# Honors Living Learning Community Move-In Information

August 3, 2016

The Honors LLC Operation Move-In is Thursday, August 11 from 9:00 a.m. to 12:00 noon at Centennial Place 2. See the map below for directions to Centennial Place 2. ([Click here for a larger, printable version of the map.](#)) Students will report to CP 2 to get their room key and to move their stuff in. Blue rolling bins will be available to make the process easier and staff will be available to answer questions. Meal plans will not activate until Friday, August 12, but all students living in CP2 will receive a ticket for dinner at the Dining Commons for Thursday evening (guests are welcome to purchase a meal there). There are mandatory floor meetings at 7:00 p.m. followed by an Honors LLC social at 8:00 p.m. that night. A full day of activities welcomes all new Honors Program first-year students on Friday. These activities are **MANDATORY** for all incoming Honors Program students whether or not they live on campus.

The image shows a map of the Georgia Southern University campus with a red route for 'Operation Move-In'. Key buildings labeled include IF Building, South Building, Nursing/Chemistry Building, Forest Dr Building, Health Services, Lakeside Dining Center, and Performing Arts Center. A blue star on the map indicates the Centennial Place parking lot on Chandler Road. Below the map, a sign lists instructions for arrival and includes a 'Work Orders' section with the URL [GSUHousing.com/workrequest](http://GSUHousing.com/workrequest). A cartoon duck mascot is also present.

**To make your arrival easier we ask that you...**

- Use tape and marker to label your belongings with your room number. This will assist the move-in volunteers with knowing where to deliver your items.
- Only unload items at a location designated by a platform on the grass. Unloading at an earlier spot puts you farther away and increases the likelihood of exhaustion for you and our volunteers.
- Come prepared to move in your own belongings. We have Honors students who volunteer to assist you; however, we cannot guarantee that volunteers will move all of your items.
- Move your vehicle to the Centennial Place parking lot (marked with a ) on Chandler Road as soon as possible when you are finished unloading.

**Work Orders**  
(once you've moved in)  
If you need to submit a work order to change or repair something in your room, please visit:
