MSME Graduate Student Selected for ASME Collegiate Council

September 13, 2018

Angelika Ouedraogo, a graduate student in the MSME program, was selected to **ASME's Petroleum Division's Collegiate Council**. The Collegiate Council consists of 14 students from universities in North America and Mexico. As members of the Collegiate Council, students are able to learn more about the Oil and Gas industry, network with professionals, and interact with other students who share similar interests. More information about the current council can be found [here](#).
