Student Parking Permits On Sale in April

April 10, 2014

STATESBORO, Ga. – Starting Wednesday, April 10 Parking and Transportation, a division of Auxiliary Services, will sell student parking permits online for the 2014-2015 academic year.

This year's parking passes will serve dual roles in designating the prospective lot for students and touting the Georgia Southern pride.

The location of the parking lot determines the price of the parking permit. Residential parking permits sell for \$160 while various non-residential lots sell for \$110. Lots 21, 31, 32, and 41 are the most popular parking lots and are among the first to sell out.

To purchase the signature permits, students should log in through the my.georgiasouthern.edu portal, access My Services on the left sidebar, and click the Parking Permits link located below the MYApps email link.

Students are encouraged to purchase parking permits in advance to solidify their preferred location. Beginning in August, permits purchased through Financial Aid must be made in the Parking and Transportation office.

Faculty and staff permits will go on sale at a later date and those enrolled in the payroll deduction option will be automatically renewed. Email notifications will be sent to the individuals that need to visit the office for renewal.

The Parking and Transportation office is located off of Chandler Road next to the Dining Commons and regular business hours are Monday through Friday from 7:30 a.m. to 5 p.m.

For more information, contact the Parking & Transportation office at 912-478-7275.

About Auxiliary Services

Auxiliary Services' mission is to create the best possible Georgia Southern University experience. Auxiliary Services strives to provide the highest quality products and services to the Georgia Southern community, while setting the highest operational standards possible. Auxiliary Services supports the strategic direction of the University through the delivery of extraordinary programs, products, services and facilities.
