This Is Armstrong Atlantic

Since its founding in 1935, Armstrong Atlantic State University has continued to develop to meet the Savannah community's educational needs. From its first location in Armstrong House in downtown Savannah to its current home on a scenic 250-acre lot off of Abercorn, the university has become one of the finest educational institutions in the Southeastern United States.

Armstrong Junior College was established by the Mayor of Savannah and other public officials in 1935. Housed in the beautiful and historic Armstrong House, a gift to the city from the family of George F. Armstrong, Armstrong Junior College grew over the years to occupy eight additional buildings in the Forsyth Park and Monterey Square areas.

In 1959, as Armstrong College of Savannah, it became a two-year unit of the University System.

The Board of Regents conferred four-year status on Armstrong in 1964 and the college moved to its present 250-acre location, a gift from Donald Livingston and the Mills B. Lane Foundation, in December of 1965. Additional buildings joined the eight original structures as Armstrong added professional and graduate programs and tripled in size.

In July of 1996, the Board of Regents voted to rename the college to Armstrong Atlantic State University to reflect its mission and identity. The university's reputation of excellence is still evident in its dedication to students, with a supportive environment.

Armstrong Atlantic State University was fully accredited as a senior institution by the Southern Association of Colleges and Schools in December, 1968, with accreditation retroactive to January 1, 1968, and was last reaccredited in December, 2001.

The university offers more than seventy-five academic programs and majors in its School of Arts and Sciences, School of Health Professions and School of Education.

The academic community includes approximately 6,500 students and more than 250 faculty members. En-

rollment has more than doubled in the last 15 years, from 2,740 students in 1987 to its current number.

Across campus, evidence of the university's growth can be found in its facilities. Recently completed buildings include the Fine Arts Center, with a 1,000 seat theatre/auditorium, the Health Professions Building and an academic computing center, along with 84,400 square foot University Hall, built to make room for a student population of 8,000. A 115,000 square foot, \$28 million dollar science building opened in 2002. This fall, the campus welcomes the second phase of Compass Point, an addition to the school's first apartment complexes. Phase two provides an additional 300 beds to the already existing 275 beds from phase one and campus leaders are in talks for a planned phase three addition to Compass Point.

The athletic department of Armstrong Atlantic State University is housed in the Armstrong Sports Center, completed in 1995. The Sports Center includes offices for the physical education department, training room and weight room areas, basketball courts, indoor track and offices for coaches and athletic department personnel. The building played host to the Peach Belt Conference's basketball tournament in 1998 and 1999 and hosts several in-season tournaments each year.

AASU sponsors eight intercollegiate sports and is a charter member of the Peach Belt Conference, formed in 1991. The Pirates have not finished below fourth in the league's all-sports competition since joining the league and finished third in 2002-03, behind North Florida and Kennesaw State.

Continuing a mission begun in 1935, Armstrong Atlantic State University today serves a rich gamut of traditional and nontraditional students. Sixty percent of AASU's student body are from the Savannah-Chatham area, while others come from around the state, nation and world. All have come to Savannah to experience and thrive on the campus of one of the fastest developing higher learning institutions in the nation - to be a part of Armstrong Atlantic State University.

Seven of AASU's eight sports advanced to the NCAA Championships in 2002-03

A 30-year veteran of university teaching and administration, Dr. Jones has taught at Indiana State University, Emory and Henry College and the West Virginia Institute of Technology. While at West Virginia Tech, Dr. Jones served as the Westmoreland Professor of Mining, an endowed professorship, and vice president of academic affairs.

During Dr. Aenchbacher's tenure as athletic director, AASU's athletic programs have had tremendous success in the classroom and on the playing field. Student-athletes at AASU have excelled in academics with 48 percent earning a 3.0 grade point average or better. The overall grade point average of AASU student-athletes is 2.87, higher than the overall institutional GPA. In 2002-03, the AASU athletic department sent seven of eight teams to the NCAA DII Championships, the best ratio in the nation. The Pirates also collected the third-most points per sport sponsored in the annual NACDA Director's Cup competition, which tracks the performance of Division II schools in all sports. AASU accumulated its most Director's Cup points ever (297) and averaged 37.1 points per sport, behind only Grand Valley State (MI) and BYU-Hawaii.

Pirates Look To Continue Streak In 2004

Led by one senior and a two-time ITA All-America doubles duo, the Pirates look to continue their streak of nine straight NCAA Championships appearance in the ever-strengthening Peach Belt Conference.

Senior Roger Thiele is back for his fourth year for the Pirates, as are All-America juniors Achim Roth and Dale White. The trio also welcome back David Secker, Jonas Askeland and Tim Offermann, while adding newcomers Peter Dedik and Taavo Roos to create a deep and talented squad for 2004.

AASU finished with a 12-12 record in 2003, but a brutal schedule that saw the Pirates play primarily Top 20-ranked squads should toughen up the returnees and have them ready for the best that DII has to throw at them this season.

Roth, Thiele and White will be joined by the junior newcomer Dedik to form the top four singles players in the AASU lineup. Competition will be fierce between Askeland, Secker, Roos and Offermann for the remaining two singles slots.

The doubles lineup will begin with Roth and White playing the top spot, as they have the past two seasons. They begin the spring ranked No. 9 in DII. Thiele and Offermann will have first crack at the No. 2 doubles slot, while Dedik and Secker will fight with Askeland and Roos for the final No. 3 doubles spot.

Another tough schedule awaits the Pirates as they again face several top squads in 2004, including 10 matches against the Top 15 teams in the nation according to the ITA 2003 Fall Rankings.

Lady Pirates Seek Return To NCAA Finals In 2004

Thanks to the NCAA's new bracket format for the Round of 16, the Lady Pirates found themselves staring down the face of defending national champion BYU-Hawaii in the very first round of the finals in 2003.

That put AASU in the unfamiliar spot of playing just once in the finals, something AASU hadn't done in the previous eight trips to the National Championships.

This year, the Lady Pirates are a good bet to be playing a little longer in Altamonte Springs, Fla., in May at the Round of 16.

The Lady Pirates are loaded for a run at their third national title with the nation's top singles

player - senior Zsofi Golopencza - as well as PBC Freshman of the Year Manuela Emmrich and junior Caroline Grage. Add to that sophomore Luisa Cowper, freshman Dziyana Nazaruk and junior Laura Peaty and AASU has its strongest singles lineup in years.

Senior Alejandra Aguilar and sophomore transfer Kristen Kelly round out the Pirates' squad and give AASU plenty of options in both the singles and doubles lineups.

Golopencza, a three-time ITA All-America in both singles and doubles and the three-time PBC Player of the Year, continues to lead by example. She will team with Laura Peaty to form the No. 1 doubles lineup, while Grage and Emmrich continue to excel at No. 2 and the newcomers, Cowper and Nazaruk, will begin at No. 3.

The schedule is loaded again as the Lady Pirates play seven of the top 15 teams in the country and look to capture their 10th Peach Belt Conference title along the way.

The Peach Belt Conference

Since its inception in 1991, the Peach Belt Conference has worked tirelessly to become one of the elite conferences in NCAA Division II. Now entering its 13th season with 18 national championships and 16 national finalists, the PBC has accomplished that goal.

Starting with only two championships in 1991, in men's and women's basketball, the conference has expanded to 12 championship sports with the addition of women's soccer in the fall of 2000.

The conference traces its roots back to November of 1988 when 11 schools first met in Greenville, S.C. to form a Division II conference. Following a second meeting on Dec. 3, 1989, five of those 11 schools, plus two others, formed the Peach Belt and began play in 1991.

The Peach Belt was less than a year old before capturing a national championship. The Columbus State golf team took the honor by winning the 1992 national crown, the first of three golf championships the Cougars own.

The PBC has seen continued success in all sports with national rankings and multiple NCAA appearances in every sport last season, including a national championship for the Francis Marion

men's golf team and a national championship finals appearance by the Georgia College & State University softball squad.

The seven charter members of the conference were Armstrong Atlantic State University, Columbus State University, Francis Marion University, Georgia College & State University, Lander University, USC Aiken and USC Spartanburg. The name Peach Belt Athletic Conference was adopted in January of 1990 and modified to Peach Belt Conference in May of 2000.

Augusta State joined the conference in 1991 and UNC Pembroke became the ninth member on July 1, 1992. They were followed by Kennesaw State University on July 1, 1994, Clayton College & State University on July 1, 1995 and the University of North Florida on July 1, 1997, to bring the current membership to 12 institutions.

Former Augusta State basketball coach and athletic director Marvin Vanover was named the interim commissioner in April, 1990, and served in that capacity until his appointment as the conference's first full-time commissioner in July of 1991. He established the conference office in Augusta, Ga., which houses the commissioner and his staff.

Dr. Thomas Hallman, president of the University of South Carolina at Aiken, is the president of the Peach Belt in 2003-04.

The conference currently holds championships in 12 sports, six for men and six for women. They are men's and women's cross country, men's and women's soccer, volleyball, men's and women's basketball, men's and women's tennis, baseball, softball and men's golf.

Lady Pirates Finish 2003 Season With Ninth Straight Trip to NCAA Round of 16

The AASU women's tennis team again fashioned a top 10 performance and made its ninth straight appearance in the NCAA DII Women's Tennis National Championship finals, capturing the Mid-Atlantic Regional with a 5-1 win over North Florida. Because of the predetermined matchups in the Round of 16, the Pirates faced defending DII champion BYU-Hawaii in

Manuela Emmrich

the first round of the finals and lost a tough match to the eventual national champion Seaside, 5-2, to end the season with a 21-7 record and a No. 6 national ranking. Again, junior Zsofi Golopencza led the way for AASU in 2003, capturing the ITA Mid-Atlantic Region singles championship in the fall and advancing to the Rolex DII National Singles title match. It would be the only singles match she would lose all year long as Golopencza achieved a perfect 26-0 singles record in dual match play to finish the season ranked No. 1 in NCAA DII singles. Golopencza, who was named PBC Player of the Year for the third straight time, teamed up with a new doubles partner in sophomore Laura Peaty midway through the season and also went undefeated, going 14-0 and finishing the year ranked No. 1 in the nation.

Freshman Manuela Emmrich earned ITA Mid-Atlantic Region Rookie of the Year honors in her solid debut campaign. Emmrich went 15-9 in dual match singles play and 21-13 overall.

AASU's seven losses in 2003 came to the top five teams in the country and the Lady Pirates return all six players for 2003-04.

AASU Men Endure Rigorous Schedule, Advance to NCAAs for Ninth Straight Time

The AASU men's tennis team finished with an even .500 record in 2003, but with a brutal schedule against mostly top 20 DII opponents, the Pirates found themselves in the NCAA Championships for the ninth consecutive season and advanced to the Mid-Atlantic Region final.

The Pirates started off the season well with a 7-1 record, but then AASU dropped eight straight matches against teams ranked in the Omni Hotels/ITA Division II Top 20, including four matches against the top five teams in the nation.

After the stretch, AASU rallied to win three straight, heading into the PBC Championships, where they finished fourth. With an 11-11 record against DII competition, the Pirates entered the Mid-Atlantic Regional as the No. 5 seed and knocked off No. 16 Lees-McRae, 5-0, in the opening round of the regional before bowing out to host and No. 4-ranked North Florida, 5-0, in the region final.

Sophomores Achim Roth and Dale White again put in fine campaigns for the Pirates, compiling a 24-10 doubles record and finishing the season ranked No. 4 in the country, earning All-America honors. In the fall, the duo won the ITA

Savannah and Tybee Island

Historic Savannah, Georgia, is located on the Atlantic Coast, at the confluence of the Savannah River and the Atlantic Ocean. Throughout its history, there has been one adjective consistently used to describe Savannah: beautiful.

The reason? There's something about the unique beauty of Savannah that cannot be forgotten. Streets with canopies of moss-laden trees are honored venues for scores of historic homes. The town squares that Savannah's founding father, James Oglethorpe, laid out as public meeting places are now treasured "pocket parks" located throughout the downtown area.

A renovated waterfront area serves as the hub for shopping and entertainment. Nearby sandy beaches draw streams of visitors with persistent cool breezes and the endless lure of the rolling sea. Finally, there's an indescribable - but readily discernible - feeling in the air that pervades Savannah, a kind of "laid back" approach to the world, a "rootedness" that makes living or working in Savannah an experience second to none.

By way of affirmation, *Le Monde*, the leading French newspaper, called Savannah "the most beautiful city in North America."

Savannah has recently captured the imagination of a nation through its history and its appearance in several feature films, including "Glory," "Forrest Gump," "Something to Talk About," "Midnight In The Garden of Good and Evil" and the 2000 hit film "The Legend of Bagger Vance" starring Will Smith and Matt Damon. Also, Savannah hosted the yachting events of the 1996 Summer Olympics. As a result, tourism has become one of the leading industries in the area.

Savannah hosts over six million tourists each year. Tourism impacts the Savannah area by over \$634 million. The city boasts over 7,000 rooms and more than 100 restaurants as folks have

learned that Savannah is more than just a convenient rest stop on the interstate to Florida.

The climate of Savannah features warm, and sometimes hot, weather for most of the year. There are seven months in which the average temperature is 70 degrees or higher. The lowest average high is in January at 60.3 degrees.

The population in Savannah is roughly 130,000 and Chatham County is the fifth most populous county in the state of Georgia.

Savannah also sits centrally located to some of the southeast's finest beaches. Tybee Island, located less than 30 minutes from Armstrong

Atlantic State's campus, offers six miles of unspoiled sands, tempting seafood and gracious accommodations. Resort areas such as Hilton Head, South Carolina, are less than one hour away and provide even more relaxing getaway options.

Whether it's the lure of historical settings, the friendliness of a southern community or the beautiful climate of southeast Georgia, Savannah is the place for you.
