Congrats to our Annual Pass winner, Brooks Nichols, from our Birthday Week celebration last week! Thanks to all of our patrons who visited us during Birthday Week and took advantage of our great deals!
A golf handicap levels the playing field so someone who has played for years can play against someone who has just started. Having a handicap allows you to accurately compare scores between golfers of different experience levels while tracking your scores and improving your game!

Get your handicap at the pro shop today. Memberships are just $20 for juniors and $30 for adults, and are good through December 2020.
