PREFACE

The Genealogical Records Committee of the Archibald Bulloch Chapter, DAR, Statesboro, Georgia, has continued to locate and make a record of old family cemeteries before they are lost. Some of these are found in this volume, along with several Church cemeteries.

Unmarked graves have been numbered in the hope that information can be found showing who is buried in these graves.

Often there are no tombstones, but when legible, the undertaker's marker is shown, and is indicated by "Utm"

If one headstone is used for more than one person, such as husband and wife and/or children, this is indicated by "Same stone" between the graves.

When genealogical data is known or can be located, that is added, and keyed to the proper person by use of the number assigned.

When a line has been drawn around one or a group of graves, this means that it is a lot with a curbing around it.

The eighteen (18) cemeteries in this volume contain a total of one thousand five hundred and fifty eight graves.

Thomas was probably the son of William Beasley, living next door in the 1850 census of Bulloch Co. pg. 268.

Marriage records of Bulloch Co. (Bk 2A pg. 111) speak of him as "of Screven Co."; married Mary Ann Mercy (probably Mercer) on 25 Jan. 1843. She is probably buried in one of the graves broken and illegible.
