Excellence in Diversity Awarded to Dr. Dina Walker-DeVose

June 26, 2018

RANDOLPH S. GUNTER DISTINGUISHED FACULTY/STAFF AWARD

The Distinguished Faculty/Staff Award is awarded to a faculty/staff that is admired and respected by the students of Georgia Southern University for their outstanding dedication to advocating for diversity issues both in and out of the classroom. The recipient of this award has excelled in leadership, has a proven commitment to diversity, and is committed to the students at Georgia Southern University.

Excellence in Diversity Awards are given each year by the Multicultural Student Center. The purpose of the Excellence in Diversity Awards is to recognize and honor those campus constituents that have contributed to increasing the appreciation of diversity at Georgia Southern University. Recognized individuals and organizations are those who have served as leaders in influencing, promoting, and encouraging a campus environment where all are respected regardless of differences. Individuals and groups may nominate themselves. The winners of these nominations will be determined by the Excellence in Diversity Selection Committee.
