# **AITP Meeting – Student Chapter of the Association of Information Technology Professionals**

*September 2, 2014*

All majors are welcome to join the first AITP meeting of the 2014 fall semester. Those who attend will be informed about trips and events planned this semester. Any student of any major can get involved, whether it's being a member or to enjoy the events we host, like our Teklan Gaming events. AITP is a great way for any student to get immersed and see the technical field. We will meet on campus in Room 2208 of the IT Building on Wednesday, September 3rd at 5:30 PM.
