DONOR EDUCATION

Albatross, a golf prospect that signed an NLI with Georgia Southern University last month, wants to play in a major tournament in Florida in February. Money is tight in the Albatross family, so he set up a GoFundMe account to raise funds to cover his expenses for the tournament.

Which category of people are NOT permitted to contribute to the fund?

1. Local store owner
2. GS booster
3. Family neighbor
4. All of the above

The answer is 2. NCAA Bylaw 12.1.2.1.4.2 states that an individual who participates in a sport as a member of a team may receive actual and necessary expenses for competition and practice held in preparation for such competition (directly related to the competition and conducted during a continuous time period preceding the competition) from an outside sponsor (e.g., team, neighbor, business) other than an agent or a representative of an institution's athletics interests (and, after initial full-time collegiate enrollment, other than a professional sports organization). An individual who participates in a sport as an individual (not a member of a team) may receive actual and necessary expenses associated with an athletics event and practice immediately preceding the event, from an outside sponsor (e.g., neighbor, business) other than an agent or a representative of an institution's athletics interests (and, after initial full-time collegiate enrollment, other than a professional sports organization).
