Dear Faculty,

With classes starting on Monday, I just want to send a quick thank you to everyone who has activated their Folio course sites and contacted their students.

If you haven’t done so already, please activate those courses quickly. Students need access to the Folio site in order to see which attendance pattern they will follow for the first week.

Please also reach out to your students. They are expecting to hear from you about the following:

· A course and instructor introduction
· A description of how Groups will work in your course (if applicable)
· Directions on where to go for Groups and meeting days
· Specific information on field placements/clinical, etc… (if applicable)

Thank you again for your flexibility and all the hard work you have put into preparing for the semester.

Sincerely,

Carl L. Reiber
Provost & Vice President Academic Affairs
