School of Nursing's BSN Program Ranked 19th

March 3, 2016

The School of Nursing's BSN program has been ranked as one of the top 20 LPN to BSN programs by TopMedicalAssistantSchools.com.

To be eligible for the ranking, schools needed to offer an accredited BSN degree with a track for LPNs/LVNs. Schools were ranked based upon their students' passing rates on the NCLEX test for registered nurses. Weighted scores were given to each school based on their students' last four to five years of NCLEX scores and in cases where scores were equal, rankings were based upon tuition rates for the nursing programs.

Georgia Southern University's School of Nursing is fully accredited by the Georgia Board of Nursing and the Commission on Collegiate Nursing Education. For more information on the Georgia Southern Nursing Program, visit GeorgiaSouthern.edu/nursing.
