Peer Review Week (September 16-20, 2019) is a global event celebrating the essential role that peer review plays in maintaining scientific quality. Learn more at the Peer Review Week website.

Abstracts for the 2019 GURC (Georgia Undergraduate Research) Conference are due September 18, 2019. GURC is a regional, multidisciplinary conference open to undergraduates both within Georgia and beyond. Click here to learn more.

STEMfest at Georgia Southern is scheduled for Saturday, September 21, 2019 at the Nessmith-Lane Center on the Statesboro Campus. Click here to learn more.

Did You Know…

Digital Commons@Georgia Southern is the institutional repository for Georgia Southern University. This open-access repository collects, archives, and disseminates the intellectual and creative output of the University’s faculty, staff, students, and community partners. Digital Commons hosts contributions from across campus and the community, including campus documents and publications, faculty and student research, conferences, journals, research data, news, and more. Since Digital Commons’ launch in Fall 2013, over 3 million items have been downloaded by visitors from around the world. For more information, visit our Institutional Repository Services guide or contact the Digital Commons Team.

Updates from ICPSR
• What is ICPSR? Watch this short video (1:56).

• Do you teach with data? See ICPSR’s Classroom Exercises and Resources for Teachers. Also, check out ICPSR’s Data Driven Learning Guides.

• Did you know... ICPSR hosts an annual undergraduate and graduate student Research Paper Competition for papers on any topic using data from the ICPSR General Archive or Thematic Collections. Click here to see the 2019 winners and guidelines for entering the competition. The 2020 submission deadline is January 31, 2020.

Georgia Southern University is a member institution of the Inter-University Consortium for Political and Social Research (ICPSR).
