Zandrique Cason has led the PBC in rebounding the last two seasons

Lady Pirates Ready To Build On

Last season, the Armstrong Atlantic State women's basketball squad captured lightning in a bottle, becoming the first No. 6 seed in Peach Belt Conference Tournament history - men's or women's - to reach the semifinals.

The Lady Pirates are hoping to keep that lightning in order to make a charge to the top of the PBC standings this season.

It will be a monumental task for a program that hasn't had a winning record in six seasons and plays in the tougher half of perhaps the toughest Division II women's basketball conference in the nation, but head coach Roger Hodge and the Lady Pirates feel they have the pieces in place.

Only four players return from last season's squad that finished 11-18 last season, but went 7-12 in the Peach Belt. The seven league wins were the most

Senior Zandrique Cason has led the Peach Belt Conference in rebounding each of the last two seasons and last year ranked 21st in NCAA Division II in rebounds.

AASU has collected since 1996-97 and the trip to the PBC Semifinals was the first for the Lady Pirates since 1995.

The list of returnees begins and ends with two-time All-Peach Belt Conference forward **Zandrique Cason** (6-0, Sr., Mesa, Ariz.). Cason again led the Peach Belt Conference in rebounding,

averaging 10.6 per game, and led the Lady Pirates offensively, averaging 15.4 points per game. Already the Liberty transfer has made her presence felt in the league and on the AASU charts, scoring 881 points in two seasons.

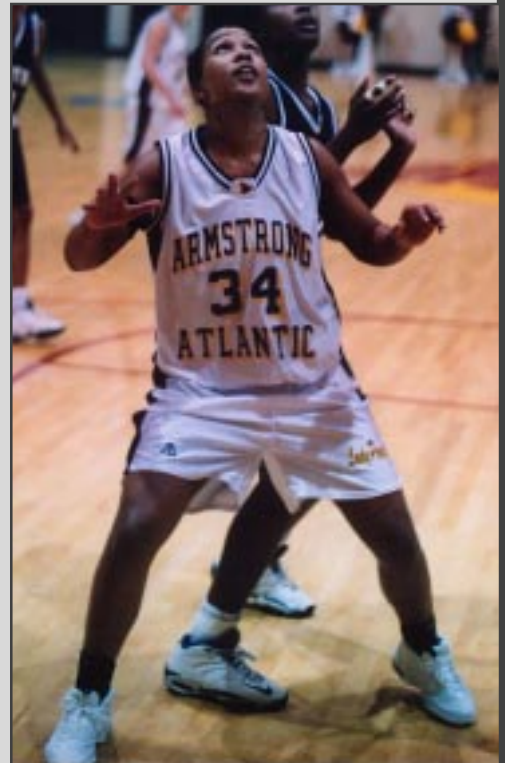

Two other returnees had opponents seeing double most of last season as twins **Shaletra**

Hodge (5-10, Sr., Carthage, Texas) and **Shanetra Hodge** (5-9, Sr., Carthage, Texas) combined to average 16.1 points and 9.8 rebounds per game for AASU in their first season with the Lady Pirates.

The final returner for AASU is senior point guard **Marloes Renskers** (5-7, Sr., Enschede, The Netherlands). Renskers led the Lady Pirates in assists for the second straight season, collecting 98 in 2001-02, and in two seasons already ranks eighth on the all-time AASU assist chart.

Coach Hodge and the Lady Pirates welcome 10 newcomers for the 2002-03 season, led by a trio of players who are making a "homecoming," returning to Savannah to continue their collegiate careers.

Senior point guard **Anita Griffin** (5-5, Sr., Savannah, Ga.), junior center **Lee Gloyd** (6-2, Jr., Savannah, Ga.) and junior forward **Tishay Lewis** (5-9, Jr., Savannah, Ga.) all starred at A.E. Beach High School in Savannah, then left the Coastal Empire area to begin

Senior Shalettra Hodge averaged 5.2 rebounds per game and helped AASU to its best rebounding margin (+4.4) since 1984-85.

AASU was the first No. 6 seed to win twice at the PBC Tournament

Late Season Success In 2002-03

Senior Shanetra Hodge was AASU's second-leading scorer in 2001-02, averaging 8.9 points per game.

their collegiate careers. All three return to join the Lady Pirates for this season - Griffin, from Fort Valley State, where she was a three-time team defensive player of the year; Gloyd, from Morris Brown, where she averaged 13 points and 10 rebounds a game in her freshman season; and Tishay Lewis, who earned All-Southern Conference Freshman Team honors at UT-Chattanooga and recorded just the third triple-double in school history.

Griffin and Renskers will handle the point guard duties in 2002-03, along with **Briana Milam** (5-8, Jr., Wittmann, Ariz.), who transfers to AASU from Yavapai College.

The two-guard position looks to be in the capable

hands of another Arizona transfer, **Tasha Washington** (5-8, Jr., Phoenix, Ariz.). Washington averaged 15.7 points and 6.8 rebounds last season at Scottsdale CC, earning All-Region and All-Conference honors. A pair of freshmen - **Alicia Durham** (5-6, Fr., Macon, Ga.) and **Carena Thomas** (5-6, Fr., Hinesville, Ga.) will also see time at the position.

Lewis and Shanetra Hodge are the Lady Pirates' small forwards, but Hutchinson CC transfer **Pam Mayes** (5-8, Jr., Columbia, S.C.) will also see action. Mayes averaged 12.7 points and 6.8 rebounds per game as a sophomore for the Lady Dragons.

The power forward spot will see immense competition between Shaetra Hodge and two transfers, **Vandy Noldon** (5-11, Jr., Wasco, Calif.) and **Emily Perpich** (6-0, Jr., Coldspring, N.Y.). Noldon was an All-Conference honoree at Porterville College in

California, averaging 17.8 points and 11.1 rebounds per game, while Perpich ranked 9th in the NJCAA Division II in field goal percentage for Monroe CC last season.

Gloyd and Cason will man the five spot in the lineup as the Lady Pirates sport 10 players on their roster that are 5-8 or taller.

The 2002-03 schedule includes 19 league games and several tough non-conference matchups, including opening the season at the FMU/Sleep Inn Classic on Nov. 22-23 against Pfeiffer and Anderson. The Lady Pirates also welcome back intra-state rival Valdosta State to the schedule, as well as taking road trips to perennial NCAA participants Shaw and Rollins.

AASU will also host the Chatham Orthopaedics Basketball Classic for a third-straight season, this year making the tournament a combined men's and women's event. The Lady Pirates will face Fort Valley State and Wingate in the Dec. 20-21 tournament.

The Peach Belt Conference coaches have picked the Lady Pirates to finish sixth in the league, the same place they picked AASU to finish last season, with Kennesaw State picked to knock off defending PBC champion USC Aiken for the league crown.

With a tough conference, a challenging schedule and plenty of depth, the Lady Pirates hope to improve on last season's late-year success and crack the top half of the league standings in 2002-03!

The Lady Pirates welcome nine newcomers to the 2002-03 squad

Roger Hodge Head Women's Basketball Coach

Roger Hodge begins his third season at the helm of the Armstrong Atlantic State women's basketball program after leading the Lady Pirates to an 11-18 mark in 2001-2002 and taking the team to the Peach Belt Conference tournament semifinals, becoming the first No. 6 seed - men or women - to win two games in the league's tournament.

Led by two-time All-PBC selection Zandrique Cason, coach Hodge has improved the Lady Pirates' win total each season and this year brings in an intriguing mix of talent, including luring back former Savannah high school stars Tishay Lewis, Lee Gloyd and Anita Griffin from the powerhouse A.E. Beach program to play for the hometown Pirates in 2002-2003.

The sixth AASU women's basketball coach in school history, Hodge succeeded Lynn Jarrett in 2000-2001 and was hired from Division I Liberty University, where he served as an assistant on the highly successful Flames program.

Coach Hodge led the Lady Pirates to a 10-16 record in his first season - a three-win improvement over the previous season - and also registered the program's first win over a ranked team in over four years with a 75-72 win over No. 22 Francis Marion on January 3, 2001.

Entering the collegiate coaching ranks in 1997 with Liberty University, Hodge assisted Lady Flames head coach Rick Reeves on two Big South Conference championship squads in 1997-98 and 1998-99 and last year assisted head coach Carey Green. Liberty finished the 1999-2000 season with a 23-8 overall record and a 12-2 mark in the Big South, capturing the conference tournament for the fourth straight season and advancing to the NCAA Championships.

Prior to Liberty, Hodge was an assistant coach at Mercer Christian Academy in Princeton, W. Va., and helped lead the school to the 1996 Class A state championship.

Hodge also assisted at Hinton/Summers County High School from 1987-1994 and 1997, while the school captured three West Virginia Class AA State Championships in 1988, 1992 and 1994. Hodge also directed the Southern West Virginia AAU team that finished runner-up in the YBOA National Championships in 1990 and finished second in the state of West Virginia in 1990 and 1992.

A graduate of Concord College in Athens, W.Va., Hodge received a bachelor of arts degree in 1992. He also received a bachelor's of science degree in education with a concentration in business principles in 1997. Hodge and his wife, Kristen, have one daughter, Madison.

Roger Hodge became AASU's sixth head coach on May 22, 2000

Assistant Coaches Mandy Kinder and Dawn Cason

Mandy Kinder Assistant Women's Basketball Coach

Mandy Kinder, daughter of former Armstrong Atlantic State baseball head coach Tom Kinder, begins her first season as the Lady Pirates' head assistant coach.

Kinder joins the Pirates from the University of Charleston (W.Va.), where she was a standout four-year player for the Golden Eagles. A native of Bridgewater, Va., Kinder graduated in May, 2002 with a double major in mass media/broadcasting and sport science/management.

As a player, she was named to the West Virginia Intercollegiate Athletic Conference's all-freshman team in 1998-99.

Kinder is an active member of the Fellowship of Christian Athletes and currently resides in Savannah.

Dawn Cason Graduate Assistant Coach

Dawn Cason begins her second year with the AASU women's basketball program in 2000-2001, serving as the Lady Pirates' graduate assistant coach.

A two-year standout at California Baptist University, Cason graduated from CBU with a bachelor's degree in business administration in 2001 after averaging 13.3 points and 5.6 rebounds for the Lancers as a senior.

A native of Tempe, Ariz., and the sister of current Lady Pirate center Zandrique Cason, Dawn is currently pursuing a master's degree in public health administration at Armstrong Atlantic State.

Armstrong Atlantic State University

Since its founding in 1935, Armstrong Atlantic State University has continued to develop to meet the Savannah community's educational needs. From its first location in Armstrong House in downtown Savannah to its current home on a scenic 250-acre lot off of Abercorn, the university has become one of the finest educational institutions in the Southeastern United States.

Armstrong Junior College was established by the Mayor of Savannah and other public officials in 1935. Housed in the beautiful and historic Armstrong House, a gift to the city from the family of George F. Armstrong, Armstrong Junior College grew over the years to occupy eight additional buildings in the Forsyth Park and Monterey Square areas.

In 1959, as Armstrong College of Savannah, it became a two-year unit of the University System.

The Board of Regents conferred four-year status on Armstrong in 1964 and the college moved to its present 250-acre location, a gift from Donald Livingston and the Mills B. Lane Foundation, in December of 1965. Additional buildings joined the eight original structures as Armstrong added professional and graduate programs and tripled in size.

In July of 1996, the Board of Regents voted to rename the college to Armstrong Atlantic State University to reflect its mission and identity. The university's reputation of excellence is still evident in its dedication to students, with a supportive environment.

Armstrong Atlantic State University was fully accredited as a senior institution by the Southern Association of Colleges and Schools in December, 1968, with accreditation retroactive to January 1, 1968, and was last reaccredited in December, 2001.

The university offers over seventy-five academic programs and majors in its School of Arts and Sciences, School of Health Professions and School of Education.

The academic community includes approximately 5,800 students and more than 250 faculty members. Enrollment has more than doubled in the last 15 years, from 2,740 students in 1987 to its current number.

Across campus, evidence of the university's growth can be

found in its facilities. A Fine Arts Center, including a 1,000 seat theatre/auditorium, the Health Professions Building and an academic computing center are recent completed buildings, along with 84,400 square foot University Hall, built to make room for a student population of 8,000. A new 115,000 square foot, \$28 million dollar science building has opened and this fall the campus welcomes Compass Point, a brand new dormitory building - the first of its kind at AASU - which provides living quarters for 275 students. A second phase of Compass Point will begin construction in the fall to add another 275 beds to the complex.

The athletic department of Armstrong Atlantic State University is housed in the Armstrong Sports Center, completed in 1995. The Sports Center includes offices for the physical education department, training room and weight room areas, basketball courts, indoor track and offices for coaches and athletic department personnel. The building played host to the Peach Belt Conference's basketball tournament in 1998 and 1999 and hosts several in-season tournaments each year. AASU sponsors eight intercollegiate sports and is a charter member of the Peach Belt Conference, formed in 1991.

Continuing a mission begun in 1935, Armstrong Atlantic State University today serves a rich gamut of traditional and non-traditional students. Sixty percent of AASU's student body are from the Savannah-Chatham area, while others come from around the state, nation and world. All have come to Savannah to experience and thrive on the campus of one of the fastest developing higher learning institutions in the nation - all have come to be a part of Armstrong Atlantic State University.

AASU first sponsored intercollegiate women's basketball in 1976-77

The Lady Pirates faced four ranked opponents in 2002-03

2002-03 Season Review

The AASU women's basketball team finished the 2001-2002 season with an 11-18 overall record, but won seven Peach Belt Conference games, the most in the last five seasons, and made Conference history by becoming the first No. 6 seed - men or women - to advance to the PBC Tournament semifinals.

The Lady Pirates struggled out of the gate, dropping their first five games, but rebounded to win four of their next five, including a season-series sweep of cross-town rival Savannah State.

AASU then pulled off its second win over a ranked team in as many seasons as the Lady Pirates shocked defending PBC champion and NCAA Division II Final Four participant Columbus State, 61-45, at home on January 12.

The Lady Pirates would endure three separate three-game losing streaks in conference play after that, but sandwiched around the streaks were some exciting victories - a 50-48 win against perennial PBC power Francis

Marion and a last-second 70-69 win at Augusta State in which senior Lexie Martin drained a baseline shot with no time left for the victory.

On the final day of the regular season, the Lady Pirates picked up some needed momentum heading into the PBC tournament with a 75-68 win over Kennesaw State, AASU's first win over the Lady Owls since 1996-

Senior Lexie Martin scored her 1,000th point at Kennesaw State on February 2, 2002. Martin finished her AASU career as the Lady Pirates' fourth all-time leading scorer with 1,119 career points.

Shaletra and Shanetra Hodge combined to average 16.1 points and 9.8 rebounds per game in their first season with AASU.

97, a span of 11 contests.

The Lady Pirates entered the PBC Tournament as the No. 6 seed from the South Division and knocked off the No. 3 seed from the North Division, UNC Pembroke, 82-73 in the first round. AASU then followed up their victory with their second win over the South Division's No. 1 seed, Kennesaw State, in a span of six days, defeating the Lady Owls, 62-57.

The wins represented the first time a No. 6 seed had won two games at the league championships and gave the Lady Pirates their fourth trip to the PBC Tournament semifinals in school history. AASU played hard in the semifinals but fell short to eventual PBC Tournament champion Georgia College & State University, 72-64.

Junior Zandrique Cason capped another standout year for the Lady Pirates, earning All-PBC and All-PBC Tournament honors as she led the league in rebounding for the second consecutive season, averaging 10.6 boards per game to go along with her 15.4 points per game. Cason's 448 points were the eighth-most single-season total in school history and her 308 rebounds were the fourth-most in school history. In just two seasons, Cason already ranks in the top 10 in six separate categories for the Lady Pirates and needs just 119 points for 1,000 in her AASU career.

Senior Lexie Martin reached the magical plateau of 1,000 career points on February 2 at Kennesaw State and ended her four-year career at AASU with 1,119 career points, fourth-best all-time. Martin also finished as the Lady Pirates' all-time leading free throw shooter, hitting 76.8 percent of her career free throws.

The Houma, La., native also finished as AASU's second-leading three-point shooter and steals artist, while also finishing third in assists and fourth in games played.

The Lady Pirates also said good-bye to Melissa Germany, who graduated from AASU in 2002 and ended her three-year playing career as the school's fifth-leading shot blocker all-time.

Lexie Martin became AASU's sixth 1,000 point scorer on Feb. 2, 2002

The Peach Belt Conference

Since its inception in 1991, the Peach Belt Conference has worked tirelessly to become one of the elite conferences in NCAA Division II. Now entering its 12th season with 17 national championships and 15 national finalists, the PBC has accomplished that goal.

Starting with only two championships in 1991, in men's and women's basketball, the conference has expanded to 12 championship sports with the addition of women's soccer in the fall of 2000.

The conference traces its roots back to November of 1988 when 11 schools first met in Greenville, S.C. to form a Division II conference. Following a second meeting on Dec. 3, 1989, five of those 11 schools, plus two others, formed the Peach Belt and begin play in 1991.

The Peach Belt was less than a year old before capturing a national championship. The Columbus State golf team took the honor by winning the 1992 national crown, the first of three golf championships the Cougars own.

The PBC has seen continued success in all sports with national rankings and multiple NCAA appearances in every sport last season, including a national championship for the Columbus State baseball team and a national championship finals appearance by the Armstrong Atlantic State women's tennis team.

The seven charter members of the conference were Armstrong Atlantic State University, Columbus State University,

Francis Marion University, Georgia College & State University, Lander University, USC Aiken and USC Spartanburg. The name Peach Belt Athletic Conference was adopted in January of 1990 and modified to Peach Belt Conference in May of 2000.

Augusta State joined the conference in 1991 and UNC Pembroke became the ninth member on July 1, 1992. They were followed by Kennesaw State University on July 1, 1994, Clayton College & State University on July 1, 1995 and the University of North Florida on July 1, 1997, to bring the current membership to 12 institutions.

Former Augusta State basketball coach and athletic director Marvin Vanover was named the interim commissioner in April, 1990, and served in that capacity until his appointment as the conference's first full-time commissioner in July of 1991. He established the conference office in Augusta, Ga., which houses the commissioner and his staff.

Dr. Allen C. Meadors, chancellor of the University of North Carolina at Pembroke, is the president of the Peach Belt in 2002-03.

The conference currently holds championships in 12 sports, six for men and six for women. They are men's and women's cross country, men's and women's soccer, volleyball, men's and women's basketball, men's and women's tennis, baseball, softball and men's golf.

This Is Savannah

Historic Savannah, Georgia, is located on the Atlantic Coast, at the confluence of the Savannah River and the Atlantic Ocean. Throughout its history, there has been one adjective consistently used to describe Savannah: beautiful.

The reason? There's something about the unique beauty of Savannah that cannot be forgotten. Streets with canopies of moss-laden trees are honored venues for scores of historic homes. The town squares that Savannah's founding father, James Oglethorpe, laid out as public meeting places are now treasured "pocket parks" located throughout the downtown area.

A renovated waterfront area serves as the hub for shopping and entertainment. Nearby sandy beaches draw streams of visitors with persistent cool breezes and the endless lure of the rolling sea. Finally, there's an indescribable - but readily discernible - feeling in the air that pervades Savannah, a kind of "laid back" approach to the world, a "rootedness" that makes living or working in Savannah an experience second to none.

By way of affirmation, *Le Monde*, the leading French newspaper, called Savannah "the most beautiful city in North America."

Savannah has recently captured the imagination of a nation through its history and its appearance in several feature films, including "Glory," "Forrest Gump," "Something to Talk About," "Midnight In The Garden of Good and Evil" and the 2000 hit film "The Legend of Bagger Vance" starring Will Smith and Matt

Damon. Also, Savannah hosted the yachting events of the 1996 Summer Olympics. As a result, tourism has become one of the leading industries in the area.

Savannah hosts over six million tourists each year. Tourism impacts the Savannah area by over \$634 million. The city boasts over 7,000 rooms and more than 100 restaurants as folks have learned that Savannah is more than just a convenient rest stop on the interstate to Florida.

The climate of Savannah features warm, and sometimes hot, weather for most of the year. There are seven months in which the average temperature is 70 degrees or higher. The lowest average high is in January at 60.3 degrees.

The population in Savannah is roughly 130,000 and Chatham County is the fifth most populous county in the state of Georgia.

Savannah also sits centrally located to some of the southeast's finest beaches. Tybee Island, located less than 30 minutes from Armstrong Atlantic State's campus, offers six miles of unspoiled sands, tempting seafood and gracious accommodations. Resort areas such as Hilton Head, South Carolina, are less than one hour away and provide even more relaxing getaway options.

Whether it's the lure of historical settings, the friendliness of a southern community or the beautiful climate of southeast Georgia, Savannah is the place for you.

The Armstrong Atlantic State women's basketball team enjoys a walk on the beach at Tybee Island. Just minutes away from downtown Savannah, Tybee Island is a popular attraction for Savannah natives and tourists alike, adding to the six million visitors that experience the Coastal Empire area each year.
