# 3rd Annual RSI Hackathon- The Most Stellar Hackathon in the Galaxy! – Augusta

*August 25, 2014*

It is once again time for the Annual Rural Sourcing, Inc. (RSI) Westobou Hackathon!

This year, we are calling all hackers to BLAST the competition in Augusta for an October 3rd Galaga inspired invasion! What is a hack•a•thon you ask...

*/ˈHAKəˌθæn /* noun: a hackathon (also known as a hack-day, hackfest or codefest) is an event in which computer programmers and others in the field of software development, like graphic designers, interface designers and project managers collaborate intensively on a software related project.

This is our 3rd hackathon and we are having a stellar party with food galore, live music, awesome prizes, and galaxian presentations. As a 2014 RSI hacker, you and your team will be given four hours and the content needed to develop a website. You may use the programming language of your choice to complete this task. When the timer buzzes, you may present your work to a panel of expert judges- the team with the HIGH SCORE wins a paid internship with RSI!

If you are not able to participate, we still welcome you to stop by with your resume and get some face-to-face time with members of our team and network with our hiring managers!

WHO: All college students with interest in Computer Technology

WHERE: Old Medical College 598 Telfair Street Augusta, GA

WHEN: Friday, October 3, 2014 11:00 PM – 5:00 PM

Register by September 19, 2014 at: [www.ruralsourcing.com/Augusta\\_Hackathon](http://www.ruralsourcing.com/Augusta_Hackathon)

It is sure to be an event that is OUT OF THIS WORLD!!!
