   Maximum Number of Credit Hours: 3
   Grading Mode: Normal

2. Create the following course:
   MUSC 1210 Aural Skills I 0-2-1
   Co-requisites: MUSC 1200, MUSC 1230
   Description: Introduction to the principles of the solfege system for sight singing, and dictation of musical patterns found in common practice (rhythmic, melodic,
and harmonic). Must be completed with a grade of C or better in order to continue in the theory/keyboard harmony sequence.

Rationale: Currently, aural skills are folded into the theory classes. Often students are skilled in one area, but not both. By creating a separate class, student needs can be addressed more specifically. Also, a student may repeat the class that is problematic without having to rehash both areas. This also would aid in accommodating transfer students. This is a common practice solution at many universities that are NASM accredited.

Effective Term: Fall 2013

3. Create the following course:
MUSC 1230 Keyboard Harmony I 0-2-1
Prerequisite: Music major status or permission of instructor or department.
Co-requisites: MUSC 1200, MUSC 1210
Description: Introduction to keyboard techniques, focusing on reinforcement of theoretical concepts covered in MUSC 1200, Foundations of Music Theory, and MUSC 1210, Aural Skills I. Must be completed with a grade of C or better in order to continue in the theory/keyboard harmony sequence.

Rationale: Created to have a piano class with a similar numbering scheme to MUSC 1200 and 1210. Eliminates the repetition of the MUSC 1130 course number, providing numerical, sequential clarity for the courses.

Effective Term: Fall 2013

CURCAT:
Major Department: Art, Music & Theatre
Can Course be repeated for additional credit? NO
Maximum Number of Credit Hours: 1
Grading Mode: Normal
Instruction Type: Lab
Course Equivalent: MUSC 1130

4. Create the following course:
MUSC 1500 Diatonic Music Theory 3-0-3
Prerequisites: MUSC 1200, MUSC 1210, and MUSC 1230
Co-requisites: MUSC 1510, MUSC 1530
Description: This course focuses on diatonic harmony, four-part style writing, and structural analysis, building on the concepts and principles covered in MUSC 1200, Foundations of Music Theory. Must be completed with a grade of C or better in order to continue in the theory/keyboard harmony sequence.

Rationale: This course would cover material currently addressed in the second half of MUSC 1111 and MUSC 1112. With a strong foundation established in MUSC 1200, this three-credit class would cover all of diatonic harmony in one semester rather than spreading it over two.

Effective Term: Fall 2013

CURCAT:
  Major Department: Art, Music & Theatre
  Can Course be repeated for additional credit? NO
  Maximum Number of Credit Hours: 3

5. Create the following course:
   MUSC 1510 Aural Skills II 0-2-1
   Prerequisites: MUSC 1200, MUSC 1210, and MUSC 1230
   Co-requisites: MUSC 1500, MUSC 1530
   Description: Techniques using the principles of the solfege system for sight singing diatonic melodies, and dictation of musical patterns found in common diatonic practice (rhythmic, melodic, and harmonic). Must be completed with a grade of C or better in order to continue in the theory/keyboard harmony sequence.

Rationale: This is the second aural skills course in the theory sequence.

Effective Term: Fall 2013

MUSC 1530 Keyboard Harmony II 0-2-1
Prerequisites: MUSC 1200, MUSC 1210, and MUSC 1230; or permission of instructor or department.
Co-requisites: MUSC 1500, MUSC 1510
Description: Exploration of keyboard techniques, focusing on reinforcement of theoretical concepts covered in MUSC 1500, Diatonic Music Theory, and MUSC 1510, Aural Skills II. Must be completed with a grade of C or better in order to continue in the theory/keyboard harmony sequence.

Rationale: Created to have a piano class with a similar numbering scheme to MUSC 1500 and 1510. Eliminates the repetition of the MUSC 1130 course number, providing numerical, sequential clarity for the courses.

7. Create the following course:
MUSC 2100 Chromatic Music Theory 3-0-3
Prerequisites: MUSC 1500, MUSC 1510, and MUSC 1530; or permission of instructor or department.
Co-requisites: MUSC 2110, MUSC 2130
Description: Focuses on the principles of chromatic harmony, its implications for modulation and structural design. Must be completed with a grade of C or better in order to continue in the theory/keyboard harmony sequence.

Rationale: Chromatic harmony would cover material from MUSC 2111 and 2112, minus the chapters addressing form and post-tonal music. Form is a required upper-level theory class, and the new post-tonal theory class would address the other omission.

Effective Term: Fall 2013

8. Create the following course:

Prerequisites: MUSC 1500, MUSC 1510, and MUSC 1530
Co-requisites: MUSC 2100, MUSC 2130
Description: Techniques using the principles of the solfege system for sight
inging chromatic melodies, and dictation of musical patterns found in common
chromatic practice (rhythmic, melodic, and harmonic). Must be completed with
a grade of C or better in order to continue in the theory/keyboard harmony
sequence.

Rationale: This is the third class in the aural skills course sequence.

Effective Term: Fall 2013

9. Create the following course:
MUSC 4220 Post Tonal Music Theory 2-0-2
Prerequisites: MUSC 2100; MUSC 2110; MUSC 2130; or permission of
instructor or department.
Description: Principles of post tonal music theory, incorporating Twentieth
Century explorations for organizing elements of harmony and sound, and their
implications for modulation and structural design. Must be completed with a
grade of C or better.

Rationale: The creation of this course content permits the department to address a
content standard supported by the National Association of Schools of Music, focusing
only on the exploration of post-tonal music theory principles and concepts found in
the Twentieth Century. The creation of this course content as a separate entity permits
the department to focus on its content more intensely and appropriately as an upper
division course, providing students an additional option for elective credit.

Effective Term: Fall 2013

CURCAT:

   MUSC 2111 Intermediate Music Theory I  
   MUSC 2112 Intermediate Music Theory II  
   MUSC 2240 Class Guitar  

Rationale: The content covered by MUSC 1111, MUSC 1112, MUSC 1130, MUSC 2111, and MUSC 2112 is now covered by MUSC 1200, MUSC 1210, MUSC 1230, MUSC 1500, MUSC 1510, MUSC 1530, MUSC 2100, MUSC 2110, MUSC 2130, and MUSC 4220. The course content covered in MUSC 2240, Class Guitar, can be covered by MUSC 1300, applied guitar.

Effective Term: Fall 2013

11. Delete the following course:
   THEA 5510U Film and Literature 3-0-3  

Rationale: This course was not properly created; the G portion never appeared on the GCC agenda for approval. Theater students may still take the equivalent cross-listed course, FILM 5510U/G, so there is no need for this course.

Effective Term: Fall 2013

12. Modify the following course:
   MUSC 2130 Advanced Keyboard Harmony  
   **Keyboard Harmony III** 0-2-1  
   Prerequisite: MUSC 1130  
   Prerequisites: MUSC 1500, MUSC 1510, and MUSC 1530; or permission of instructor or department.  
   Co-requisites: MUSC 2111 or MUSC 2112  
   Co-requisites: MUSC 2100, MUSC 2110  
   Keyboard techniques which reinforce theoretical concepts covered in MUSC 2111, MUSC 2100, Chromatic Music Theory, and MUSC 2110, Aural Skills III, including those skills needed to fulfill the piano proficiency exam. Must be completed with a grade of C or better in order to continue in the theory/keyboard harmony sequence.

Rationale: The modification of the pre-requisites and co-requisites for this course permit the department to further clarify the alignment of the theory course numbering sequence.

15. Modify the Minor in Music  
Music .............................................................................................................. 18 hours  
MUSC 1100, 1111, 1200, 1210, 1230  
Three semester hours from: MUSC 1112, 1130, 1300, 1400, 1500, 1510, 1530, 2520, 3520, 3530, 2540, 3540, 2550, 3550, 2560, 3560, 3570, 3580  
Nine Seven semester hours from: MUSC 3710, 3720, 4160, 4200, 4210, 4420, 4250, 5430 or any other upper division music course  
NOTE: Nine semester hours must be 3000-level or above.

Rationale: Courses in music theory/aural skills and keyboard form a foundation for many of the courses in the various music degree programs. The strength of these areas is an important factor in our accreditation by the National Association of Schools of Music. Student success in these courses is an important factor in retention. The department wishes to increase the instructional time available for portions of the material in these areas. Development of aural skills is currently included in the same courses as the written theory material. We will establish a separate aural skills sequence and increase the class time available for the written theory material. Separating the aural skills and written theory courses will also facilitate staffing, as many faculty members are more comfortable with teaching one aspect of the material. These changes will reinforce other recent changes that include a theory tutoring system, a group of upperclass mentors for freshman majors and a team-teaching experiment in the current freshman theory class.

### B. Criminal Justice, Social, and Political Science

*Items 1-2 from the Department of Criminal Justice, Social, and Political Science were discussed and approved by the committee. They are being submitted to the Faculty Senate for approval.*

1. **Modify the following course:**
   SOC 3510 – Gender, Violence and Society
   3-0-3

   **Prerequisite: SOC 1101 or GWST 1101**
   An overview of gender-based violence domestically and internationally. Students will analyze the political and cultural structures that perpetuate gendered violence, and explore how gendered violence intersects with race, class and sexuality. Crosslisted with GWST/CRJU 3510.

   **Rationale:** Course focus and prerequisites do not align with Criminal Justice. As an upper-division course, students are better prepared having completed an undergraduate course that teaches the fundamental concepts. Because the course focus and prerequisites do not align with Criminal Justice, its cross listing with Criminal Justice should be removed.

   **Effective Term:** Fall 2013

**CURCAT:**
- Major Department: Criminal Justice, Social and Political Science
- Can Course be repeated for additional credit: No
- Maximum number of credit hours: 3
- Grading Mode: Normal
- Instruction Type: Lecture
- Cross-listed with: GWST 3510, CRJU 3510
- Course Equivalent: GWST 3510, CRJU 3510
2. Delete the following course:
   CRJU 3510 – Gender, Violence and Society 3-0-3

   Rationale: Course focus and prerequisites do not align with Criminal Justice.

   Effective Term: Fall 2013

C. Economics (no items)

D. Gender and Women's Studies

Items 1-4 from the Gender and Women’s Studies Program were discussed and approved by the committee. They are being submitted to the Faculty Senate for approval.

1. Delete the following: (pg 180)
   Undergraduate Certificate in Gender and Women’s Studies

   Rationale: The GWST program is no longer offering the undergraduate certificate because a major and minor are available.

   Effective Term: Fall 2013

2. Modify wording in description of Gender and Women’s Studies Program: (pg 179)

   “Undergraduate students may complete a certificate major or minor in Gender and Women’s Studies by completing work from the following list of courses approved for the major or minor and certificate. The undergraduate certificate may also be completed by non-degree seeking students (including those who already hold a baccalaureate degree) who would like to expand their knowledge of women’s studies.

   Rationale: To reflect the deletion of the undergraduate certificate and to properly reflect options available for undergraduate students.

   Effective Term: Fall 2013

3. Modify the following course:
   GWST 3510 – Gender, Violence and Society 3-0-3

   Prerequisite: SOCI 1101 or GWST 1101

   An overview of gender-based violence domestically and internationally. Students will analyze the political and cultural structures that perpetuate gendered violence, and explore how gendered violence intersects with race, class and sexuality. Crosslisted with SOCI/CRJU 3510.
**Rationale:** Course focus and prerequisites do not align with Criminal Justice. As an upper-division course, students are better prepared having completed an undergraduate course that teaches the fundamental concepts. Because the course focus and prerequisites do not align with Criminal Justice, its cross listing with Criminal Justice should be removed.

**Effective Term: Fall 2013**

   Graduate Prerequisite: None
   Relationship between film and literature with special emphasis on the adaptation of literature into film. Crosslisted as THEA 5510.

   Rationale: THEA 5510U/G was not properly created; the G portion never appeared on the GCC agenda for approval. Theater students may still take this equivalent course, FILM 5510U/G. Also, the course description of FILM 5510G was never updated to match FILM 5510U and should read as above.

   Effective Term: Fall 2013

F. Psychology

Items 1-2 from the Department of Psychology were discussed and approved by the committee. They are being submitted to the Faculty Senate for approval.

1. Modify the following course:
   PSYC 4100 HISTORY AND SYSTEMS OF PSYCHOLOGY 3-0-3
   Prerequisite: A minimum grade of C in either PSYC 1101 OR PSYC 1101H and a minimum grade of C in either ANTH 1102 OR PSYC 2000 18 hours of PSYC courses and permission of the instructor.

   Rationale: The instructors for PSYC 4100 believe that the course should serve as a capstone course for upper level Psychology majors to help them tie many aspects of
the psychological discipline together from a historical standpoint. In order for the
course to be effective as a capstone course students should have a broad exposure to,
and firm understanding of, the many areas of Psychology prior to entering the course.
Under the current prerequisites, students are able to enroll in PSYC 4100 with
minimal hours in Psychology courses. By changing the prerequisite to a minimum
grade of C in 18 hours of PSYC courses, we will be able to ensure that students will
be prepared to fully examine the interconnectedness of the areas of Psychology and to
succeed in the course.

Effective Term: Fall 2013

2. Modify the following minor:

Neuroscience Minor

Prerequisites from the Core:
  BIOL 1107 or BIOL 1107H – Principles of Biology I
  PSYC 1101 or PSYC 1101H – Introduction to Psychology

Neuroscience…………………………………………………………………………15-16 hours
One course selected from:
  BIOL 2081 – Human Anatomy and Physiology I
  BIOL 4200 – Mammalian Physiology
  BIOL 4210 – Comparative Physiology
One course selected from:
  BIOL 4230 – Neurophysiology and Disease
  PSYC 3070 – Sensation and Perception
  PSYC 3090 – Physiological Psychology
  PSYC 3500 – Cognitive Psychology
One course selected from:
  RHAB 4100 – Neuroscience in Rehabilitation Professions
  RHAB 4111 – Pathophysiology for the Rehabilitation Professions I
One course selected from:
  BIOL 4230 – Neurophysiology and Disease
  PSYC 3070 – Sensation and Perception
  PSYC 3090 – Physiological Psychology
  PSYC 3500 – Cognitive Psychology
  RHAB 4100 – Neuroscience in Rehabilitation Professions
  RHAB 4111 – Pathophysiology for the Rehabilitation Professions I
One course selected from:
  PSYC 5020U – Special Topics
  RHAB 4903 – Directed Study in Rehabilitation Science
  RHAB 4900 - Topics in Rehabilitation Sciences

Rationale: Presently RHAB 4903, Directed Study in Rehabilitation Sciences, is used
as one of the capstone courses in the Neuroscience minor. However, that course does
not meet the needs of the students in the interdisciplinary Neuroscience minor. The Department of Rehabilitation Sciences proposed RHAB 4900 specifically to provide the appropriate venue for the sequence in the minor as well as an elective for Rehabilitation Science majors.

Effective:  Fall 2013

OTHER BUSINESS

A. ACCT, MILS, and NSCI courses in the catalog

The committee discussed the questions put forward at the meeting of January 9, 2013, regarding pages 317-319 of the current catalog and agreed upon the following actions:

- The Accounting courses should be removed from the catalog now that the Economics Department has equivalent courses in accounting.
- Military Science and Naval Science courses should be put in alphabetical order among the rest of the courses. The Naval Science header should be followed by “Savannah State University” in parentheses, since those courses are housed there.
- Since the Military Science and Naval Science courses belong to their respective branches of the military, they do not have to be approved by the University Curriculum Committee when updated. However, the UCC should be notified and the information should be recorded as an informational item in the minutes. This will document the changes for the purpose of updating both the catalog and Banner. Ms. Panhorst will contact the administrative assistants for these programs and establish a communications protocol.

ADJOURNMENT. The meeting was adjourned at 4:25 p.m.

Respectfully submitted,

Phyllis L. Panhorst
Catalog Editor and Secretary to the Committee
Adjudication of Plagiarism Charges

The process for informal adjudication is as follows:

1. The faculty member must use an informal adjudication form. We have added a direct link to this document on the Office of Judicial Affairs’ (JA) website, http://www.armstrong.edu/Students/judicial_affairs/office_of_judicial_affairs.

2. The faculty member must completely fill out the form and attach proof of the student's plagiarism. The informal adjudication is not binding for a 72 hour period. If either the faculty member or the student is unhappy with the outcome they may rescind their agreement, and JA will move forward with hearing procedures.

3. The faculty member and the student must sign and date the form.

4. The faculty member must send the form with proof to JA.

5. JA will check the files for past or pending honor code violations for the student in question.

6. If no files are located, the JA staff will create a new file, add the student’s name to the log, and file it in the appropriate place.

7. If the student is a repeat offender he or she may have to attend a hearing based on the violation of the Code of Conduct concerning repeat offenses.

For formal adjudication the process is as follows:

1. The faculty member will forward the student’s information along with proof of the plagiarism to the Office of Judicial Affairs. In most cases, Honor Code violations go directly to the Student Court.

2. JA will notify the student of the violation and schedule a hearing based on the availability of the student and the court members.

3. The court members will hear the case and make recommendations for sanctions to the Vice President of Academic Affairs.

4. The Vice President of Academic Affairs will either approve or amend the sanctions.

5. The student will be notified in writing and he/she will have to sign a form acknowledging responsibility for completing the sanctions.

6. There is a possibility that the student court will find the student not responsible. If that happens JA will add a memo to the file and it will be filed in the appropriate place.

Graduate Affairs Committee
Burnett Hall Board Room
Agenda: February 5, 2013, 2:30 p.m.

PRESENT: Joey Crosby (Chair), Becky da Cruz, Kathleen Fabrikant, Mark Finlay, Ray Hashemi, Chris Hendricks, John Hobe, Anne Katz, Robert Loyd, Daniel Skidmore-Hess, Sandy Streater, Patrick Thomas, Anne Thompson, Ellen Whitford, John Kraft (ex officio), Laura Barrett (ex officio), Robert Gregerson (ex officio), (Patricia Wachholz (ex officio), David Ward (ex officio), Meagan Stachurski (ex officio)

GUESTS: Jill Bell, Debra Hagerty

I. Call to Order. The meeting was called to order at 2:32 p.m. by Dr. Joey Crosby.

II. Approval of Minutes. The minutes of January 8, 2013 were approved by email on January 10, 2013.

III. Committee Reports
A. Graduate Curriculum (see Attachment 1)
   The committee accepted the curriculum items in the report of the Graduate Curriculum Committee (GCC) as presented. The report should proceed through the Senate as an action item for Presidential approval.
B. Graduate Faculty Status (see Attachment 2)
   The committee accepted the report of the Graduate Faculty Status Committee.
C. Graduate Student Appeals (no report)

IV. Ad hoc committee on options for graduating seniors to take graduate level courses and at developing accelerated graduate programs.

Following up on last month’s recommendation from the Graduate Curriculum Committee and the formation of the ad hoc committee, Dr. Finlay reported that the committee had a meeting that included Dr. Patrice Mitchell, Mr. Marc Mascolo, Ms. Judy Ginter, Ms. Jill Bell, Ms. Lee Ann Kirkland, as well as committee members Dr. Patrick Thomas and Dr. Daniel Skidmore-Hess. Two things were discussed in terms of whether these things could be implemented and what it would take to do so:

1) Could graduating seniors be set up to take graduate classes, with the appropriate permission?
2) Assuming the first is possible, could graduate courses taken as an undergraduate be coded to count toward a graduate program as well, thus creating accelerated programs?

Dr. Finlay reported that while there are numerous technical issues, it would not be impossible to implement both items. He suggested that the next step should be to have more graduate faculty discuss whether we want to implement one or both of the items. He will arrange a meeting and report back at the March 5 meeting of the Graduate Affairs Committee.

V. Approval of May Graduates (see Attachment 3)
It was moved and seconded to accept the list of candidates for graduation as amended (noted on list with yellow highlight), provided they complete all degree requirements. The motion carried. Changes to the list from this point forward should be sent directly to Ms. Judy Ginter.

VI. GSCC
The hooding ceremony is 87 days away. The location has had to be changed due to the cost of making the Sports Center ADA compliant for the ceremony. The Student Union Ballroom has been selected as the new location. It seats approximately 450, which may mean putting a limit on the number of guests. The total number of graduating graduate students is 120. Please email Ms. Meagan Stachurski at ms4746@stu.armstrong.edu by the end of next week to let her know whether your program will participate or not. The date and time have not changed: Friday, May 3, 7:00-9:00 p.m. Ms. Stachurski looked into moving the ceremony to late afternoon, but there is a conflict with the ballroom for that time slot. Information on the hooding ceremony has been sent with the Registrar’s email those graduating. The next email will go out on February 31. There will be a link to Survey Monkey for RSVPs. If any of the colleges have smaller banners that are not being used at commencement and could be used for the hooding, please let Ms. Stachurski know.

The GSCC is ordering a banner for Graduate Student Appreciation Week. The Tax and Relax event is being canceled due to low attendance. Instead, a dinner will be held instead during Graduate Student Appreciation Week.

VII. Jill Bell
Posters and table tents for the open house were delivered to offices by a work study student, but not everyone received them who was supposed to. If you did not receive any, please let Ms. Bell know. The poster was also sent by email PDF. If you would like for Ms. Bell to contact groups or individuals for you, please send her the information. The website is live and so far 25-30 students have registered. This is the third year the open house has been held. After this event, it will be evaluated to see how effective the event has been in terms of recruitment and whether the event should be continued.
The office is working on updating information going out with applications for fall. If you are changing anything for fall, or are anticipating changing anything for fall, please send the information to Ms. Bell.

VIII. **Adjournment.** The meeting was adjourned at 2:58 p.m.

Respectfully submitted,

Phyllis L. Panhorst  
Coordinator of Faculty Information and  
Graduate Catalog Editor

2.5.2 Ex-Officio Faculty Chair

The president shall be the ex-officio chair of the faculty and may preside at meetings of the faculty. The president and/or the president’s designee shall be a member of all faculties and other academic bodies within the institution. He/she shall decide all questions of jurisdiction, not otherwise defined by the Chancellor, of the several councils, faculties, and officers.

The president shall have the right to call meetings of any council, faculty, or committee at his/her institution at any time. The president shall have the power to veto any act of any council, faculty, or committee of his/her institution but, in doing so, shall transmit to the proper officer a written statement of the reason for such veto. A copy of each veto statement shall be transmitted to the Chancellor.

At those institutions that have a council, senate, assembly, or any such body, the president or the president’s designee may chair such body and preside at its meetings. The president shall be the official medium of communication between the faculty and the Chancellor and between the council, senate, assembly, or any such body and the Chancellor (BOR Minutes, 1993-94, p. 239; April, 2007).*

------------------

Our (GSU) legal counsel consulted with BOR legal counsel, and here is a summary of the findings, as I reported verbatim at the (GSU) September 19th senate meeting:

As a result of our inquiry, our Associate Vice President for Legal Affairs, Maura Copeland contacted the BOR office of Legal Affairs to discuss this rule. It turns out that in the BOR interpretation, the key word in this policy is the word “act”. Since the Faculty Senate is advisory to the President, the Senate does not act; only the president does. Therefore, the president cannot be in a position to veto any action by the senate, because the senate does not take action, but only provides advices. The president follows or does not follow our advice, which is not formally a veto. Therefore this *provision of BOR 2.5.2 currently does not apply* on our campus. Additionally, *BOR counsel indicated that he is not aware of any report to the Chancellor being made in recent memory by any institution of the system, under this provision.*

As a follow up, I contacted BOR counsel to clarify the intent of a rule on presidential vetoes, if presidents are never in a position to veto anything. The rule exists because while there is no council on our campus that can take action, there is--or at least there may be-- councils at other system institutions that can act.

Our (GSU) legal counsel, present at the senate meeting, confirmed the accuracy of the account.
