# Dr. Olga Amarie published in Revue Internationale en Sciences Humaines et Sociales

September 29, 2015

Congratulations to Dr. Olga Amarie, whose article, “Étudier à l'étranger: une cartographie des risques,” appeared in *Le mythe de la maîtrise du risque dans les sociétés moderne*, a special volume of the *Revue Internationale en Sciences Humaines et Sociales* ([http://www.magma.analisiqualitativa.com/1302/article\\_02.htm](http://www.magma.analisiqualitativa.com/1302/article_02.htm)).

The pictures in the article come from Aubrey Ricketson, whose pictures demonstrate the types of arts and crafts she sold to raise money for her trip to Bordeaux, and from her husband, Dr. Dragos Amarie, who designed the caricature of a student begging for money.
