A. Mission Statement: Final Recommendation

Georgia Southern University is a public comprehensive and Carnegie Doctoral/Research university offering associate, bachelors, master's, and doctoral degrees in nationally accredited programs in the liberal arts, sciences, and professional disciplines. The University provides transformative learning opportunities to meet the needs of a diverse student population through its time-honored commitments to academic excellence and personal attention. Through the shared resources of its multiple locations, the University creates vibrant learning environments that foster an inclusive, student-centered culture of engagement designed to prepare students for lifelong service as scholars, leaders, and responsible stewards of their communities. The University enhances the quality of life and drives economic development in the Coastal Georgia region and throughout the State of Georgia by supporting collaborative efforts in technological innovation, scientific discovery, education, health services, artistic creativity, and cultural enrichment. Faculty, staff, and students embrace the values of integrity, civility, kindness, tolerance, and a dedication to sustainability and social responsibility in every facet of the University.
