## Pirates Looking For "Best Of

As head coach Griff Mills embarks on his 10th season at the helm of the Pirate men's basketball program, the pieces are in place to make this season the "Best of the Decade" for Armstrong Atlantic State University.

Last season, the Pirates entered an early January home game against defending Peach Belt champion Lander University with a 4-9 record and riding a five-game losing streak. After an emotional 76-65 win over the Senators, the Pirates went on to win 12 of their last 16 games of the season and advance to the Peach Belt Conference Tournament championship game.

For coach Mills and the Pirates, all five starters from last season's squad - and 10 players total - return for the 2000-2001 campaign with an eye on unfinished business. AASU aims to take the momentum built late last season and ride into the NCAA Championships.

The ride begins with the 1999-2000 Peach Belt Conference Player of the Year, **Robert Campbell** (6-2, Sr., Hinesville, Ga.). Campbell became the Pirates' first conference player of the year by leading the team in scoring (15.0

ppg) and leading the team and conference in assists (167) and steals (92). The Bradwell Institute product also earned All-Region honors from *Daktronics* and the NABC and was tabbed as a fourth-team All-America by the *DII Bulletin*, the first All-America honors for an Armstrong Atlantic State basketball player since Tommy Blackshear earned All-America honors from the NABC in 1983-84. Campbell, forced to move from the two-guard position to point guard in the middle of last season because of injuries, will be counted on to provide leadership at both guard positions in his senior season. One of only 11 players to score over 1,000

points for the Pirates, Campbell is on pace to break school records for games played and steals and with another season like last, become the third leading scorer all-time at AASU.

Senior Robert Campbell has been named preseason All-America by *DII Bulletin*, *Preview Sports Magazine* and *Street & Smith's*.

The other fourth-year senior on the squad for the Pirates this year is **Tavares Brown** (6-3, Savannah, Ga.). The Pirates' starting small forward heading into last season, Brown took over the two-guard position and manned it capably, earning All-Peach Belt Tournament honors while averaging 8.6 points and 4.4 rebounds per game. This season Brown should be another staple in the starting lineup, at guard and small forward, and the Jenkins High School product also has a chance to break into the AASU record books in games played and rebounds with another fine season.

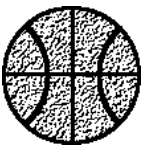

Junior David Koncul has connected on 43.3 percent of his career three-point attempts, fourth best in school history.

The Pirates led the conference in three-point percentage and ranked 31st in the NCAA in shooting from beyond the arc, mostly through the efforts of **David Koncul** (6-5, Jr., Savannah, Ga.) and **Mick Jordan** (5-9, Jr., Sarasota, Fla.). Koncul became the starting small forward for the Pirates last season, averaging 12.3 points per game, and responded with one of the finest three-point shooting seasons ever for a Pirate, knocking down 71 of 156 treys (45.6 percent) to rank third in the conference and 26th in NCAA Division II.

In just two seasons with the Pirates, Koncul already ranks fifth all-time in three-point shots made. Jordan, the primary backup to Campbell at point guard, also saw time at shooting guard and hit 53 of 127 three-pointers, good for fifth in the conference.

The frontcourt for the Pirates boasts two returning starters in power forward **Greg Favors** (6-5, Sr., Pearson, Ga.) and center **Cyrille Mainnemarre** (6-10, Sr., Aix-en-Provence, France). Favors led the Pirates in rebounding with 8.7 per game after joining the squad as a junior college transfer from Otero Junior College and ranked in the top 10 in the conference in rebounding and field goal percentage. Mainnemarre, also a transfer, struggled during the first half of the season but hit his stride in conference season, averaging 13.8 points during league games and finishing the season leading the Peach Belt in field goal percentage, hitting 62 percent of his shots.

## The Decade" For Coach Mills

Depth in the frontcourt will be in the capable hands of forwards **Bart Westgeest** (6-9, Jr., Wassenaar, The Netherlands) **Gabriel Bata** (6-4, Soph., Paris, France) and **Conrad Hill** (6-5, Soph., Roswell, Ga.). Westgeest averaged 2.5 points and 2.4 rebounds a game after transferring to AASU from Wichita State while Hill played in 18 games as a freshman. Bata joined the team in January and saw action in 12 contests. All three will provide quality minutes in relief of Favors and Mainemarre.

The backcourt welcomes back three more returnees in point guard **Joel Lecoouvre** (5-11, Soph., Suwanee, Ga.), shooting guard **Brian Hobbs** (6-1, Soph., Loganville, Ga.) and redshirt **Paul Reeves** (6-1, Fr., Savannah, Ga.). Lecoouvre was handed the starting point guard job in the fifth game of the season at Savannah State, but sustained a season-ending knee injury. Lecoouvre is back to provide depth at the point guard position. Hobbs gives the Pirates another long-range shooting threat off of the bench and Reeves, who played at nearby Windsor Forest HS, can play both guard spots.

Three newcomers join the Pirates for the 2000-2001 season, led by guard **Donta Humphries** (5-10, Jr., Statesboro, Ga.), a two-year starter for Georgia Southern University who transfers to the Pirates after ranking third in the Southern Conference in assists and seventh in steals. The Statesboro High School standout was the Eagles' starting point guard for both of his years at GSU and will immediately compete for a starting spot in the Pirates' backcourt.

*Junior Donta Humphries averaged 6.8 ppg, 2.1 rpg and 5.1 apg as a sophomore, helping Georgia Southern to a 16-12 overall record.*

Guard **Justin Wood** (6-0, Fr., Midland, Mich.), a walk-on from Midland HS, and **Sam Bruni** (6-0, Soph., Woodstock, Ga.), a transfer from Green Mountain College in Vermont, round out the Pirate newcomers.

AASU will have an early opportunity to measure itself with the best competition in the land in 2000-2001 as the Pirates travel to Walt Disney World in Orlando, Fla., for the Disney Division II Men's Basketball Tipoff Classic on Nov. 10-12 at the Walt Disney Wide World of Sports

Complex. The tournament features eight of the elite men's basketball programs in the nation and the Pirates will face Bentley College in their opener on Fri., Nov. 10 at 1:00 p.m.

Following the Tipoff Classic, AASU has home-and-home series with rivals Valdosta State and Savannah State scheduled for this season, as well as games against regionally-ranked teams from the SAC as both Wingate and Presbyterian come calling at Alumni Arena. Non-conference games with Clark Atlanta and Lenoir-Rhyne also dot the schedule and the Pirates will open their home schedule on Sat., Nov. 18 at 4:00 p.m. against Claflin.

For the first time in school history, the Pirates have been picked by the Peach Belt coaches to capture the conference title. AASU garnered 10 of 12 first-place votes and 120 points in the annual preseason poll of the league's head men.

With his 13th win this season, head coach Griff Mills will pass Bill Alexander and become the Pirates' all-time winningest men's basketball coach. The pieces are in place for coach Mills to get those wins and many more as the Pirates seek to return to the NCAA Championships.

*Senior Tavares Brown has played in 86 games in three seasons for the Pirates and is averaging 9.1 points for his career at AASU.*

## Griff Mills Head Men's Basketball Coach

Head coach Griff Mills enters his 10th season at the helm of the Armstrong Atlantic State men's basketball program, on the verge of becoming the school's winningest coach and longest-tenured tactician in 2000-2001. A lot has changed, both with the Pirate program and at the school since Mills, a fresh-faced assistant straight out of graduate school, was named the interim head coach in the middle of a tumultuous 1991-92 season, but the "Griff Mills" style and coaching philosophy has not - work hard, play hard and you will be successful, both on the court and off.

Mills and the Pirates have continued to make inroads not only in the Peach Belt Conference but in the Savannah community. The AASU men's basketball team is synonymous in the low country with dedication, to the school, the community and to the team. Whether it be volunteer efforts with the Special Olympics and the "Reading Pirates" program or opportunities for youngsters to learn about the game of basketball through the Junior Pirate Basketball League or the Griff Mills Summer Basketball Camps, people know the positives that AASU basketball and coach Mills have brought to the Savannah area.

This year, the Pirates have the opportunity to have a very successful year as Mills returns all five starters from last season's squad, including preseason All-America and 1999-2000 Peach Belt Conference Player of the Year Robert Campbell, that went 16-13 and advanced to the Peach Belt Conference tournament championship game - the second such trip for the Pirates in the last three seasons.

When Mills was named the Pirates' head coach during the 1991-92 season, he was the youngest head coach in the NCAA regardless of division. Coming to AASU from East Carolina University, where he served as an assistant under his former college coach, Mike Steele, Mills has since posted a 136-111 mark (.551) in nine seasons, the second-best coaching numbers in Pirate history. With 13 wins this season, he will pass Bill Alexander as the all-time winningest coach in Pirate history and his 10th season will match Alexander for the most seasons coached at AASU.

A native of Terre Haute, Ind., Mills played collegiately at DePauw University in Greencastle, Ind., leading the Tigers to three NCAA Division III National Championship appearances and an 87-23 record in four seasons.

Mills earned his Bachelor's degree in economics from Depauw in 1988 and his Master's degree in physical education from East Carolina in 1990.

Coach Mills is active in Immanuel Baptist Church with his wife, the former Tybe Moore, and three daughters, Maddie (age 7), Gracie (age 5) and Olivia (age 2).

## What They're Saying About Coach Mills

"Griff Mills is a great influence on and off the basketball court. Whether its coaching his team or children at a basketball camp, or as a husband and father, he stands tall."

*Larry Williams  
Pastor, Immanuel Baptist Church*

"I have known Coach Mills for many years now. Coach Mills is an outstanding tactician. However, his greatest strength is his ability to motivate and inspire a group of individuals to come together for a common goal.

He has a unique passion for the game equal only to his passion for people. As a player, you can always feel that.

One thing is for sure. When you play for Coach Mills, you get an outstanding and passionate coach for four years, but more importantly, you get a friend for life!"

*Heath Schroyer  
Assistant Basketball Coach, BYU*

"Coach Mills has been a pillar of strength for more than a decade. He coaches and lives his life by example:

1. Spirituality
2. Family
3. Academics
4. Athletics
5. Community = Success.

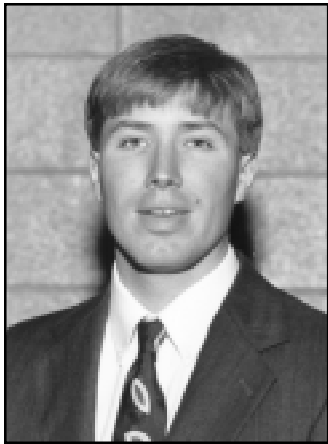

Your best friend, Stan.

*Stanley J. Simpson III*

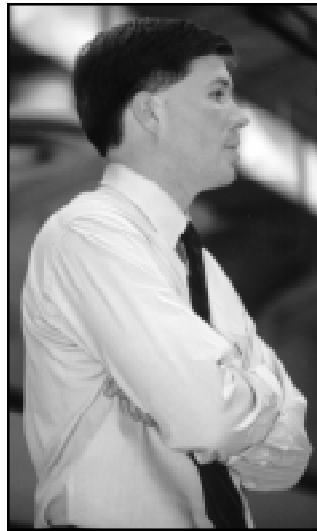

"The best thing Griff Mills has done is to turn AASU back into a local program, with local players and growing local interest. That takes time and effort and Griff has put in both."

*Tim Guidera  
Columnist, Savannah News Press*

**1991-92:** Assistant coach Griff Mills becomes head coach in the middle of a 16-12 season, and at age 26 is the youngest head coach in the NCAA, regardless of division.

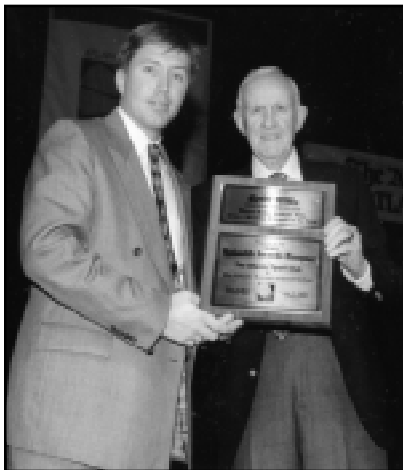

**1997-98:** Head coach Griff Mills records his 100th career coaching victory in AASU's 75-74 win over Clayton State on Feb. 17, 1998, the Pirates' final game of the regular season.

In his 10th year at the helm of the Pirates, head coach Griff Mills has instilled a sense of community, integrity and values that has become synonymous with Armstrong Atlantic State men's basketball.

As Mills has built this program to the height of regional prominence and has them on the verge of realizing national prominence, so, too, has the coach changed from the second assistant coach in the middle of the 1991-92 season to one of the most respected coaches in the nation. This page serves as a tribute to the decade that Griff Mills has been involved with Armstrong Atlantic State and the Savannah community.

**1991-Present:** Of the 31 players who completed their college eligibility under Coach Mills at AASU, 28 have received their college degrees or are completing coursework towards their degree. **1996-97:** Mills starts the Reading Pirates program, which encourages reading and allows each individual teacher to set appropriate goals for their individual classes. The effort was noted locally with a nomination to the JC Penney Golden Rule Award reception by the community.

## John Marhefka Assistant Coach

John Marhefka returns to Savannah for the 2000-2001 season as the Pirates' assistant coach. A former member of the AASU coaching staff, Marhefka has spent the last two seasons as an assistant coach at Grove City College, an NCAA Division III school in Grove City, Pa. With the Wolverines, Marhefka helped Grove City College and head coach Steve Lamie to the 1998-99 President's Athletic Conference championship.

A native of Medina, Ohio, Marhefka's first stint on the Pirate coaching staff came from 1996-1998 as a graduate assistant for Coach Mills. Prior to his first stint in Savannah, Marhefka was a four year letterwinner at Hiram College in Hiram, Ohio, where he helped the Terriers to finish as high as third in the Ohio Athletic Conference, fifth in the Great Lakes Region and earn a Top 20 ranking in the NCAA Division III poll. He also coached high school for three seasons in his home state of Ohio in between his playing days and joining the Pirates - heading up Shaker Heights HS from 1993-95 and Buckeye Senior HS from 1995-96.

John and his wife, Beth, currently reside in Savannah, Ga.

## Steve Ray Graduate Assistant Coach

Steve Ray joins the Armstrong Atlantic State men's basketball staff in 2000-2001 as a graduate assistant coach. Just a season removed from a stellar two-year career for the Pirates that saw the Mount Vernon, Missouri, native knock down a school-record 163 three-pointers, Ray spent the 1999-2000 academic year earning his bachelor's degree in English communications.

Ray's playing career took him from Penn Valley CC in Kansas City, Mo., where he helped the Scouts to the 1995-96 NJCAA National Championship, to the Pirates, where he set AASU marks for three-point shooting, hitting 163 of 379 shots (43%). At Penn Valley, Ray was a two-time first-team All-Region selection and earned NJCAA All-Tournament and Academic All-America honors. While at AASU, Ray was the 1999 President's Cup award winner, given to the top Pirate student-athlete. Last season, Ray also coached the Savannah Country Day's seventh-grade boys basketball squad.

Ray will assist the AASU coaching staff in all aspects of the basketball program and will also be responsible for the Junior Pirate developmental basketball league. He will also be starting work on his Master's degree in public health.

## Mario Anderson

### *Student Assistant*

Following a terrific playing career at AASU, Mario Anderson begins his second season as a student assistant coach for the Pirates. Anderson aids the AASU coaching staff during the offseason of his professional league in Australia.

Anderson, a Savannah native, proved to be one of the best players in the Peach Belt Athletic Conference his senior season (1997-98), leading AASU to the PBC tournament championship.

Mario's duties in 2000-2001 will include helping with the development of the guards and forwards as well as charting offensive sets for the Pirates from the bench this season.

# ***This Is Armstrong Atlantic***

**S**ince its founding in 1935, Armstrong Atlantic State University has continued to develop to meet the Savannah community's educational needs. From its first location in Armstrong House in downtown Savannah to its current home on a scenic 250-acre lot off of Abercorn, the university has become one of the finest educational institutions in the South-eastern United States.

Armstrong Junior College was established by the Mayor of Savannah and other public officials in 1935. Housed in the beautiful and historic Armstrong House, a gift to the city from the family of George F. Armstrong, Armstrong Junior College grew over the years to occupy eight additional buildings in the Forsyth Park and Monterey Square areas.

In 1959, as Armstrong College of Savannah, it became a two-year unit of the University System.

The Board of Regents conferred four-year status on Armstrong in 1964 and the college moved to its present 250-acre location, a gift from Donald Livingston and the Mills B. Lane Foundation, in December of 1965. Additional buildings joined the eight original structures as Armstrong added professional and graduate programs and tripled in size.

In July of 1996, the Board of Regents voted to rename the college to Armstrong Atlantic State University to reflect its mission and identity. The university's reputation of excellence is still evident in its dedication to students, with a supportive environment.

AASU was fully accredited as a senior institution by the Southern Association of Colleges and Schools in December, 1968, with accreditation retroactive to January 1, 1968, and was last reaccredited in December, 1992.

The university offers over seventy-five academic

programs and majors in its School of Arts and Sciences, School of Health Professions and School of Education.

The academic community includes approximately 5,600 students and more than 250 faculty members. Enrollment has more than doubled in the last decade, from 2,740 students in 1987 to its current number.

Across campus, evidence of the university's growth can be found in its facilities. A Fine Arts Center, including a 1,000 seat theatre/auditorium, the Health Professions Building and an academic computing center are recent completed buildings, along with 84,400 square foot University Hall, built to make room for a student population of 8,000. A new 115,000 square foot, \$28 million dollar science building is currently under construction on campus as well.

The athletic department of Armstrong Atlantic State University is housed in the Armstrong Sports Center, completed in 1995. The Sports Center includes offices for the physical education department, training room and weight room areas, basketball courts, indoor track and offices for coaches and athletic department personnel. The building played host to the Peach Belt Conference's basketball tournament in 1998 and 1999. AASU sponsors nine intercollegiate sports and is a charter member of the Peach Belt Conference, formed in 1991.

Continuing a mission begun in 1935, Armstrong Atlantic State University today serves a rich gamut of traditional and non-traditional students. Sixty percent of AASU's student body are from the Savannah-Chatham area, while others come from around the state, nation and world. All have come to Savannah to experience and thrive on the campus of one of the fastest developing higher learning institutions in the nation - all have come to be a part of Armstrong Atlantic State University.

# Disney Division II TipOff Classic

Disney's Wide World of Sports complex encompasses nine athletic venues and over 30 different sports. The 5,500 seat fieldhouse will host the 2000 Disney Division II Men's Basketball TipOff Classic from Fri., Nov. 10 to Sun., Nov. 12.

FOR IMMEDIATE RELEASE 3-16-00

## AASU To Compete In Disney 2000 Division II TipOff Classic

SAVANNAH, Ga. – The Armstrong Atlantic State men's basketball team, coming off of its appearance in the PBC Tournament championship game just two weeks ago, has been selected to compete at the prestigious 2000 Disney Men's Division II Tip-Off Classic to begin the 2000-2001 basketball season.

The Pirates will be one of eight teams competing in the classic from Friday, November 10 to Sunday, November 12. This will be the fourth year of the classic, sponsored by the Division II Commissioner's Association and Disney's Wide World of Sports.

Last year, the Peach Belt sent Lander University and the Senators lost to Charleston (W.Va.) in the championship game by two points, 65-63. The trip will be the first for the Pirates to the Classic.

The field includes two teams ranked in the March 6 NCAA Division II National Rankings – No. 19 Wayne State (Neb.) and No. 24 Northern Kentucky, as well as perennial powerhouses Pittsburg State (Kan.) and Bentley (Mass.). St. Joseph's (Ind.), Southwestern State (Minn.) and Orlando-based Rollins round out the field.

"I think it shows that our conference has a lot of respect for our kids that are coming back next year," AASU head coach Griff Mills said. "For us to get to go and participate in a tournament that has eight of the better teams around the country in it, it'll be a challenge- but it'll be exciting."

### Disney DII TipOff Classic Schedule

#### Friday, Nov. 10

- 1 p.m. -- AASU (16-13) vs. Bentley (17-11)
- 3:30 p.m. -- Northern Ky. (26-7) vs. Wayne St. (26-6)
- 6 p.m. -- Pittsburg State (16-13) vs. Rollins (17-10)
- 8:30 p.m. -- St. Joseph's (8-18) vs. SW State (18-10)

#### Saturday, Nov. 11

Consolation and championship semifinals.

#### Sunday, Nov. 12

Championship game and games for third, fifth and seventh place.

### Division II TipOff Classic History

The Disney Division II TipOff Classic, in its fourth year of existence, originated at the Disney's Wide World of Sports complex in 1997.

Created by the Division II Commissioner's Association to help promote and publicize DII Men's Basketball on a nationwide scale, the inaugural tournament featured many close games, including the tournament championship, which Southern Indiana won by two points. In 1998, Kentucky Wesleyan captured the TipOff Classic title with an 80-69 win over Washburn and last year, Charleston took the title.

The Peach Belt has had three representatives in the four-year history of the tournament. AASU makes its debut in the Classic this season, while Columbus State finished runner-up in the 1997 Classic and Lander finished runner-up last year.

# Peach Belt Conference

The Peach Belt Conference concludes its first decade of competition this season as the 2000-2001 athletic year marks the 10th season.

In its short history the league has established itself as one of the premiere Division II conferences in the country.

The 1999-2000 season was no exception with Lander University bringing home its eighth consecutive NCAA Division II men's tennis national championship and Kennesaw State University advancing to the NCAA Division II softball finals.

Peach Belt schools have now won 19 national championships and finished second 13 times in the past five years.

The seven charter members were

Armstrong State College, Columbus College, Francis Marion College, Georgia College, Lander College, The University of South Carolina at Aiken, and The University of South Carolina at Spartanburg. The name Peach Belt Athletic Conference was adopted in January, 1990, then modified in the summer of 2000 with the dropping of the word 'Athletic' to its current name, the Peach Belt Conference.

Augusta College applied and was accepted in November, 1990, with the effective date of membership on July 1, 1991. Another college joined the Peach Belt on July 1, 1992, when Pembroke (N.C.) State University officially became a member. Kennesaw State University located in Marietta, GA, became the tenth full member of the conference on July 1, 1994. The league accepted its 11th member when Clayton State College, located in Morrow, GA., was accepted in June 1995.

Armstrong Atlantic State has fared very well in the Peach Belt, capturing conference championships in baseball, men's basketball, men's and women's tennis and last year adding its first-ever softball conference championship. Last season also saw four of the conference's Players of the Year come from Armstrong Atlantic State: Kris Bringewatt (volleyball), Robert Campbell (men's

### Ike Williams

Ike was selected to the Associated Press All-America 1st Team following his senior season. Williams is the only Pirate to ever be selected to a 1st Team All-America team.

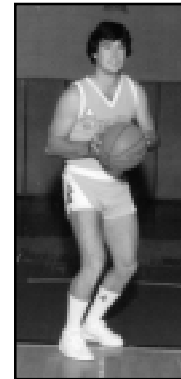

With a history as long as the existence of basketball at Armstrong, the Dearing Cup has become a symbol among the Pirate faithful for dedication, preparation and execution on the basketball court. Named for longtime Savannah and Armstrong Atlantic State basketball supporter Ashley Dearing, the Dearing Cup is awarded to the AASU player with the best free throw percentage each season. Below are listed the winners of the Dearing Cup - an award that has been given each of the past 46 years.

Last year, sophomore David Koncul hit 61 of his 74 free throw attempts for a team-best .824 percentage to capture the Dearing Cup. Koncul even hit 14 of 14 in one contest, AASU's 83-75 win at North Florida, one of Division II's best single-game free-throw performances last season.

Historic Savannah, Georgia, is located on the Atlantic Coast, at the confluence of the Savannah River and the Atlantic Ocean. Throughout its history, there has been one adjective consistently used to describe Savannah: beautiful.

The reason? There's something about the unique beauty of Savannah that cannot be forgotten. Streets with canopies of moss-laden trees are honored venues for scores of historic homes. The town squares that Savannah's founding father, James Oglethorpe, laid out as public meeting places are now treasured "pocket parks" located throughout the downtown area.

A renovated waterfront area serves as the hub for shopping and entertainment. Nearby sandy beaches draw streams of visitors with persistent cool breezes and the endless lure of the rolling sea. Finally, there's an indescribable - but readily discernible - feeling in the air that pervades Savannah, a kind of "laid back" approach to the world, a "rootedness" that makes living or working in Savannah an experience second to none.

By way of affirmation, *Le Monde*, the leading French newspaper, called Savannah "the most beautiful city in North America."

Savannah has recently captured the imagination of a nation through its history and its appearance in several feature films, including "Glory," "Forrest Gump," "Something to Talk About," "Midnight In The Garden of Good and Evil" and the upcoming fall film "The Legend of Bagger Vance" starring Will Smith and Matt Damon. Also, Savannah hosted the yachting events of the 1996 Summer Olympics. As a result, tourism has become one of the leading industries in the area.

Savannah hosts over six million tourists each year. Tourism impacts the Savannah area by over \$634 million. The city boasts over 7,000 rooms and more than 100 restaurants as folks have

learned that Savannah is more than just a convenient rest stop on the interstate to Florida.

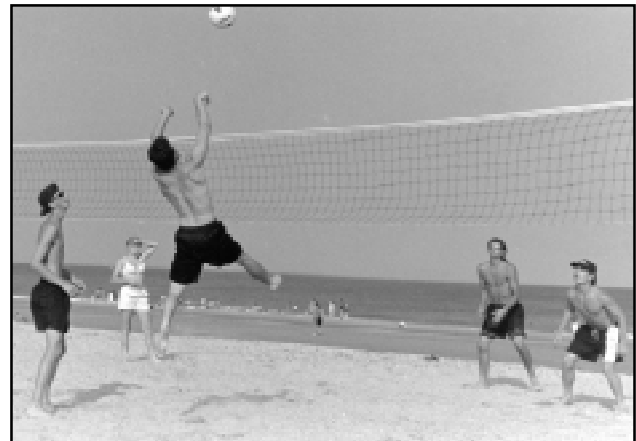

The climate of Savannah features warm, and sometimes hot, weather for most of the year. There are seven months in which the average temperature is 70 degrees or higher. The lowest average high is in January at 60.3 degrees.

The population in Savannah is roughly 130,000 and Chatham County is the fifth most populous county in the state of Georgia.

Savannah also sits centrally located to some of the southeast's finest beaches. Tybee Island, located less than 30 minutes from Armstrong Atlantic State's campus, offers six miles of unspoiled sands, tempting seafood and gracious accommodations. Resort areas such as Hilton Head, South Carolina, are less than one hour away and provide even more

relaxing getaway options.

Whether it's the lure of historical settings, the friendliness of a southern community or the beautiful climate of southeast Georgia, Savannah is the place for you.
