Dear COE Alumni & Friends:

It's been an exciting year in the COE as more than 2,000 students - undergraduate and graduate - have expanded their knowledge in educational fields and grown professionally here and throughout their studies at Georgia Southern University. As a College, we continue to build on our national reputation for excellence in preparing students to teach, lead and serve, and in scholarship that provides new pathways to meet the needs of the 21st century's dynamic, diverse and technology-rich society.

Through *Southern Educator* we will continue to bring you up-to-date information on happenings in the COE, and I hope you find our e-newsletter interesting, helpful and a good way to keep up with your COE friends and colleagues.

As 2012 comes to a close, I want to personally wish you a happy,
