Since its founding in 1935, Armstrong Atlantic State University has continued to develop to meet the Savannah community's educational needs. From its first location in Armstrong House in downtown Savannah to its current home on a scenic 250-acre lot off of Abercorn, the university has become one of the finest educational institutions in the Southeastern United States.

Armstrong Junior College was established by the Mayor of Savannah and other public officials in 1935. Housed in the beautiful and historic Armstrong House, a gift to the city from the family of George F. Armstrong, Armstrong Junior College grew over the years to occupy eight additional buildings in the Forsyth Park and Monterey Square areas.

In 1959, as Armstrong College of Savannah, it became a two-year unit of the University System.

The Board of Regents conferred four-year status on Armstrong in 1964 and the college moved to its present 250-acre location, a gift from Donald Livingston and the Mills B. Lane Foundation, in December of 1965. Additional buildings joined the eight original structures as Armstrong added professional and graduate programs and tripled in size.

In July of 1996, the Board of Regents voted to rename the college to Armstrong Atlantic State University to reflect its mission and identity. The university's reputation of excellence is still evident in its dedication to students, with a supportive environment.

Armstrong Atlantic State University was fully accredited as a senior institution by the Southern Association of Colleges and Schools in December, 1968, with accreditation retroactive to January 1, 1968, and was last reaccredited in December, 2001.

The university offers more than seventy-five academic programs and majors in its School of Arts and Sciences, School of Health Professions and School of Education.

The academic community includes approximately 6,500 students and more than 250 faculty members. Enrollment has more than doubled in the last 15 years, from

2,740 students in 1987 to its current number.

Across campus, evidence of the university's growth can be found in its facilities. Recently completed buildings include the Fine Arts Center, with a 1,000 seat theatre/auditorium, the Health Professions Building and an academic computing center, along with 84,400 square foot University Hall, built to make room for a student population of 8,000. A 115,000 square foot, \$28 million dollar science building opened in 2002. This fall, the campus welcomes the second phase of Compass Point, an addition to the school's first apartment complexes. Phase two provides an additional 300 beds to the already existing 275 beds from phase one and campus leaders are in talks for a planned phase three addition to Compass Point.

The athletic department of Armstrong Atlantic State University is housed in the Armstrong Sports Center, completed in 1995. The Sports Center includes offices for the physical education department, training room and weight room areas, basketball courts, indoor track and offices for coaches and athletic department personnel. The building played host to the Peach Belt Conference's basketball tournament in 1998 and 1999 and hosts several in-season tournaments each year. In 2004-05, Armstrong Atlantic State hosted Peach Belt Conference Championships in volleyball and golf, while also hosting the 2005 NCAA Division II Men's Golf National Championships.

AASU sponsors 10 intercollegiate sports and is a charter member of the Peach Belt Conference, formed in 1991. This year, the Peach Belt adds North Georgia as the 11th school in the league, and will add Georgia Southwestern in the fall of 2006 to bring the league's membership back to 12.

Continuing a mission begun in 1935, Armstrong Atlantic State University today serves a rich gamut of traditional and non-traditional students. Sixty percent of AASU's student body are from the Savannah-Chatham area, while others come from around the state, nation and world. All have come to Savannah to experience and thrive on the campus of one of the fastest developing higher learning institutions in the nation - to be a part of Armstrong Atlantic State University.

A 30-year veteran of university teaching and administration, Dr. Jones has taught at Indiana State University, Emory and Henry College and the West Virginia Institute of Technology. While at West Virginia Tech, Dr. Jones served as the Westmoreland Professor of Mining, an endowed professorship, and vice president of academic affairs.

During Dr. Aenchbacher's tenure as athletic director, AASU's athletic programs have had tremendous success in the classroom and on the playing field. Student-athletes at AASU have excelled in academics with 48 percent earning a 3.0 grade point average or better. The overall grade point average of AASU student-athletes is 2.9, higher than the overall institutional GPA. Over the last three years, the AASU athletic department has sent 18 of 24 teams to the NCAA DII Championships, and this past season the women's tennis team captured the school's third NCAA DII National Championship as well as the men's golf team successfully hosting the 2005 NCAA Division II Men's Golf Championships, the first-ever NCAA National Championship ever decided in the Coastal Empire area.

Simon Earnshaw Head Tennis Coach

Simon Earnshaw begins his seventh year as head coach of the highly successful Armstrong Atlantic State University tennis programs. In his sixth season at the helm of the Pirates, Earnshaw led the women's tennis team to an undefeated 30-0 campaign and their third NCAA Championship, knocking off BYU-Hawaii, 5-3, in the finals for his first NCAA crown. Earnshaw also led the men's team to their best NCAA finish ever, a third-place showing at the NCAA Championships, as well as their highest ITA ranking ever as they finished the 2005 season as the No. 2-ranked club in the nation. This was the 11th straight season that both teams advanced to the NCAA Championships and both teams also captured the Peach Belt Conference regular season and tournament titles, the first time in league history that the same school has accomplished that feat.

Earnshaw succeeded Andreas Koth as the Pirates' head coach in 1999-2000 and has led the AASU women to five PBC Championships and five NCAA Quarterfinal appearances with two national championship match appearances. His women's players have earned 27 ITA All-America honors in six seasons and he coached the 2004 NCAA/ITA Division II Senior of the Year, Zsofi Golopencza as well as the 2004 NCAA/ITA Division II Player to Watch, Luisa Cowper, and the 2005 NCAA/ITA Division II Player to Watch, Dziyana Nazaruk. He also coached the 2000 NCAA/ITA Division II Rookie of the Year in Stephanie Kovacic and the 2001 NCAA/ITA Division II Rookie of the Year [Golopencza].

In addition to his 2004 national ITA Coach of the Year award, Earnshaw has twice been named the ITA Mid-Atlantic Region Women's Coach of the Year and four times earned the Peach Belt Conference Women's Tennis Coach of the Year award.

As head coach of the men's squad, Earnshaw directed the Pirates to the 2000 and 2005 PBC Championships and six trips to the NCAA Championships. He was named the ITA Mid-Atlantic Region Men's Coach of the Year in 2005 and his men's players have earned nine ITA All-America honors in six seasons.

Both Pirate tennis teams have also maintained a high level of excellence in the classroom, earning ITA All-Academic Team honors in 2004 and 2005, along with numerous ITA Scholar-Athlete awards.

Earnshaw served as the Pirates' assistant coach in 1998-99 and was previously an assistant coach at Georgia College & State University for two seasons.

At GC&SU, Earnshaw helped coach the women's team to consecutive NCAA Division II National Championship appearances. Both the men's and women's teams were ranked in the Top 15 during his two seasons in Milledgeville and seven players earned All-America status.

Earnshaw competed for GC&SU from 1992-1996 and helped the Bobcats to four seasons in the Top 10 of the ITA Division II National Rankings. He received his Bachelor's of Science degree in chemistry in 1996 and completed his Master's of Education in health and physical education in 1998.

In his native England, Simon is a Lawn Tennis Association (LTA) qualified coach at the national level. He has also worked extensively for the Nick Bolletieri Sport Academy during the summer months. Simon and his wife, Nichole, have two daughters, Abigail (5) and Ella (3), and a son, Luke (2). The family resides in Savannah.

Late-Season Push Puts Pirates In Contention For National Championship

The late-season push of the Armstrong Atlantic men's tennis team in 2005, which led to the Pirates' best-ever NCAA Championships finish and ITA Division II national ranking, has given AASU quite a bit of momentum heading into the 2006 season.

Now, the Pirates will not be able to sneak up on anybody, as they head into the spring season with a No. 2 national ranking and a schedule that features matches against 19 ranked schools, ranging from defending NCAA DII national champion West Florida and top 10 schools Lynn, Barry and Rollins to a date with NCAA Division I foe Nebraska.

At the top of the singles lineup, nothing is set as several players could end up playing No. 1 for the Pirates in 2006. Sophomore Robert Jendelund (Huddinge, Sweden) maintained a singles ranking for much of the year and finished the season with an 18-20 singles mark, while rapidly improving sophomore Davor Zink (Santiago, Chile) went 19-4 in his freshman season and will begin the spring season as AASU's only ranked singles player at No. 15. Incoming freshman Paul Bishop (Whitwell, England) joined the team in January and has shown the ability to compete at a high level as well, and could work his way into the mix at the top of the singles lineup.

The departures of senior Dale White and junior Peter Dedik make it all that more important that the Pirates have one or two other returnees step up in the singles lineup, and senior David Secker (Hayes, England) could be that player. Secker won his last nine singles matches of 2005 and compiled an impressive 22-4 singles record in dual match play.

Junior Taavo Roos (Savannah, Ga.) has enjoyed a strong offseason and fall and will push for a spot in the singles lineup in 2006 as well.

Two other newcomers join Bishop as new players for coach Earnshaw this season. Freshmen Cristian Easton (Santiago, Chile) and Kevin Sijmons (Beligneux, France) will each be in the mix for action in singles as well as doubles.

The doubles lineup for coach Earnshaw could have a completely different look from last season as the departure of Dale White has the Pirates searching for a new team at the top. Jendelund and Roos played together in the Fall and captured the ITA Mid-Atlantic Region doubles title and will enter the spring with a No. 5 ITA DII national doubles ranking. The other two slots have not been finalized and coach Earnshaw could try several teams before he settles on a spring lineup.

Lady Pirates Aim For NCAA DII National Championship Title Defense In 2006

The Armstrong Atlantic women's tennis team heads into the 2006 season as the odds-on favorite to defend their Division II National Championship from last season, thanks to returning five of the six starters from last season's squad that put together the first undefeated season in school history, compiling a 30-0 record and ending BYU-Hawaii's NCAA-record 130-match win streak.

The Lady Pirates enter the spring as the No. 1-ranked team in the land with five singles players appearing in the singles rankings and two of AASU's doubles teams also earning national rankings.

That's not to say that there won't be competition for spots in the Lady Pirates' lineup this season. The doubles teams are fairly certain as the returning duos of Caroline Grage and Manuela Emmrich - back for their fourth season together as teammates - and Dzyana Nazaruk and Johanna Dahlback will again hold down two of the three doubles spots. Luisa Cowper will have to endure the loss of last season's partner, Laura Peaty, but the addition of Iuliia Stupak gives AASU three extremely talented doubles teams.

Cowper finished the 2005 season as the No. 3-ranked singles player in the nation but will see some competition from Stupak, a talented sophomore from the Ukraine, for the top singles spot in the lineup. Junior Dzyana Nazaruk and sophomore Johanna Dahlback, who compiled an undefeated 20-0 singles record in her freshman season, including the championship-clinching match, will give the Lady Pirates a tremendously strong middle of the lineup.

Senior Luisa Cowper

Sophomore Johanna Dahlback

Add to that the senior leadership of the German tandem of Grage and Emmrich and the Lady Pirates could have six All-America honorees for the second year in a row.

AASU continues to enjoy unprecedented depth as well with senior Kristen Kelly and sophomore Sofia Haggstrom ready to step into the lineup in either singles or doubles if called upon.

One thing that head coach Simon Earnshaw has not shied away from is the spring schedule for 2006. The top-ranked Lady Pirates will face not only BYU-Hawaii in Hawaii during the regular season, but AASU will travel to take on the defending national champions in Division III (Emory) and NAIA (Auburn-Montgomery) as well as facing six of the other nine top 10-ranked squads in Division II. In all, AASU will face 20 ranked squads in its scheduled 24 matches in 2006.

David Secker

Senior Hayes, England

English senior who has been a versatile player in his AASU career, playing all six singles spots during his four years.

2005: Earned a team-high 29 singles wins, going 29-6 overall, including a 22-4 record in the dual match season ...

The Peach Belt Conference first adopted a regular season schedule in 1997. A flighted tournament was used for the PBC Tournament until 2000, when the team format was first adopted.

The Peach Belt Conference champion was determined by the PBC Tournament until 1997, when the regular season champion was awarded the PBC title.

Armstrong Atlantic State has won an unprecedented 11 Peach Belt Conference women's tennis championships and PBC Tournament titles. The AASU men won its first PBC tournament title in 2005. In 2000, the Armstrong Atlantic State men's and women's tennis teams finished the regular season with undefeated records, the first time in league history that feat had been accomplished.

The Peach Belt Conference

Since its inception in 1991, the Peach Belt Conference has worked tirelessly to become one of the elite conferences in NCAA Division II. Now entering its 14th season with 21 national championships and 16 national finalists, the PBC has accomplished that goal.

Starting with only two championships in 1991, in men's and women's basketball, the conference has expanded to 12 championship sports with the addition of women's soccer in the fall of 2000.

The conference traces its roots back to November of 1988 when 11 schools first met in Greenville, S.C. to form a Division II conference. Following a second meeting on Dec. 3, 1989, five of those 11 schools, plus two others, formed the Peach Belt and begin play in 1991.

The Peach Belt was less than a year old before capturing a national championship. The Columbus State golf team took the honor by winning the 1992 national crown, the first of three golf championships the Cougars own.

The PBC has seen continued success in all sports with national rankings and multiple NCAA appearances in every sport last season, including two national championships for Kennesaw State in women's soccer and men's basketball, as well

as a national championship in men's golf for USC Aiken.

The seven charter members of the conference were Armstrong Atlantic State University, Columbus State University, Francis Marion University, Georgia College & State University, Lander University, USC Aiken and USC Upstate (formerly USC Spartanburg). The name Peach Belt Athletic Conference was adopted in January of 1990 and modified to Peach Belt Conference in May of 2000.

Augusta State joined the conference in 1991 and UNC Pembroke became the ninth member on July 1, 1992. They were followed by Kennesaw State University on July 1, 1994, Clayton College & State University on July 1, 1995 and the University of North Florida on July 1, 1997. UNF and Kennesaw have since left the Peach Belt for Division I status, but those schools have been replaced by North Georgia and Georgia Southwestern State, respectively.

Former Augusta State basketball coach and athletic director Marvin Vanover was named the interim commissioner in April, 1990, and served in that capacity until his appointment as the conference's first full-time commissioner in July of 1991. He established the conference office in Augusta, Ga., which houses the commissioner and his staff.

The conference currently holds championships in 12 sports, six for men and six for women. They are men's and women's cross country, men's and women's soccer, volleyball, men's and women's basketball, men's and women's tennis, baseball, softball and men's golf.

Lady Pirates Capture AASU's Third NCAA DII National Championship

The Armstrong Atlantic State women's tennis team knew the 2005 season would come down to a showdown with three-time defending champion BYU-Hawaii. Searching for its first title since 1996 and third title overall, the Pirates would not be denied this time by the Seasideers, stopping BYU-Hawaii's 130-match win streak with a climactic 5-3 win to capture the DII

Laura Peaty

Women's Tennis National Championship for the third time in school history.

As a result, now the Lady Pirates own the longest consecutive win streak in DII after finishing with a perfect 30-0 record. It was a true team effort as all six starters earned ITA All-America honors for what is believed

the first time in DII women's tennis history.

Junior Luisa Cowper successfully inherited the No. 1 singles spot and delivered an outstanding season, earning All-America honors in both singles and doubles, while also being named the PBC's Player of the Year. Sophomore Dzyyana Nazaruk also earned All-America honors in singles and was named the ITA's National "Player to Watch." Juniors Manuela Emmrich and Caroline Grage earned ITA All-America doubles honors, while freshman Johanna Dahlback earned All-America singles honors and senior Laura Peaty finished her four-year AASU career by earning All-America doubles honors for the third straight year.

Armstrong Atlantic State women's tennis now owns all three of the school's NCAA Division II National Championships and will attempt to win back-to-back titles in 2006 as they did in 1995 and 1996.

Pirates Ride Hot Streak To Third-Place Finish At NCAA Championships

On March 29, the Pirates lost a key 5-4 match to conference rival USC Upstate, the fifth loss in the last six matches for No. 13-ranked AASU. Something was needed for the Pirates to snap out of their funk if they were to challenge for the PBC title and possibly continue its string of 10 straight NCAA appearances.

Twelve straight wins later, the Pirates found themselves playing for a berth in the NCAA National Championship match.

The late-season streak by the Pirates helped them achieve their best season ever, finishing the 2005 campaign as an NCAA Men's Tennis semifinalist, the best team performance in school history, and a No. 2 national ranking, the best-ever ranking for the squad.

Tying with USC Upstate for the PBC's regular season title, the Pirates swept through the PBC Championships, avenging that loss to the Spartans with a 5-3 win in the final match,

earning AASU its first-ever PBC Tournament title. AASU then breezed through the NCAA regional and knocked off Nebraska-Kearney and UC San Diego to make it to the final four, where they succumbed to eventual national champion West Florida, 5-1.

Individually, Dale White and Robert Jendelund finished the year earning ITA All-America doubles honors after capturing the ITA DII National Doubles Championship in the fall. White, who finished his career with 60 dual-match singles wins, also earned region Senior of the Year and Sportsmanship awards from the ITA.

AASU National Champions

The 2005-06 Armstrong Atlantic State women's tennis squad captured its third NCAA Division II National Championship with a 5-3 win over BYU-Hawaii, halting the Seaside's 130-match win streak and capping off an undefeated 30-0 season. Women's Tennis owns all three of Armstrong Atlantic State's national championships and the 2005-06 team joins the 1994-95 and 1995-96 teams (pictured above) in winning collegiate tennis' greatest prize.

AASU Women's Tennis Captures NCAA DII National Championship Ends BYU-Hawaii's 130-match Win Streak En Route To School's Third Title

SAVANNAH, Ga. (May 14, 2005) - As one record-breaking streak ends in NCAA Division II women's tennis, another one begins.

The No. 2-ranked Armstrong Atlantic State women's tennis team captured its third NCAA DII Women's Tennis National Championship on Saturday afternoon, downing top-ranked and three-time defending national champion BYU-Hawaii, 5-3, at Sanlando Park to end the Seaside's NCAA record 130-match winning streak.

AASU finishes the season with a perfect 30-0 record and now assumes the longest consecutive winning streak in DII women's tennis.

The Pirates and head coach Simon Earnshaw captured its first NCAA title since 1996 and third overall by taking two of three doubles matches, then winning three of five singles matches to win the championship. No. 21-ranked Johanna Dahlback clinched the title with her 6-3, 6-1 win over No. 7-ranked Tetyana Bula at No. 3 singles.

The match started off quickly for the Pirates as Manuela Emmrich and Caroline Grage cruised to an easy 8-3 No. 2 doubles win over Bula and Petra Teller. Dahlback and Dziyana Nazaruk added the key second doubles point with an 8-5 win at No. 3 doubles, meaning the Pirates just had to split singles matches with the Seaside's to claim the title. The top-ranked doubles duo of Jing Jing Lui and Adrienn Hegedus clipped Luisa Cowper and Laura Peaty, 8-5, at the top doubles spot for the Seaside's only doubles point.

Singles saw the Seaside's battle back to take wins at the top two singles spots quickly. Liu, the top-ranked player in the nation, easily downed No. 4-ranked Cowper, 6-1, 6-0, at the top singles position, while second-ranked Adrienn Hegedus knocked off No. 17-ranked Nazaruk, 6-2, 6-0, at the No. 2 singles spot.

An easy win by Peaty at No. 6 singles over Trisha Piercy, 6-2, 6-3, brought the match all square at 3-3. With Caroline Grage locked in a three-set match with Guiranna Korinihona at No. 5, the Pirates clinched the match with Emmrich's 6-4, 6-0 win over No. 14-ranked Petra Teller at No. 4 singles and then Dahlback's victory. The win was the first for the Pirates over BYU-Hawaii and was the third national championship win in seven tries. In addition to winning titles in 1995 and 1996, AASU was the national runner-up in 1997, 1998, 1999 and 2002.

Head coach Simon Earnshaw, who took over the Pirates' program in 2000, earns his first national title and was the only DII coach to have both the men's and women's teams in the semifinals this season.

Savannah and Tybee Island

Historic Savannah, Georgia, is located on the Atlantic Coast, at the confluence of the Savannah River and the Atlantic Ocean. Throughout its history, there has been one adjective consistently used to describe Savannah: beautiful.

The reason? There's something about the unique beauty of Savannah that cannot be forgotten. Streets with canopies of moss-laden trees are honored venues for scores of historic homes. The town squares that Savannah's founding father, James Oglethorpe, laid out as public meeting places are now treasured "pocket parks" located throughout the downtown area.

A renovated waterfront area serves as the hub for shopping and entertainment. Nearby sandy beaches draw streams of visitors with persistent cool breezes and the endless lure of the rolling sea. Finally, there's an indescribable - but readily discernible - feeling in the air that pervades Savannah, a kind of "laid back" approach to the world, a "rootedness" that makes living or working in Savannah an experience second to none.

By way of affirmation, *Le Monde*, the leading French newspaper, called Savannah "the most beautiful city in North America."

Savannah has recently captured the imagination of a nation through its history and its appearance in several feature films, including "Glory," "Forrest Gump," "Something to Talk About," "Midnight In The Garden of Good and Evil" and the 2000 hit film "The Legend of Bagger Vance" starring Will Smith and Matt Damon. Also, Savannah hosted the yachting events of the 1996 Summer Olympics. As a result, tourism has become one of the leading industries in the area.

Savannah hosts over six million tourists each year. Tourism impacts the Savannah area by over \$634 million. The city boasts over 7,000

rooms and more than 100 restaurants as folks have learned that Savannah is more than just a convenient rest stop on the interstate to Florida.

The climate of Savannah features warm, and sometimes hot, weather for most of the year. There are seven months in which the average temperature is 70 degrees or higher. The lowest average high is in January at 60.3 degrees.

The population in Savannah is roughly 130,000 and Chatham County is the fifth most populous county in the state of Georgia.

Savannah also sits centrally located to some of the southeast's finest beaches. Tybee Island, located less than 30 minutes from Armstrong Atlantic State's campus, offers six miles of unspoiled sands, tempting seafood and gracious accommodations. Resort areas such as Hilton Head, South Carolina, are less than one hour away and provide even more relaxing getaway options.

Whether it's the lure of historical settings, the friendliness of a southern community or the beautiful climate of southeast Georgia, Savannah is the place for you.
