Campus Health Information for Faculty and Staff

[Home](#) > [COVID-19 Response](#) > Campus Health Information for Faculty and Staff

Georgia Southern University's goal is to keep our students fully engaged in classroom, laboratory, clinical, experiential, extramural, and co-curricular environments.

Georgia Southern continues to prioritize the health and safety of students, faculty and staff, and help ensure the well-being of the community. Everyone at the University has an individual responsibility to contribute to proper behavior and to adhere to public health guidance to protect themselves and others as well as to help contain the spread of the virus. Institutional controls are only as effective as the willingness of individuals to carry them out.
