**FRIENDS COUNCIL MEETING  
MARCH 16, 2015**

**F2T discussion:**

There was concern about the chef's presentation during Feed the Mosasaur. The consensus was it was not polished. Representatives will meet with the chef after Easter in hopes of averting some of the concerns reported from the Mosasaur event. Ideas included providing a list of wine options from which he might choose and having the guest speaker talk about courses created from her recipes.

It was agreed that another save the date reminder should be sent that includes F2T in the subject line instead of "save the date."

Possible sponsors suggested included the new Walmart grocery, Billy Hickman, Anderson's General Store, Lowe's, and Agrisupply.

Rosemarie suggested contacting Christy Hulsey from Colonial House of Flowers about doing the decorations

**Seed Library**

There was a good response to the update on seed library plans. A visit to the Tattnall County library will be planned after Easter.
