*"From harmony, from heavenly harmony,  
This universal frame began;  
When Nature underneath a heap  
Of jarring atoms lay,  
And could not heave her head,  
The tuneful voice was heard from high;  
'Arise, ye more than dead'."*

Thus, Dryden has lastingly expressed the theme of music and its part in all creative things. We ought ever to be mindful of music but chiefly this year has there been a concerted effort to develop the musical talent found on the campus.

# D E D I C A T I O N

The furthering of musical appreciation on the campus has been made possible through the untiring efforts of the various musical organizations, their directors and their personnel. To these organizations and their directors, then, we dedicate this book and make it a memorial to their worthy aims and high endeavors.

## A MESSAGE FROM THE PRESIDENT

THE YEARS PASS BY with an ever quickening pace. Today becomes yesterday and yesterday quickly becomes "long, long ago." While the future lures us onward, there are occasions when we wish to turn back the hands of the clock and live again in the days of "once upon a time." On such occasions, there is nothing quite so suggestive or quite so full of sweet memories as the college annual. It is there we see once again the faces of our friends as they were when we knew them and loved them. There are our teachers whom we feared, disliked perhaps, or revered. There are our rivals—for honors, for leadership, and mayhap for someone's affection. There are our roommates, our club-mates, our classmates. Every page of the book provokes mirth hilarious, memories sweet, and comment heterogeneous. An evening by the winter fire or an afternoon in the summer's shade with a friend and the college annual, makes possible an occasion of rare delight.

May I congratulate the staff of this college annual, *THE REFLECTOR*. May I, also, express my official thanks for the good work done and the service rendered in making this volume a reality.

## STUDENT GOVERNMENT

GEORGE CARTER . . . . . *President*

BILL GARRISON . . . . . *Vice-President*

WILL HILL FIELDS . . . . . *Secretary*

VERNA LASSETTER . . . . . *Treasurer*

FOR THE LAST SEVERAL YEARS Student Government has been singularly effective on the Teachers' campus. Students have accepted the responsibility of self-government in a remarkable fashion, and thus disciplinary problems have been minimized.

The present set-up includes an Administrative Council which embraces the deans of the college and a group of representative student leaders who advise and regulate in all matters of student concern. A second body, the Student Council, is composed of elected students. It is the function of this council to promote wholesome and worthy student activity, to create an atmosphere of mutual interest between faculty and students, and to plan a democratic social program which will enrich the life of every student.

A planned system of student government, when assisted by such personalities as Dean Henderson, Dr. Destler, and Aunt Sophie, proves to become the most popular and efficient means of handling campus problems.

First Row: Carter, Garrison, Fields, Lassetter, Bell, England, Pound. Second Row: Warren, Rabun, Cartee, Proctor, Deal, Vandiver, Ramsey.

## PURPOSE

THE YOUNG WOMEN'S CHRISTIAN ASSOCIATION of South Georgia Teachers College pledges itself to promote growth in Christian character and service through physical, social, mental and spiritual training and to become a social force for the extension of the kingdom of God.

Its members unite in the desire to realize full and creative life through a growing knowledge of God, and determine to have a part in making this life possible for all people.

The aim is to establish a closer contact with all types of girls on the campus, and through this contact to attempt to give a girl a finer understanding of herself and the world about her.

THE YOUNG MEN'S CHRISTIAN ASSOCIATION of South Georgia Teachers College, since its organization in 1929, has sought to help students preserve and apply whatever religious and moral values they may have developed before coming to college, and to make possible a spiritual growth in the lives of all these students. These things are accomplished by offering each a chance for religious thought and study; by providing opportunity for experience where ideals and principles may be lived in life situations; and by creating a consciousness of new trends and values in connection with our fellowman.

The "Y" also concerns itself with the social training of the students. It endeavors to make this part of their education as rounded as possible by providing a social environment equal to and worthy of their mental development. Members are also given valuable training in learning to express themselves clearly before an audience.

During its existence here, the Y. M. C. A. has established for itself a fine reputation and strong support for its influence in bettering campus life.

## ATHLETIC DIRECTORS

BYRON L. SMITH . . . . .	<i>Director of Men's Physical Education</i>
JIM WRINKLE . . . . .	<i>Instructor in Physical Education</i>
FIELDING RUSSELL . . . . .	<i>Boxing Coach</i>
WILLIAM S. HANNER . . . . .	<i>Tennis Coach</i>
LOUISE MCGILVERY . . . . .	<i>Director of Women's Physical Education</i>
GENERIA H. BOWEN . . . . .	<i>Instructor in Physical Education</i>

THE ATHLETIC DIRECTORS of South Georgia Teachers College are not interested primarily in sponsoring an athletic program to develop widely recognized athletes. Their aims are to sponsor a program suited to the needs of a proficient teacher. For this reason they have endeavored to give each individual an opportunity to participate in a program designed for growth in leadership, sportsmanship, group participation, moral advancement, and physical fitness.

Through the efforts of Coach Smith, Miss McGilvery, Mrs. Bowen, Mr. Wrinkle, Mr. Russell, and Mr. Hanner, these aims have been realized more fully this year than in preceding years.

## THE BLUE TIDE

THE 1936 EDITION of the Blue Tide, although not very successful as far as the record is concerned, exemplified all that should be expected of an amateur college team, who played the game only because of the love for it. A keen spirit of sportsmanship was shown by the Professors at all times, and never was their gridiron conduct such as to bring discredit to themselves or the school they represented. They played hard and fair, and were good winners, but better still, good losers.

This season saw two Professors wear the Blue and White on the football field for the last time for the Professors. Earl "Coonie" Riggs, veteran center and main cog in the machinery for the past several seasons, concluded a spectacular career. Joe "Dodie" Lambright, quarterback, also hung up his togs at the conclusion of the season.

Coach Smith should be able to develop a better team next year with such men coming along as Glenn Heath, Treutland Grady, Tom Vandiver, Jeff Stewart, Cope Ozier, J. C. Golden, Charles Dominy, Charles Estes, Eli Hill, Douglas Strickland, Ralph Crowe, O. B. Inman, Tom Brantley, Parker Adams, Hemans Oliver, and others who saw considerable service and acquitted themselves well during the past season.

## BOXING 1937

BOXING HAS BEEN a recognized sport on the T. C. campus for only a few years. Coach Russell has taken inexperienced fighters and has given us teams which have defeated some of the outstanding colleges in this State and colleges outside of the State.

## BASKETBALL 1937

THE 1937 CAGE TEAM of the Teachers possessed one of the best records on the local court of any team ever to represent this institution. B. P. I., Middle Georgia College, University of Tampa, Mercer University, University of Florida, Armstrong Junior College, and Stetson University fell before the Profs in this order on the local court. Oddly enough, the Teachers lost the opening game to Armstrong, with one week's practice behind them, and lost the closing game to Mercer University. Undoubtedly, the '37 Cagers were one of the best clicking basketball teams Coach Smith has ever produced.

## TRACK 1937

THE TRACK TEAM coached by Mr. Westcott in 1936 has as its director this year Jim Wrinkle. Under his direction a successful season is anticipated.

## TRACK 1936

Those men who were out for the 1936 track team were:

100-Yard Dash . . . . .	THORNTON, OLIVER, RUSHTON, GILBERT, MCKNEELY
220-Yard Dash . . . . .	OLIVER, THORNTON, GILBERT, RUSHTON

## TENNIS 1936

MR. HANNER HAS BEEN INFLUENTIAL in making tennis the outstanding minor sport on the campus. The 1936 team, composed of Ed Carroll, George Carter, Alton Settle, Hugh Hodges, Bob Espy and J. R. Bowen, staged several very interesting matches with other intercollegiate teams.

Prospects for the 1937 season seem to be very encouraging.
