Good morning:

Georgia Southern University is an extraordinary place, not only because we are one of the best institutions in the country, but more importantly because we have such great people driving our success.

I hope you were able to take part in Eagle Week. This week-long celebration on all three campuses was designed to bring the University community together and learn about the departments and people that define our institution.

I want to thank each faculty and staff member who came together to organize these events, and I want to thank everyone that came out to be better informed about their colleagues and the departments that make up our great University.

Student Eagle Week begins the week after Spring Break on March 19, and there are several exciting events on all three campuses for our students to enjoy. We hope they will meet our faculty and staff and learn about the

many services available to them while they have some fun and celebrate the week with events and activities.
