Master of Accounting program at Georgia Southern ranked No. 11 most affordable program

May 30, 2017

Georgia Southern University's Master of Accounting (MAcc) program was ranked No. 11 for 2017 Most Affordable Online College for Masters of Accounting Degrees by [OnlineU](#). Georgia Southern offers a MAcc with an annual tuition rate of \$10,305.

The MAcc program objective is to provide graduates with the knowledge and skills for a career in public accounting and consulting. The skills and competencies addressed by this program include learning practical and theoretical concepts, which are later applied on the CPA exam and in life outside of the classroom.

The [AACSB International](#) accredited program provides students with the opportunity to focus on forensic accounting and offers courses in SAP® systems. Other courses offered by the Georgia Southern MAcc program include current legal issues, fraudulent financial reporting, seminar in accounting information systems and tax research, among others. Georgia Southern also offers an online MAcc degree.

The list published by OnlineU includes the 25 most affordable online colleges and universities offering masters degrees in accounting. OnlineU is a product of SR Education Group whose mission is to be the most authoritative online resource to help students choose the best school for their career aspirations and budget. They believe objective information about education, careers and educational financing should be easily accessible.

The College of Business seeks to develop and promote a learning environment of the highest quality, characterized by inspired teaching and informed by meaningful research. Consistent with the traditions and mission of Georgia Southern University, the College of Business offers a broad array of undergraduate programs and select graduate programs.
