ABOUT THE COLLECTION

Administrative History: The collection documents the agricultural programs in Bulloch County High Schools, spanning 1936 to 1977. Four participating high schools are documented: Brooklet High School, Stilson High School, Nevils High School and Southeast Bulloch High School. In the 1960s, the high schools combined to form Southeast Bulloch High School.

Scope and Content: This collection consists of a variety of materials from the four schools that were consolidated into Southeast Bulloch High School. The bulk of the materials span 1947 to 1955 and include administrative records, correspondence, instructor materials, textbooks, student work, and publications of state and national agricultural organizations.

System of Arrangement: This collection is separated into 12 boxes and the items are generally labeled with the respective schools they are from. The items are mainly school records and agricultural programs and they are listed with the years they were created.

Acquisitions Info: Gift of Allen Waters and Southeast Bulloch High School, 1992.
