OTHER BUSINESS

1. **Courses that require eligibility for ENGL 1101**

   Delana Gajsdosik-Nivens

   Since students are now eligible for ENGL 1101 due to the new Learning Support requirements, the prerequisite of “eligibility for ENGL 1101” must be changed. Individual programs may want to remove the prerequisite altogether. Others may want to change the prerequisite to “ENGL 1101” (i.e., they must pass ENGL 1101 first). This can be done by blanket approval of the UCC, but the preferences of the programs need to be identified.

   The following classes have “eligibility for ENGL 1101” as a prerequisite:

   BIOL 1107, BIOL 1107A, BIOL 1107L, BIOL 1103, BIOL 1120, BIOL 1130, BIOL 1140
   CRJU 1100, CRJU 2200
   ECON 1101, ECON 2105, ECON 2106
   FREN 1001, FREN 1002, FREN 2001, FREN 2002
   GRMN 1001, GRMN 1002, GRMN 2001, GRMN 2002
   GNST 1101
   HIST 1100, HIST 1111, HIST 1112
   HLPR 1100, HLPR 1200, HLPR 2200
   LATN 1001, LATN 1002, LATN 2001, LATN 2002
   LEAD 1001
   POLS 1100, POLS 1150, POLS 1200, POLS 2100, POLS 2200, POLS 2290
   PSYC 1101, PSYC 1200, PSYC 2300
   RELI 2100
   SOCI 1101
   SPAN 1001, SPAN 1002, SPAN 2001

   Dr. Gajsdosik-Nivens contacted the departments, and all but the Biology Department and the Psychology Department opted to have the prerequisite removed by blanket change.

   It was moved and seconded that the courses listed above, with the exception of the Biology and Psychology courses, have the prerequisite of “eligibility for ENGL 1101” removed by blanket change. The motion carried.

   The UCC Chair will follow up with the Biology and Psychology departments about bringing their courses through the UCC to change the prerequisite on their courses to suit the needs of their departments/programs.

2. **Procedure for approval of HONS courses**

   Delana Gajsdosik-Nivens

   On the UCC agenda, the Honors Program is listed under the College of Liberal Arts. This is a hold-over from when there was a College of Arts and Sciences, and the Honors Program was housed in that college. The Honors Program is now part of Academic Affairs. The question has arisen about whether creation/modification/deletion of HONS
classes should still go through the College of Liberal Arts curriculum committee or whether these courses should come to UCC by a different procedure.

UCC bylaws require that courses be vetted by a college curriculum committee before being considered by the UCC. It was moved and seconded that HONS courses continue to be vetted by the College of Liberal Arts Curriculum Committee. The motion carried.

It was suggested that the bylaws be reviewed and discussed at the next meeting, with a representative from the Honors Advisory Committee present. The UCC Chair said she would contact the Honors Advisory Committee.

3. **Informational item: CST, COE, and CLA representatives.**

   The Faculty Senate will be holding an election in the College of Science and Technology to fill the seat vacated by Mirari Elcoro. The new representative will be elected in time for the October meeting.

   Jackie Kim, College of Education, has a Wednesday class this semester but will join the meetings late after her class is dismissed.

   Julie Swanstrom, College of Liberal Arts, should be back from leave in time for the October meeting.

4. **Draft catalog availability for UCC members.**

   There was a request that Ms. Fulton make an updated draft catalog available to UCC members via Google Drive, as in the past.

**ADJOURNMENT.** The next meeting is on October 7. The meeting was adjourned at 3:39 p.m.

Respectfully submitted,

Myka Bussey-Campbell
Chair, University Curriculum Committee

Joint Leadership Team
July 28, 2015
Summary

Guests: A. Hersh, J. Stanford

Welcome and Introductions
President Bleicken welcomed the 2015-2016 Joint Leadership Team. New members were introduced. The desired outcomes for the team’s work were shared.

- Affirm shared goals.
- Share strategies for achieving goals.
- Identify shared strategies.
- Collaborate to achieve shared strategies.
- Engage one another to achieve greater transparency and a sense of shared purpose.

Marketing Update

Website Redesign
Allison Hersh and Janice Stanford indicated that the website design has focused on reducing the amount of text while enhancing the visual appeal and the usability across multiple devices. When the new website is launched, the number of pages will be reduced from approximately 7500 to 3000 pages; will be visually appealing; and will be easily accessible from desktop, mobile device, or tablet. The targeted launch date is August 30, which allows for all the pages to be properly reviewed, to determine if all the links are working, to be sure that photos are placed correctly, etc. President Bleicken recognized Janice Stanford for going above and beyond in her efforts with the project.

Recruitment Materials
Allison Hersh shared multiple recruitment materials that have been developed for the 2015-2016 recruitment cycle. The emphasis is on academic excellence, mentoring, careers, campus life, Savannah, and alumni successes. Recruitment materials have been developed that target specific populations such as military, non-traditional, and Hispanic/Latino populations. Drafts of two new commercials were also shared.

AY2015-2016

Anniversary Year
Armstrong will be celebrating various anniversaries this year—80th year as an institution; 50th year on the south side, 50th year for the Nursing program, 30th year of residential housing, 5th year of Treasure Savannah, and 5th year of the strategic plan. Bill Kelso shared that anniversary themes will be interwoven into existing activities and events (i.e., Armstrong Magazine, Celebrate Armstrong, Alumni Gala). One new event is being planned with the assistance of Dr. Janet Stone who will be developing a mini-lecture of the institution’s move to the south side followed by a walking tour of the quad. SPARC II is also working on a five-year progress report of the strategic plan.

Source: President’s Office 9/14/15
PC Priorities
Dr. Bleicken shared that President’s Cabinet (PC) reflected on the AY2014-2015 priorities noting that many of the outcomes were accomplished or in progress. Also noted was how the priorities were categorized into individual silos based on the institution’s strategic goals rather than how four of the goals support strategic goal 1, student success. For AY2015-2016, student success will be highlighted as the primary goal. PC also focused on the core values delineated within the strategic plan, asking if these values still describe the values of the institution. Participants were encouraged to identify actions that will actively support our core values as we engage with one another during the coming academic year. For AY2015-2016, the values will be emphasized with the focus on enhancing and building relationships as well as helping others recognize the decisions they can make for day-to-day changes that positively impact the campus environment and student success.

Convocation
Convocation will center on the themes of anniversary year, student success, and our shared values. Past SGA Presidents and the Golden Graduates have been invited to attend.

Staff Council
Pat Potter announced the AY2015-2016 membership for Staff Council. She serves as Chair and Deidre Dennie serves as Vice Chair. Returning members include Pam Culberson, Sharon Durant, and Tracee Hickman. New members include Katherine Arntzen, Katie Twining, Brandi Vaudrin, and Shannon Vo. At the 2015 Thank You Luncheon for staff, an opportunity was provided for donations for the Savannah Vet Center related to Stand Down America Day. The donations were items that homeless veterans could use. Approximately 300 pounds of items were donated. Pat also indicated that the Council was working with the Registrar’s Office to hold another FERPA training in the fall.

SGA
Matthias Downs shared the SGA goals and objectives for the academic year (attached). He also announced a series of fall events and invited campus leadership to participate.
• 2015-2016 Student Senate Legislative Cycle Kick-Off—August 24
• Speed Meeting—October 1
• Leaders Inspiring Leaders—November 3
• Town Hall Meeting—November 5

Faculty Senate
Cliff Padgett reported that the survey to faculty regarding committee membership will be sent August 10 and members of JLT were invited to include any committees if appropriate. He also shared that on October 11, the USG Faculty Council will hold its meeting on the Armstrong campus. Possible items under consideration for this year’s Faculty Senate include revisiting eCore and the academic bullying/hazing policy. He asked about the feasibility of clickers for Faculty Senate meetings. Robert Howard indicated that ITS would work with Faculty Senate.
Updates

**Enrollment**
Bob Smith and Georj Lewis provided an enrollment update. As of July 28, total enrollment was 6108. New student applications for freshman and graduate students are up in comparison to one year ago. Transfer applications are down. Other new student indictors such as student housing applications and Navigate registration/attendance are up in comparison to one year ago. The percentage of eligible returning undergraduate students registered for fall is slightly up in comparison to one year ago. Two-thirds of undergraduate students who have not registered have advisement holds. It was noted that efforts will continue to create the conditions needed to assist continuing students to be successful. Examples given included the following: making DegreeWorks available to all; implementing wait lists for courses; and restructuring academic advisement, specifically for freshman, sophomore, adult, and transfer students.

**Fundraising**
Bill Kelso reported that for FY2015, $1,162,795 was raised (goal: $1,200,000). FY2015 saw donor growth in the following areas: the number of donors increased by 342 donors; the number of alumni giving increased by 787 alumni; and the percentage of faculty and staff donating increased by 6%. The FY2016 fundraising goal is $1,700,000.

Other

**Atlanta Meetings**
President Bleicken shared that on August 27, she met with Governor Deal’s Director of the Office of Planning and Budget (OPB) and Chancellor Huckaby. The OPB Director indicated that one of the Governor’s focus areas for the FY2016 budget will be salaries for state employees. The Chancellor reinforced that this would be a budget priority.

**Faculty and Staff Salary Adjustments**
President Bleicken distributed a handout outlining faculty and staff merit and market adjustments beginning with FY2012. Regarding salary adjustments effective July 1, 2015, she noted that the President’s Cabinet had two priorities that guided this year’s budget discussions: (1) faculty and staff; and (2) key programs and initiatives. The specific targets during the spring discussions were based upon a commitment made to faculty and staff to adjust market inequities so that 93% of the CUPA average salary could be met for employees. The allocation for merit raises for FY2016 was approximately $169,300 (0.4%) for merit. Other factors affecting budget decisions were (1) the projection of a modest enrollment increase for FY2016 and (2) a $655,000 FY2016 budget reduction. Following careful review and discussion, President’s Cabinet approved (1) funding the next step in the Faculty/Staff Salary Adjustment plan (93% of CUPA average salary) and (2) supplementing state appropriations for 0.55% merit increases.

**Next Meeting:** August 25 at 9:00am in Burnett Hall Boardroom

Joint Leadership Team
August 25, 2015
Summary

Guests: R. McCaskill, C. Reagin

2016 Commencement Proposal
Rock McCaskill shared that as Armstrong graduates more students, the number of guests attending the ceremony cannot be accommodated, resulting in guests being turned away. On behalf of the Commencement Committee, he presented three options for consideration. The option recommended by the committee was the ticketing option. Concerns were raised about this option. The Commencement Committee was asked to further review the overflow option as well as the possibility of multiple ceremonies in the spring.

FY2015 Year-End Financial Report
Chris Corrigan and Cam Reagin presented the FY2015 year-end financial report. Overall, the university ended the fiscal year in a good position. Individuals reviewing the report will note two things that affected it: (1) the P3 transition in Housing (affected revenues) and (2) the nationwide changes in accounting pension liabilities (affected assets). The power point presentation will be posted to the Business and Finance website.

Chris Corrigan reminded the team that there would be a campus-wide FY2016 budget presentation on Monday, August 31 at 12:00pm in the Ogeechee Theater.

New Armstrong Website
Bill Kelso shared that the new website is currently on track for a mid-September launch. Marketing has been reviewing every page of the website, which includes checking every link and verifying the navigation functions properly throughout the site. Marketing and ITS are currently making edits before sharing pages with content managers on Monday, August 31. Marketing and ITS will make the final edits the week of September 7 with the website going live the week of September 14.

Robert Howard indicated that training on how to update content on the website would begin in September for content managers. There will be two sessions per week for two weeks and then weekly through October. An online training option will also be made available.

The question was asked if there were exceptions to updating the current website, specifically for Faculty Senate and SGA and the response was that there are exceptions for updating the current website.

Student Government Association (SGA)
Matthias Downs thanked individuals who attended the first SGA meeting of the academic year. Senators appreciated meeting the faculty, staff, and administrators who attended. He shared that SGA is reviewing a proposal for an Armstrong Liberty Center Student Council, which would serve

Source: President’s Office 9/14/15
as an auxiliary branch of SGA. The proposal would address one of SGA’s 2015-2016 objectives, providing a method to effectively advocate for the Armstrong Liberty Center students and to strengthen relationships with the Center. Campus Union Board (CUB) hosted four events for August: Outdoor Movie Night, Brandon Chase concert, Welcome Back Casino Night, and Beach Bash (25th anniversary). The total attendance for the events was approximately 700 individuals. For September, CUB has 3 events scheduled and SGA has multiple activities planned ranging from Bring a Friend to Senate to Talk Like a Pirate Day at Krispy Kreme on September 19 (talk like a pirate and get a free doughnut; dress like a pirate and get a free dozen doughnuts). He also reminded the team of key event dates.

- **Speed Meeting**—October 1 from 12:00-2:00pm, SU Ballroom
- **Celebrate**—October 21-24
- **Leaders Inspiring Leaders**—November 4 at 6:00pm, SU Ballroom
- **Town Hall Meeting**—November 5 at 7:00pm, SU Ballroom

**Staff Advisory Council (SAC)**
Deidra Dennie shared two SAC initiatives. The first, Random Acts, occurs when SAC surprises staff members who are doing great jobs with treats and well wishes to show appreciation for their efforts. The second is Galley Days, a SAC initiative in collaboration with Sodexo and Business and Finance. Once a month, an opportunity will be provided for staff to gather in the Galley to network over a meal. The first event will be held in late September.

**Updates**
**Enrollment**
Bob Smith and Georj Lewis provided an enrollment update. As of August 25, total enrollment was 6922. The decline in enrollment of 116 students was due to the cancellation for non-payment of fees that occurred on August 24.

New student applications for freshman and graduate students are up in comparison to one year ago. Transfer applications are down. Other new student indicators, such as student housing applications and Navigate registration/attendance are up in comparison to one year ago. As of August 24, the percentage of eligible returning undergraduate students registered for fall was up in comparison to one year ago. The first-time, full-time freshman retention rate was up in comparison to one year ago as well. The impact of the cancellation for non-payment of fees on retention was unknown at the time of the meeting.

Students are now being admitted for mini-mester that begins on October 12. Data indicates on average 200 students register for the shortened term.

**Other**
**Annual Campus Campaign**
Bill Kelso shared that $66,564 (34.4%) had been raised, an increase of over $14,000 in comparison to one year ago and surpassing the total raised as of last year’s celebration. In the Campaign Trophy competition, the College of Education was leading with a 67% participation rate. The College of Health Professions closely followed with a 62% participation rate. A Campus Campaign and Fundraising forum will be held September 17

*Source: President’s Office 9/14/15*
at 1:30pm in the Ogeechee Theater to provide a progress report on the campus campaign and to share fundraising priorities for the university.

**Campus Climate Survey Sessions**
Deidre Dennie reminded the team that there will be three sessions next week for Dr. Susan Rankin to present the results of the Living, Learning, and Working Campus Climate Survey.
- September 1, 11:30am-1:00pm
- September 1, 4:00-5:30pm
- September 2, 11:30am-1:00pm
All sessions will be in the Ogeechee Theater.

**University System of Georgia Faculty Council (USGFC)**
Liz Desnoyers-Colas shared that the USGFC will meet October 31 on Armstrong’s campus. One agenda item will be the USGFC resolution sent to the Board of Regents and Chancellor Huckaby (please see attached).

**Next Meeting:** September 29 at 9:00am
UNIVERSITY SYSTEM OF GEORGIA
FACULTY COUNCIL RESOLUTION

WHEREAS the Board of Regents (BOR) of the University System of Georgia (USG) has approved substantial raises to the Chancellor and System Presidents; and

WHEREAS the Chancellor has indicated that the raises are necessary to maintain competitiveness of Presidents’ and Chief Operating Officers’ salary levels at the regional and national levels; and

WHEREAS the Chancellor and BOR have reduced the budgets significantly at several system institutions citing reduced State revenues and higher education budget cuts as the reason, which have resulted in increased faculty workloads; and

WHEREAS faculty salaries have not remained competitive with national and regional levels at most system institutions, nor have they maintained pace with cost of living and health care costs;

THEREFORE, BE IT RESOLVED THE UNIVERSITY SYSTEM OF GEORGIA FACULTY COUNCIL (USGFC) CALLS FOR THE BOARD OF REGENTS AND THE CHANCELLOR to:

REMEDY the salary inequities of the faculty, rendering them competitive with national and regional levels; and

HOLD IN ABEYANCE any further system-wide increases in student tuition and fees pending the necessary financial reviews to place the above remedy in effect; and

APPROVE IN CONCEPT the inclusion of elected faculty representatives in all future system-wide financial and salary discussions.

TO THIS END, THE UNIVERSITY SYSTEM OF GEORGIA FACULTY COUNCIL (USGFC) CALLS FOR THE BOARD OF REGENTS AND THE CHANCELLOR to take the following additional action, designed to preclude future misunderstandings between the Chancellor and BOR on the one hand and the Faculty on the other:

OFFICIALLY ENDORSE the respective roles of Board, Administration, and Faculty in system-wide governance of the USG as laid out in the Statement on Government of Colleges and Universities jointly formulated in 1966 by the American Association of University Professors (AAUP), the American Council of Education (ACE), and the Association of Governing Boards of Universities and Colleges (AGB).

THE UNIVERSITY SYSTEM OF GEORGIA FACULTY COUNCIL (USGFC) will prepare documentation for Board of Regents approval to place the above into effect.

Proposed Academic and Bullying Bill

Whereas faculty incivility in the form of colleague targeted academic bullying and hazing ultimately fosters a hostile work environment by cultivating and enabling an academic climate of intimidation, marginalization and exclusion

And whereas the continued cultivation of collegiality through mutual respect, civility, and dignity is essential for furthering positive higher education interaction between all levels of faculty and administration

The Armstrong Faculty Senate requests that the University Grievance and Conflict Resolution procedures be changed to include a grievance or disciplinary review process policy for the University Grievance Committee to use for review and discipline of academic bullying hazing and bullying complaints/disputes made by any faculty member concerning colleagues and administrators.
