SPECIAL DEDICATION

It is fitting that we, the Staff of the 1958 'Geebee, should pay special tribute to Mr. Herschel V. Jenkins, Chairman of the Armstrong College Commission, in this year of his retirement as chief executive of the Savannah Morning News. Mr. Jenkins has shown deep interest in the development and welfare of our community and has given unselfishly of his time to those organizations dedicated to its expansion. Among his outstanding contributions, and one close to the hearts of all interested in Armstrong College, is the beneficial influence exerted by him as Chairman of the College Commission.

1958 'GEECHEE DEDICATON

The staff of the 1958 *'Geechee* takes pleasure in paying tribute to an outstanding member of the college faculty, Ross C. Durfee. Mr. Durfee's dynamic personality, ready wit, his display of school spirit, and the personal interest he takes in students in his classes and in the Masquers has made him a favorite of all. Anyone who has worked with Mr. Durfee in the Masquers or, for that matter, has just heard him preside over an assembly, will readily agree with the suitability of our dedication.

1958 'GEECHEES

The 1958 'Geechees got off to a fine start winning six of the first nine games. As the season progressed the going got rougher and the club ended with a creditable fifty-fifty record before losing an additional game in the State Tournament. All agree it was the scrappiest and best all-round Armstrong team in recent years.
