# Fulbright Scholars Program Workshop

## Steve Litvin

*College of Charleston*

In this workshop, College of Charleston Professor and Fulbright Ambassador Steve Litvin will share his Fulbright experiences and discuss how a Fulbright can work for you. Scholars such as Steve return to their campuses with new perspectives on their fields and fresh ideas for further international engagement. Participants will learn about the benefits of Fulbright and the impact it can have personally and professionally. The Fulbright Ambassador Program trains and utilizes a select group of Fulbright Scholar alumni from the full spectrum of U.S. academic disciplines, higher education institutions, and geographic regions to serve as representatives for the Fulbright Scholar Program at campus workshops and academic conferences across the United States. Steve's Fulbright was as Research Chair in Sustainable Commerce, hosted by the School of Business of the University of Guelph, Ontario, Canada.
