The Jiann-Ping Hsu College of Public Health (JPHCOPH) of Georgia Southern University biostatistics professor and Georgia Cancer Coalition Distinguished Cancer Scholar, Karl Peace, Ph.D. was presented with the 2012 University System Board of Regents’ Hall of Fame Award on March 31, 2012 in Atlanta. Peace was one of only three recipients to receive the honor.

The award was established by the Board of Regents to honor those who exemplify superb leadership and support of higher education in the state of Georgia. Recipients are nominated by their alma mater and are selected by an external panel based on their outstanding accomplishments and contributions to their institution.

“We are extremely proud of Karl Peace for being recognized with this very prestigious award,” said Brooks Keel, Ph.D., president of Georgia Southern. “Karl has made a tremendous impact in the field of public health through his generous endowment of the Jiann-Ping Hsu College of Public Health.”
