Summer 2019 Teaching Online Certificate (TOC) Program

Registration Deadline: April 30, 2019

Applications are currently being accepted for the Summer 2019 TOC session.

The Teaching Online Certificate Program (TOC) prepares and certifies faculty to teach and design online courses at Georgia Southern University. The Summer 2019 TOC Program consists of three parts: a five-week online workshop, a three-week course development practicum, and two face-to-face technical training workshops. For more information, please visit our [TOC page](#).

TOC Workshop: May 20 – June 23 (5 weeks)

TOC Design Practicum: July 1 through July 21 (3 weeks)

***Please do not register on the University Training Website.** Please log into your Georgia Southern email account to fill out the application. Online seats are limited. Full-time faculty who are assigned to teach online courses during the Summer 2019, Fall 2019, and Spring 2020 semesters will receive priority placement.

Summer 2019 TOC Program Application

Summer 2019 Improve Your Online Course (IYOC) Program

Registration Deadline: May 14, 2019

Applications are now being accepted for the Summer 2019 IYOC session.

The CTE's spring semester Improving Your Online Course (IYOC) was a huge success. It's now time to plan for the next section offered this summer.

Facilitated by the CTE staff, this online Quality Matters® (QM) workshop will help you support online student success:

- Faculty can update their expertise in teaching online
- Faculty can identify possible ADA and Section 508 non-compliant sections of their online courses
- Faculty can identify and implement course improvements to further engage their students, which might in turn boost future enrollment
- Faculty completing this IYOC workshop will meet the CTE prerequisite for a Quality Matters® online course review that will result in their course becoming QM certified

Although all online faculty are welcome to register, we especially invite those faculty who earned online teaching certification more than two years ago as well as faculty who teach in fully online programs. For more information, refer to our [IYOC page](#) or contact the CTE at cte@georgiasouthern.edu.

IYOC Dates: Tuesday, May 21 - Tuesday, June 11 (3 weeks)

***Please do not register on the University Training Website.** Please log into your Georgia Southern email account to fill out the application. Online seats are limited.

Summer 2019 IYOC Program Application

Congratulations to the 2019 SoTL Award Recipient

We congratulate Dr. Rami Haddad, associate professor in the Department of Electrical and Computer Engineering on being selected as the 2019 Georgia Southern SoTL Award Recipient. The SoTL Award recognizes faculty for the quality, quantity, and impact of their contributions to the Scholarship of Teaching and Learning (SoTL) as well as the application of research insights to improve the

student learning experience.

Inspired by a teaching philosophy grounded in active learning and student engagement, Dr. Haddad has conducted research on the effectiveness of his instructional methods; he has presented and published the results of his research in national and international outlets. SoTL research conducted by Dr. Haddad has focused on adaptive teaching strategies, gamification, and hybrid instruction in addition to several other areas of study.

Register for CTE Events & Workshops

Events may be cancelled if fewer than 5 participants register.
