The Undergraduate Student's Career Road Map

Building a resume worthy of the career you want after graduation can feel like a daunting task.

The Director of the Office of Career and Professional Development (OCPD), Glenn Gibney, advises that no matter what year college students are in, it's never too early to network or gain experience, which are the two key aspects of successfully finding a job after graduation.

COVID-19 vaccine available on the Armstrong Campus on Wed. Sept. 8

Armstrong students can make an appointment through their [MyGS Portal](#) to receive their COVID-19 vaccine at the Health Professions Building on Wed. Sept. 8.

Cruella: The Dog Owner?

Overall, I give the film three out of five stars because it is a good film. The story arc is thought out, the plot twists keep the viewer interested, and the acting is excellent. If you're a fan of Emma Stone or just looking for a crime movie that is both thrilling and funny, I'd recommend Cruella.

Yet, "Cruella" should not be part of the 101 Dalmatians franchise because it's hard to understand how Stone's character eventually becomes Glenn Close's character from the 1996 film or the cartoon Cruella de Vil from 1961.
