## Institute for Coastal Plain Science Awards

## Graduate Student Research Assistantships

The James H. Oliver, Jr. Institute for Coastal Plain Science (ICPS) at Georgia Southern University is proud to announce the two inaugural recipients of the ICPS Summer Graduate Student Research Assistantships. Jason Duff (left) and Jamie Alfieri (right) were selected after careful review of all submissions by a committee of ICPS faculty. Each student will receive a summer research stipend of \$4,000 to further their graduate studies.

# TECHXPO

## 2015 Techxpo Proposals Due May 10

The 2015 Eagle Techxpo is set for Oct. 16, but proposals for info sessions are due by Sunday, May 10. To present a session on how you use technology in the classroom face-to-face or online, fill out the Conference Session Proposal form. Sessions are scheduled for 50 minutes with topics ranging from the use of a specific product such as Folio or iClickers, to subjects such as flipping the classroom or using publisher content to enhance courses. Student-led presentations and student-faculty collaborative sessions are also encouraged.
