decided to hold a campus-wide tobacco survey to better understand the viewpoints of tobacco use on our campus, and to utilize the results of the survey to make recommendations to the Administration regarding tobacco use on campus.

Recommendation options are:

- No Change To The Current Smoking Policy
- Limiting Tobacco Use To Permitted Zones Only
- Creating A Tobacco Free Campus

The Campus Tobacco Survey was recently distributed to all Georgia Southern faculty, staff, and students via email. Those staff without an email address will be given the opportunity to complete a paper version of the survey. It is imperative that every faculty, staff and student complete the survey to ensure that Administration can make an informed decisions regarding the University's policy of tobacco use on campus.

Staff Council Coat Drive

Staff Council will hold its first annual Eagle Coat Drive November 28th – December 12th to help community members in need. New or gently used coats, hats, gloves, scarves and other cold weather items of all sizes will be collected at 5 campus locations.

Collection Locations:

- Human Resources, Rosenwald Building
- Russell Union, Eagle Card Center
- Recreation Activity Center
- Henderson Library
- Lakeside Cafe

Anyone unable to come to a donation site can contact Staff Council by email at staffcouncil@georgiasouthern.edu to schedule a donation. Staff Council is committed to encouraging university staff contributions to the campus and local community. This is a great opportunity for staff to conveniently share and help out fellow members of our community.
