# 1963 'Geehee Dedication

## TO ROY J. SIMS

The staff of the annual respectfully dedicates the 1963 'Geehee to Coach Roy J. Sims.

A member of the Armstrong faculty since 1955, Coach Sims completed his undergraduate work at David Lipscomb College and received his Master's Degree in Physical Education from the University of Tennessee.

As instructor of physical education, chairman of the Physical Education Department, and coach of the basketball and baseball teams at Armstrong, Mr. Sims has earned the respect of the students and constructively influenced them in their enjoyment of sports and recreation.

Best wishes for your continued success, Coach Sims!

**EVERY YEAR A  
900 MILE TRAINLOAD  
OF FOREST PRODUCTS**

... VISUALIZE a train stretching from Savannah to New York City. Or from Savannah to Gary, Ind. Or to St. Louis, Mo. *Any idea how many freight cars in such a train?* Almost 100,000! Every year Union-Camp in Savannah loads such a train with products ranging from raw materials inbound to finished paper products and allied forest products outbound to supply the ever-growing paper needs of America . . . Our freight bill annually exceeds \$15,000,000. This points up the importance of adequate transportation facilities to the operations of Union-Camp's Savannah plant, the largest single pulp-to-container mill in the world.

In 25 years on the Savannah scene, Union-Camp has grown ten-fold. Today, over 5300 Savannahians and residents of nearby communities are employed in the plant, earning approximately \$33 million annually in wages. An added 20-odd million dollars is paid for pulpwood to forest land owners in the greater Savannah area.

Progress in *people, payrolls and production* has been the Union-Camp story. The future promises even more exciting possibilities for both Union-Camp and the Savannah Area.

## QUESTION:

What's the value of an education?

## ANSWER:

The value of an education will prove more valuable to you every year. Everyone needs knowledge and the training you can receive during a college education. Some people go through life without the many advantages of a college education; but, there's a lot you'll miss without the complete training that is available to you.

What field of work are you interested in? Can your goal in this work be brought closer by a sound education? Examine yourself and you will probably discover that more education will be very, very profitable to you and your future.

EDUCATION IS PROFITABLE
