PREFACE

This sixth volume is a continuation of the compilation of tombstone inscriptions from Bulloch County cemeteries which undertaking was begun in 1979 by Archibald Bulloch Chapter, Daughters of the American Revolution.

In this volume several Effingham County cemeteries have been included because of particular interest. Two are very old and of historical value - the Salzburger cemetery at Ebenezer and Goshen Methodist Church cemetery. There are also several Black cemeteries.

As in the previous volumes some abbreviations have been used. "SS" (same stone) indicates two or more graves with a common headstone. "UTM" means information has been taken from a metal undertaker's marker at the grave. "Illeg." is used when an inscription is illegible. A line drawn around a grave or a group of graves indicates a lot with some type of curbing, fencing or other enclosure. In all instances, inscriptions are copied exactly as written even when there is obvious error in spelling.

There is a listing of persons who apparently are buried in unmarked graves in various Bulloch County cemeteries. This information was obtained from obituaries in county newspapers. Dates from the papers from which they were taken are given.

Directions for reaching each cemetery from Statesboro are given and also the names of the persons who made the survey and date of survey.

Two staff members of the Statesboro Regional Library assisted in the surveys and a library volunteer worker participated in the surveying of Ebenezer Cemetery because of its size.

Copies of this volume will be placed in the Statesboro Regional Library and in each of its five branches.

There are 15 cemeteries included, with 2205 tombstone inscriptions, including those persons in unmarked graves.

EBENEZER (JERUSALEM) CHURCH CEMETERY
Effingham County, Georgia

Directions: From Statesboro, go out US 80 east through Stilson. At 119, turn left and go through Guyton to Springfield. Turn right in Springfield on Georgia 21 south. Go 4.3 miles. Turn left on Ebenezer Road (Georgia 275). Go 5.1 miles (pass a crossroad). Cemetery is on left at the road. It has a chain link fence and is quite well kept.

Surveyed 19 January by Mrs William Starling, Mrs. David Starling, Mrs. W.A. Hodges and Mrs. Lawrence B. Kelly.

Ebenezer church was built in 1767-69 by Lutheran Protestants, exiled from Catholic Salzburg in Austria.

On Row 10, fairly near the road there is a monument with the following inscription:

"To the memory of the Salzburgers and their faithful pastors, Rev. John Martin Bolzius and Rev. Israel Christian Gronau, who for their faith in the doctrines of God's word as taught in the Augsburg Confession were banished from their home in Austria and settled in Effingham County, Georgia, in 1734. Heb. 11, 36-38.

In memory of Rev. Herman H. Lemeke and Rev. Christian Rabenhorst, successors to pastors Bolzius and Gronau during whose charge the present church edifice was erected."

Beginning at the back of the cemetery, from left to right:

GOSHEN METHODIST CHURCH CEMETERY
1820-1980
Effingham County, Georgia

Directions: From Springfield the church and cemetery are on Georgia 21 South, approximately 11 miles from downtown Springfield. They are on the left, at the road.

On a historical marker at the church is the following information:

Built about 1751. Served by the early pastors of the Salzburgers and later for a short time by the Moravian missionaries. It remained a part of the Ebenezer charge until after the Revolutionary war. In 1820 the Methodist church was organized at Goshen under the Rev. James O. Andrew and was allowed to use the Goshen church edifice. The actual deed was transferred to the Methodist church conference several years later.

There is a chain link fence around the cemetery.

KNIGHT CEMETERY
Bulloch County, Georgia

Directions: From Statesboro go out US 80 east to Brooklet. Turn left at caution light. Go to Leefield (4.1 miles). At stop sign, turn right. Go 3.1 miles. Turn left on a dirt road. Go .9 of a mile. Turn right at a fork in the road. Follow this road for .5 of a mile. Cemetery is at the right just off the road in a clump of vines and trees, badly overgrown. No tombstones remain but family members said that there were five graves there. One was the grave of Joseph S. Knight. A Joseph Knight came here from England with a land grant from the king for 5600-plus acres. The deed was on parchment, dated 1776. Some of the land has never been sold and members of this Knight family live on it. The deed was a family treasure and was burned in a house fire. Willie Knight gave us this information. It was in recent years that the tombstones disappeared.

SHARPE CEMETERY
Bulloch County, Georgia

Directions: From Statesboro go out US 80 east to Brooklet. Turn left at caution light. Go to Leefield (4.1 miles). At stop sign turn right. Go 2.2 miles. Turn right on a dirt road. Go 2. miles. On the left there is a field entrance with a cable across it. The cemetery is across a field to the right, about .2 of a mile. It is badly overgrown and no stone is left except a small one with the initials E.P. on it. We were told that until very recently there were tombstones but someone had removed them. We were unable to find out the names of any persons buried there.

Surveyed 19 November 1983 by Mrs. William Starling and Mrs. Lawrence B. Kelly.
