Historic Savannah, Georgia, is located on the Atlantic Coast, at the confluence of the Savannah River and the Atlantic Ocean. Throughout its history, there has been one adjective consistently used to describe Savannah: beautiful.

The reason? There’s something about the unique beauty of Savannah that cannot be forgotten. Streets with canopies of moss-laden trees are honored venues for scores of historic homes. The town squares that Savannah’s founding father, James Oglethorpe, laid out as public meeting places are now treasured “pocket parks” located throughout the downtown area.

A renovated waterfront area serves as the hub for shopping and entertainment. Nearby sandy beaches draw streams of visitors with persistent cool breezes and the endless lure of the rolling sea. Finally, there’s an indescribable - but readily discernible - feeling in the air that pervades Savannah, a kind of “laid back” approach to the world, a “rootedness” that makes living or working in Savannah an experience second to none.

By way of affirmation, Le Monde, the leading French newspaper, called Savannah “the most beautiful city in North America.”

Savannah has recently captured the imagination of a nation through its history and its appearance in several feature films, including “Glory,” “Forrest Gump,” “Something to Talk About,” “Midnight In The Garden of Good and Evil” and the 2000 hit film “The Legend of Bagger Vance” starring Will Smith and Matt Damon. Also, Savannah hosted the yachting events of the 1996 Summer Olympics. As a result, tourism has become one of the leading industries in the area.

Savannah hosts over six million tourists each year. Tourism impacts the Savannah area by over $634 million. The city boasts over 7,000 rooms and more than 100 restaurants as folks have learned that Savannah is more than just a convenient rest stop on the interstate to Florida.

The climate of Savannah features warm, and sometimes hot, weather for most of the year. There are seven months in which the average temperature is 70 degrees or higher. The lowest average high is in January at 60.3 degrees.

The population in Savannah is roughly 130,000 and Chatham County is the fifth most populous county in the state of Georgia.

Savannah also sits centrally located to some of the southeast’s finest beaches. Tybee Island, located less than 30 minutes from Armstrong Atlantic State’s campus, offers six miles of unspoiled sands, tempting seafood and gracious accommodations. Resort areas such as Hilton Head, South Carolina, are less than one hour away and provide even more relaxing getaway options.

Whether it’s the lure of historical settings, the friendliness of a southern community or the beautiful climate of southeast Georgia, Savannah is the place for you.

Dr. Eddie Aenchbacher  
*Athletic Director*

Dr. Eddie Aenchbacher begins his seventh full year as the athletic director for Armstrong Atlantic State University.

Dr. Aenchbacher's responsibilities include overseeing the entire athletic department and promoting Armstrong Atlantic State athletics in the community of Savannah.

Dr. Aenchbacher received his Bachelor's degree in physical education from Armstrong Atlantic State in 1979, where he was a standout student-athlete for the baseball team as a pitcher. He received his Master's degree and Doctorate of Education from the University of Georgia.

Along with his student-athlete experience at AASU, Dr. Aenchbacher also coached the Pirate cross country teams for five years and started the first AASU men's soccer team, which he coached for seven years.

During Dr. Aenchbacher's tenure as athletic director, AASU's athletic programs have had tremendous success in the classroom and on the playing field. Student-athletes at AASU have excelled in academics with 48 percent earning a 3.0 grade point average or better. The overall grade point average of AASU student-athletes is 2.84, higher than the overall institutional GPA. AASU athletic teams are consistently ranked near the top of one of the nation's premier NCAA Division II conferences, the Peach Belt Conference, and in 2001-2002, sent five of eight athletic teams to the NCAA Championships and achieved a third-place ranking among PBC schools in the Sears Director’s Cup, a national all-sports competition.

Dr. Aenchbacher has been married for 11 years to Michele and together they are the proud parents of two children, Jesse and Lainey.
Annie Sells finished her AASU career as the PBC’s career strikeout leader.

Dr. Donald Anderson
Asst. Athletic Director / Services
Dr. Anderson’s association with AASU since 1966 includes stints as an Associate Professor, Acting Head of the Department of Education, Dean for Community Services and Registrar/Director of Admissions. Dr. Will Lynch begins his fifth full year as AASU’s Faculty Athletic Representative. A native of northern Michigan, Dr. Lynch came to AASU in 1993 and serves as an assistant professor in the Department of Chemistry and Physics. A three-year men’s basketball starter and all-conference performer at Kalamazoo College, he earned undergraduate degrees in mathematics and chemistry in 1986, then received his Doctorate from Wayne State in 1991.

Chad Jackson
Director of Sports Communications
Chad Jackson begins his fourth year at AASU as Director of Sports Communications. A Jacksonville, Fla., native, Jackson joined the Pirates from UNC Wilmington, where he served as assistant SID for the 1998-99 year. He graduated from the University of North Florida in 1995 with a Bachelor’s Degree in history and served as the primary matrix board operator for the NFL’s Jacksonville Jaguars in the team’s first three seasons.

Lynn Roberts
Senior Women’s Administrator
Lynn Roberts begins her third year as the Senior Women’s Administrator for the AASU athletic department. A former women's tennis coach from 1988-1991 for the Pirates, she currently serves as an assistant professor in the Department of Health and Physical Education and also serves as the chair of AASU’s Student Athlete Advisory Committee. She is married to current AASU baseball coach Joe Roberts and together the couple have two sons, Brian and Eric.

Dianne Lane

Mylene Benito
Head Athletic Trainer
Mylene Benito begins her second season as the head athletic trainer for AASU. A former AASU student-athlete, Benito played for the Pirate volleyball squad from 1992 to 1996 and earned her bachelor's of science degree in health and physical education in 1998.
Marty McDaniel enters his sixth season at the helm of the Armstrong Atlantic State University softball program. McDaniel put together the Pirates’ inaugural 1998 squad as AASU fielded a varsity fastpitch softball squad for the first time. In just five seasons, McDaniel has built a program that captured its first Peach Belt Conference championship, earned two NCAA Regional berths and achieved a No. 1 ranking in the NFCA Coaches’ Top 25 poll during the 2000 season.

Last season, McDaniel coached two NFCA Division II All-Americans - pitcher Annie Sells and outfielder Stacey Richardson - and led the Pirates to the No. 2 seed in the NCAA DII South Atlantic Region and a final No. 16 national ranking. The Pirates’ 40-7 record was the best won-lost record in the nation last season and Richardson was the NCAA’s DII home run champion, the first NCAA statistical champion for the Pirates in the five-year history of the program.

McDaniel joined the AASU coaching ranks from the University of Tennessee at Chattanooga, where he served for three seasons as assistant coach to Ralph Weekly, the Mocs’ head coach and an U.S. Olympic Assistant Coach. During that time, Chattanooga won three Southern Conference Championships.

A native of Chattanooga, Tenn., McDaniel received his Bachelor’s of Science degree from Carson Newman College in 1989 and also assisted the baseball team as a coach for two seasons. A top-rated pitcher himself, McDaniel has played men’s fastpitch for over 15 years and has made numerous All-Region squads.

McDaniel and his wife, the former Kelly Stewart, currently reside in Savannah.

Armstrong Atlantic State University Continues Webcasting For 2002-2003

The Armstrong Atlantic State athletic department will continue to bring home all of the exciting softball action in 2003 right to your computer as the Pirates will stream live audio and video of selected home games over the internet.

Fans will be able to catch all of the action from the official website of Armstrong Atlantic State University Athletics, www.athletics.armstrong.edu, and using the power of Windows Media Player.

Also, Pirate fans will be able to keep up with all of the in-game statistics during the games as well from the Pirates’ website.

AASU debuts its internet broadcasting system in 2001-2002 with incredible success as every home men’s and women’s basketball games, plus the majority of the Pirates’ baseball and softball games were available last season.

For more information about the AASU web broadcast, visit the AASU Athletics Web Site or contact Director of Sports Communications Chad Jackson at jacksoch@mail.armstrong.edu
Stacey Richardson’s 16 home runs and 46 RBI in 2002 were AASU records.
The Armstrong Atlantic State softball squad begins the 2003 season again as one of the top teams in the Peach Belt Conference, if not the nation, as they return seven players from last season’s squad that went 40-7 overall - the best winning percentage in NCAA Division II - and finished second in the PBC.

Gone is two-time NFCA Division II All-America Annie Sells, whose presence in the circle and at the plate will be sorely missed by head coach Marty McDaniel and the Pirates, but the cupboard is anything but bare as AASU returns the NCAA’s Division II home run champion in junior Stacey Richardson.

Richardson led the Pirates in home runs with 16 and in RBIs with 56 in 2002, both school records, and will be the focus of a retooled lineup that also features All-PBC and All-South Atlantic Region second baseman Stacy Oliver. Surrounding the two in the batting order will be freshman Abby Hodge, an Australian infielder who brings a keen batting eye and good speed to the top of the lineup, and junior catcher Kissy Stepanova, a two-time All-WJCAC selection at Midland College in Texas who will provide protection for Richardson in the cleanup spot of the order.

Two more newcomers will be key parts of the Pirate offense and defense in 2003 - junior third baseman Jenny Alfirov and junior outfielder Carrie Thompson, two Georgia natives who transfer to AASU from in-state schools. Alfirov earned All-Region honors at Coastal Georgia Community College in 2002 and Thompson finds a home in Savannah after previously playing at Andrew College and at Thomas University.

Junior Lindsay Phillips, who manned shortstop for the Pirates last season after transferring from the University of Georgia, will make the move to center field this season, while right field will be manned by improving sophomore Jocelyn Lavender.

Sophomore Amanda Kort returns as the Pirates’ starting first baseman, while sophomore Alison Bell will provide outfield depth. AASU will be without the services of talented freshman outfielder Michelle Davis this season after the Tennessee native suffered a preseason injury.

Handed the difficult task of replacing Sells in the circle, junior Katya Eronina nevertheless has the pedigree to live up to the billing. The WJCAC’s MVP in 2002 while pitching for Midland College in Texas, Eronina was a member of the Russian Junior National team and brings plenty of big-game experience to the Pirates in 2003.

Joining Eronina on the Pirates’ staff in 2002 is returning senior Delaney Warrian. The Aussie was undefeated last season, going 7-0 with an 0.88 ERA and will be counted on to be the Pirates’ second starter in 2003.

The Lady Pirates have been picked to finish third in the Peach Belt Conference in a preseason poll of conference coaches for the second straight year, and AASU enters the season with a preseason rank of No. 16 in the NFCA’s Division II Top 25.

The schedule contains several strong non-conference opponents as the Pirates will visit No. 2-ranked Barry, No. 10-ranked Kennesaw State, Francis Marion and Ft. Myers, Fla., for tournament action, as well as the always competitive PBC schedule. AASU will play eight games against teams ranked in the Top 25 Preseason Poll with an eye on a second straight trip to the NCAA Division II National Championships well within reach.

The 2002 AASU softball squad compiled a 40-7 record and returned to the NCAA Championships for the second time in the program’s brief five-year history, advancing to the 2002 South Atlantic Regional semifinals.

Led by two-time NFCA Division II All-America pitcher Annie Sells and NFCA DII All-America left fielder Stacey Richardson, the Pirates began the year 17-1 and ascended to No. 2 in the nation. AASU finished second in the Peach Belt Conference and was runner-up in the 2002 Peach Belt Conference Tournament, winning two games on the final day to reach the championship game.

AASU made its second trip to the NCAA regionals and won the first game there, a 2-1 extra-inning win over Lenoir-Rhyne in which Annie Sells led off the ninth inning with a solo home run to give the Pirates the victory. Even though the Pirates dropped their next two games by one run, the season was a success as AASU led the nation in winning percentage and knocked off several ranked teams during the year, including Coker, Kennesaw State, Alabama-Huntsville and USC Spartanburg.

Sells put together a fantastic season to close out her stellar four-year career at AASU. Twice she earned NFCA Division II Player of the Week honors in 2002 and was named the PBC Player of the Year for the second time in her career. The Chattanooga, Tenn., native finished her career holding 12 PBC pitching records including most victories, strikeouts, shutout and no-hitters, and ranks 18th all-time in NCAA DII history in home runs with 41, 11th all-time in strikeouts per seven innings at 8.8, 11th all-time in shutouts with 17 and 26th all-time in wins with 86.

Richardson led a trio of transfers from the University of Georgia who infused instant offense into the Pirate attack. The sophomore set school records in home runs (16) - leading the nation with 0.34 per game - and RBI (56) in 2002 and, along with shortstop Lindsay Phillips and All-PBC Tournament catcher Diana Corwin, helped the Pirates finish the year ranked No. 16 in the nation.

Along with Sells, the Pirates said goodbye to five other seniors in 2002. Senior third baseman Brea Smith played four years for the Pirates at the hot corner and batted .310 in her career, earning All-PBC Tournament honors in 2001 and collecting 152 career hits.

Senior Breon Michel and Sara Noe each transferred to AASU as juniors from Indian Hills CC in 2001 and patrolled the outfield for two seasons. Noe, the Pirates’ leadoff hitter the last two seasons, hit .301 and scored 63 runs in two seasons, stealing 13 bases. Michel, an All-PBC and All-South Atlantic Region honoree in 2001, hit .298 in two seasons for AASU.

Senior catcher Kelli McNary, who played in 64 games in two seasons for AASU behind the plate, and senior infielder Lexie Martin, who played parts of two seasons for AASU after her basketball participation, also played their final games at AASU in 2002.

The 2002 season gives the Pirates great hope for the future as seven players return in 2003 with only one being a senior - pitcher Delaney Warrian. Again the Pirates will be a force in the Peach Belt Conference and have their eyes on a return to the NCAA Championships and a possible College World Series berth.

AASU Pirate Softball Field

The Armstrong Atlantic State University softball team plays on campus at the Pirate Softball Complex, located behind the Pirate baseball field.

The on-campus complex includes home and visitor dugouts with storage areas in each and a restroom located in the home dugout. The Pirate softball scoreboard is located in right-center field and two bullpens are on each side of the field for pitcher/catcher use.

For facility maintenance, the Pirates have a tarp that covers the entire infield, reaching into the outfield to help avoid rainouts. The field is totally enclosed with left and center field reaching 200 feet and right field reaching 190 feet. Aluminum stands sit behind home plate and seat approximately 500 fans.

A parking lot providing easy access to the softball complex rests behind the first base dugout. Two recently completed softball batting cages rest behind the left field wall and 2002 marked the debut of live internet webcasting of AASU softball games through a wireless internet connection to the Pirate softball field.

Fans can listen to and watch AASU home softball matches in 2003 via the internet at the following address: http://www.athletics.armstrong.edu/softball/sblive.html.
The Pirates began the 2000 season by winning their first 21 games.
