# Graduate Student, Mackenzie McBride Chairs “Author Meets Critics” Session at the American Society of Criminology

*December 6, 2016*

Mackenzie McBride chaired an “Author Meet Critics” session for the second edition of “The Criminal Brain” at the 72nd annual American Society of Criminology (ASC) meeting. The meeting was held in New Orleans, Louisiana during November of 2016. This was an important session for Mackenzie because she provided research that helped with the creation of this book. Also, this session was a tribute to the late Dr. Nicole Hahn Rafter, who is the original author and has been an extraordinary influence on the world of criminology.
