Assessment Work Team
October Meeting
Wednesday Oct. 3, 2pm-3pm, Library Conference Room

1. ACRL 2017-18 survey (<https://acrl.countingopinions.com/>)

- Agreed to report Henderson library FY2018 data only.
- Lane library data will not be included in this survey but will be next year.
- Reviewed new line #45 regarding reporting consortial expense.
- Will ask Lucy if GALILEO is able to report the expenditure for all USG libraries.
- Will report first draft by Nov 2nd.
- Will finalize the survey in mid-Dec before winter break.
- This year's ACRL trends questions are related to "Library Contributions to Student Success Initiatives". Will ask Dean Mitchell to review the questions and our responses.

2. IPEDS 2018-19 survey (<https://nces.ed.gov/ipeds/use-the-data>)

- Lane library data will be consolidated with Henderson library data and reported as one single unit as required by OIR. This is different from reporting to ACRL.
- Will prepare the first draft when ACRL survey is completed.
- Hope to finalize this survey in mid-Jan before the OIR's deadline.

3. Work Team coordinator

- Dean Mitchell will send out a request for volunteer.

4. Other

- Leslie suggested to look into the customer satisfaction and feedback management devices that Clement once suggested 2 years ago. To reduce cost, attendees suggested ideas such as using our tablets or google forms to collect responses.
- Jeff asked Doug if any Lane Library staff would like to participate in GIL-Find usability testing project task force. Doug will ask next week his staff after GLA meeting.
