Georgia Southern Ranks 5th in the 2018 Top Online IT Degrees

September 28, 2017

SR Education Group, an education research publisher founded in 2004, recently published their 2018 Top and Most Affordable Online Colleges rankings, and the Information Technology program at Georgia Southern University has been highlighted!

The 2018 Top Online Colleges ranking is based on value. SR Education Group analyzed accredited online schools across the nation, taking into consideration academic strength factors along with manually researched tuition rates in order to provide a list of colleges offering the best value to students. Inclusion on this list shows high academic standards and a commitment to affordability, two key factors important to prospective students. Georgia Southern University made the ranking at 5th for Bachelor's Degrees in Information Technology!

The 2018 Most Affordable Online Colleges ranking represents online schools across the nation that are making an effort to provide economical options for students. Georgia Southern University made the ranking at 18th for Bachelor's Degrees in Information Technology!
