Perusall Now Available as Folio Integration

We're excited to announce that Perusall, the social annotation platform that has become popular across campus, is now available as a Folio integration! Review the integration guide attached below to set up your fall reading assignments or check out Perusall to see how it can get your students to do the reading without adding more to your grading load. Interested in learning more about Perusall? Attend a training to learn what Perusall can do and how to set up the Folio integration!
