Policy training is going well and is still offering additional sessions. Exit interviews are being expanded. Call back pay has been changed to a minimum of 3 hours. Bereavement leave has been expanded. Casual labor term limits are now 18 out of 24 months. If a casual labor employee is hired after July 2008 without a previous competitive search, then a competitive search must be conducted. As of January 1, 2011, a child under the age of 26 can be covered by the state health plan by their parents who are employed in the USG as long as there is no available coverage for them elsewhere even if they are married with a child of their own. Any employee who terminates employment will need to have a PA submitted. If a student is inactive in payroll for 60 days will automatically be taken out of the system. First Southern will be the local HAS recipient bank.
