Since its founding in 1935, Armstrong Atlantic State University has continued to develop to meet the Savannah community's educational needs. From its first location in Armstrong House in downtown Savannah to its current home on a scenic 250-acre lot off of Abercorn, the university has become one of the finest educational institutions in the Southeastern United States.

Armstrong Junior College was established by the Mayor of Savannah and other public officials in 1935. Housed in the beautiful and historic Armstrong House, a gift to the city from the family of George F. Armstrong, Armstrong Junior College grew over the years to occupy eight additional buildings in the Forsyth Park and Monterey Square areas.

In 1959, as Armstrong College of Savannah, it became a two-year unit of the University System.

The Board of Regents conferred four-year status on Armstrong in 1964 and the college moved to its present 250-acre location, a gift from Donald

Livingston and the Mills B. Lane Foundation, in December of 1965. Additional buildings joined the eight original structures as Armstrong added professional and graduate programs and tripled in size.

In July of 1996, the Board of Regents voted to rename the college to Armstrong Atlantic State University to reflect its mission and identity. The university's reputation of excellence is still evident in its dedication to students, with a supportive environment.

Armstrong Atlantic State University was fully accredited as a senior institution by the Southern Association of Colleges and Schools in December, 1968, with accreditation retroactive to January 1, 1968, and was last reaccredited in December, 1992.

The university offers over seventy-five academic programs and majors in its School of Arts and Sciences, School of Health Professions and School of Education.

The academic community includes approximately 5,600 students and more than 250 faculty members. Enrollment has more

than doubled in the last decade, from 2,740 students in 1987 to its current number.

Across campus, evidence of the university's growth can be found in its facilities. A Fine Arts Center, including a 1,000 seat theatre/auditorium, the Health Professions Building and an academic computing center are recent completed buildings, along with 84,400 square foot University Hall, built to make room for a student population of 8,000. A new 115,000 square foot, \$28 million dollar science building is currently under construction on campus as well.

The athletic department of Armstrong Atlantic State University is housed in the Armstrong Sports Center, completed in 1995. The Sports Center includes offices for the physical education department, training room and weight room areas, basketball courts, indoor track and offices for coaches and athletic department personnel. The building played host to the Peach Belt Conference's basketball tournament in 1998 and 1999.AASU sponsors nine intercollegiate sports and is a charter member of the Peach Belt Conference, formed in 1991.

Continuing a mission begun in 1935, Armstrong Atlantic State University today serves a rich gamut of traditional and non-traditional students. Sixty percent of AASU's student body are from the Savannah-Chatham area, while others come from around the state, nation and world. All have come to Savannah to experience and thrive on the campus of one of the fastest developing higher learning institutions in the nation all have come to be a part of Armstrong Atlantic State University.

Facilities / Athletic Training

The Armstrong Atlantic State University's athletic department prides itself on having one of the finest athletic facilities not only in the conference, but in the region as well.

AASU's Sports Center, completed in July of 1995, immediately became a top basketball complex by hosting the 1998 and 1999 Peach Belt Athletic Conference basektball tournaments.

This 82,000 square foot multipurpose building provides expanded academic offerings in spacious, modern surroundings. Students have a threestation computer lab, a 1,965 square foot weight training/fitness center with 21 Cybex machine exercise stations and a free weight area; four new classrooms, and two 3,535 square foot activity areas.

AASU's athletic teams play home events in a 4,000 seat arena that contains theatre-type seasting for all spectators, and also plays host to a wide variety of social and sporting events.

Directly behind the Armstrong Sports Center sits the home fields for the baseball and softball teams.

Pirate Field seats 750 fans for the Armstrong Atlantic State University's highly successful baseball program. Generally regarded as one of the best playing surfaces in the conference, Pirate Field has seen the baseball squad advance to nine NCAA

regionals over the past 12 seasons.

To the west of Pirate Field sits the brand new AASU Softball Complex, home to the Pirate softball squad. In just its second year of competition, the AASU softball team finished the 1999 season ranked No. 27 in the nation.

The **Aquatics and Recreation Center** serves as the host of the AASU volleyball squad.. The 1,000 seat arena features newly renovated bleacher seating and scoreboards and is the sole volleyball-only facility in the Peach Belt Conference.

AASU Athletic Training

Dr. Spencer Wheeler

William Buckley, A.T.C.

AASU athletic teams benefit from the fine athletic training staff, headed by medical director Dr. Spencer Wheeler and head athletic trainer William Buckley.

AASU's training room, part of the Armstrong Sports Center, sits adjacent to the fitness center and across the hall from the Pirate locker rooms. The room offers the most modern and advanced equipment to help players deal with injuries and rehabilitation.

Three other trainers assists Dr. Wheeler and Buckley in helping treat and prevent injuries to AASU athletes - Mylene Benito, Sam Chapman and John Ellis.

Historic Savannah, Georgia, is located on the Atlantic Coast, at the confluence of the Savannah River and the Atlantic Ocean. Throughout its history, there has been one adjective consistently used to describe Savannah: beautiful.

The reason? There's something about the unique beauty of Savannah that cannot be forgotten. Streets with canopies of mossladen trees are honored venues for scores of historic homes. The town squares that Savannah's founding father, James Oglethorpe, laid out as public meeting places are now treasured "pocket parks" located throughout the downtown area.

A renovated waterfront area serves as the hub for shopping and entertainment. Nearby sandy beaches draw streams of visitors with persistent cool breezes and the endless lure of the rolling sea. Finally,

there's an indescribable - but readily discernable - feeling in the air that pervades Savannah, a kind of "laid back" approach to the world, a "rootedness" that makes living or working in Savannah an experience second to none.

By way of affirmation, *Le Monde*, the leading French newspaper, called Savannah "the most beautiful city in North America."

Savannah has recently captured the imagination of a nation through its history and its appearance in several feature films, including "Glory," "Forrest Gump," "Something to Talk About," "Midnight In The Garden of Good and Evil" and the upcoming fall film "The Legend of Bagger Vance" starring Will Smith and Matt Damon. Also, Savannah hosted the yachting events of the 1996 Summer Olympics. As a result, tourism has become one of the leading industries in the area.

Savannah hosts over six million tourists each year. Tourism impacts the Savannah area by over \$634 million. The city boasts over 7,000 rooms and more than 100 restaurants as folks have

learned that Savannah is more than just a convenient rest stop on the interstate to Florida.

The climate of Savannah features warm, and sometimes hot, weather for most of the year. There are seven months in which the average temperature is 70 degrees or higher. The lowest average high is in January at 60.3 degrees.

The population in Savannah is roughly 130,000 and Chatham County is the fifth most populous county in the state of Georgia.

Savannah also sits centrally located to some of the southeast's finest beaches. Tybee Island, located less than 30 minutes from Armstrong Atlantic State's campus, offers six miles of unspoiled sands, tempting seafood and gracious accomodations. Resort areas such as Hilton Head, South Carolina, are less than one hour away and provide even more

relaxing getaway options.

Whether it's the lure of historical settings, the friendliness of a southern community or the beautiful climate of southeast Georgia, Savannah is the place for you.
