Tradition Continues

The 1976 year brought many new changes along with many old traditions. One custom that has grown in popularity over the past few years is the CUB Coffeehouses.

Everyone relaxed to the sounds of folk, bluegrass, and country blues music. Students had an opportunity to display their diversified talents as well as hear visiting minstrels on our campus. Georgia Southern will look forward to many more years of quality entertainment.

The Fair's In Town!

As the fall season arrived, students were treated to the Ogeechee Fair. This year, the fair brought new rides and bazaar booths to delight crowds, yet high costs quickly emptied students' pockets.

HAUNTED
HOUSE

Tradition Haunts GSC

The Recreation Department's Haunted House changed locations again this year, but the ghouls and goblins seemed to like their new home. The Recreation majors were in fine form as they ushered their victims through the halls of horror. The House was a huge success as usual, and has become a favorite tradition of fall quarter.

Rock The Night Away

Sponsored by the CUB for this year's dance was the band "Eli" from Florida. They played for several hours in Williams Center cafeteria. They did a special slide and song presentation of the "Beatles" as well as singing other popular music.

Masquers Present *The Adding Machine*

The Adding Machine, under the direction of Dr. Robert West, was Masquer's Fall quarter production. The talents of many people were utilized in this play to tell the story of one man's struggle to discover the purpose and meaning of his being.

Entertainment Extraordinaire

The College Life Enrichment Committee was busy this year planning and presenting a lively schedule of good entertainment. Two of the many talented groups to come to Southern were The New Christy Minstrels and P.D.Q. Bach.

GSC's annual organizational Fair was held Fall Quarter to introduce campus organizations to new and old students alike. The fair atmosphere generated a feeling of friendliness which helped many students to meet more people and to discover an extra-curricular organization that was of interest to themselves.

Something For Everyone

Buffet And Waits: Opposites Attract

Jimmy Buffet and Tom Waits appeared in concert at the Old Hanner Gym fall quarter. Buffet, the headlining act, presented up-tempo material, an infectious blend of pop and folk music.

Waits, with his whiskey-soaked voice, disheveled appearance, and jazzy ballads provided perhaps the most distinctive act to appear at Southern in some time.

Black Awareness

During the week of February ninth thru fifteenth, a better awareness of the black community came to Southern in the form of Black History Week. One of the major events of the week was a Black Forum which was held to discuss the problems, viewpoint, and progress of the black people in America.

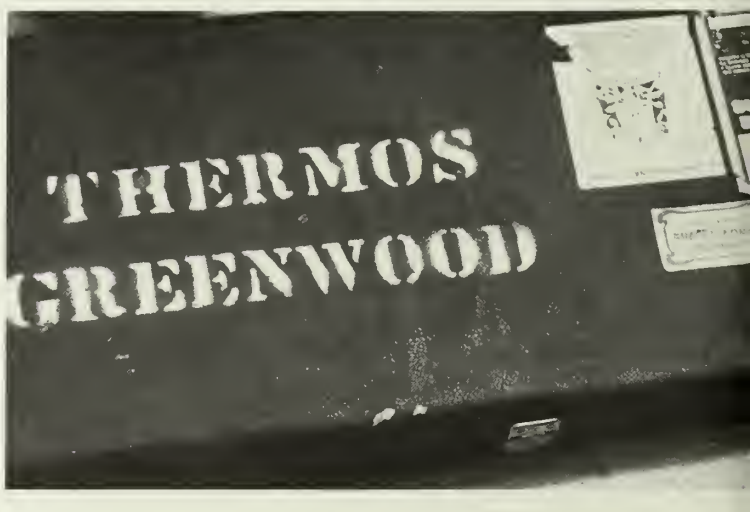
Tight Night

Winter quarter's concert program headlined B. B. King. The master of the blues mixed smooth guitar work and lyrics to the delight of a packed Hanner Fieldhouse crowd. The evening catered to all tastes as the preliminary act, "Thermos Greenwood and the Colored People," bedecked in assorted colors and costumes opened the show with offbeat music.



Every day's experience shows how much more actively education goes on out of the schoolroom, than in it.

Cinderella

The highlight of GSC Opera Society's performance this year was Rossini's Cinderella. The many talents of the Ga. Southern community were combined with the excitement, costuming and sparkle needed for a success.

Winter's Surprise

One Saturday morning the Statesboro area was pleasantly greeted by snow flurries. The unexpected sight drew people outside to capture the novelty of the snow by playing or just walking thru it. By early afternoon the snow was already a memory, but most people agreed that the snow was a friendly change from Statesboro's usual winter weather.

Homecoming Highligh

Homecoming festivities began with an alumni dance held on Thursday, April 1. The highlight of Homecoming was a preformance by Bob Hope, who made his third appearance at the G.S.C. Hanner Fieldhouse. The show opened with Wesley Foundation's "A New Mind" singing several numbers. Bob Hope was then escorted on stage by Miss G.S.C., Julie Smith. Appearing with Hope was Patricia Price, a member of the Hope show.

Saturday featured a band which played at Sweetheart Circle while students danced, ate, or just milled around observing the various booths sponsored by clubs.

Mimi Hazen was crowned Hor coming Queen while Pam Crensl was named first runner-up at Homecoming ceremonies held du the baseball game Saturday night.

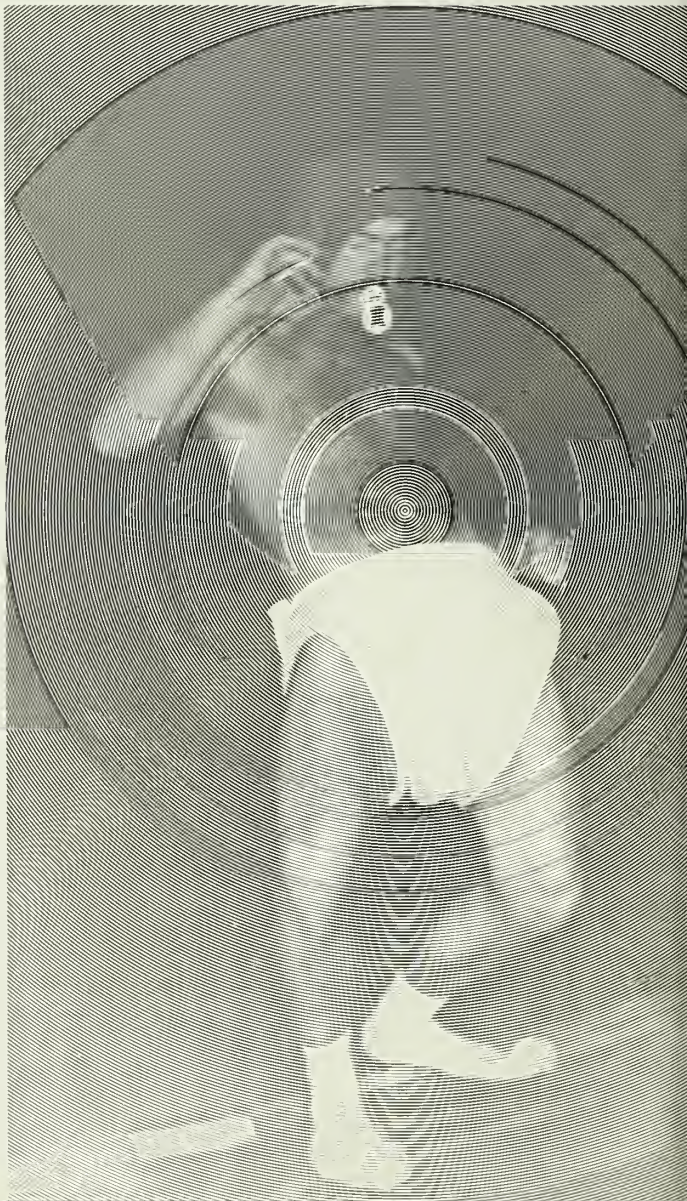
Jazz Rock Fusion

For the first time, the auditorium in the Foy Fine Arts Building was utilized to present an electric band, Nappy Patch, from South Carolina. The group fused jazz and rock musical influences and elicited an extremely favorable response from a standing room only crowd.

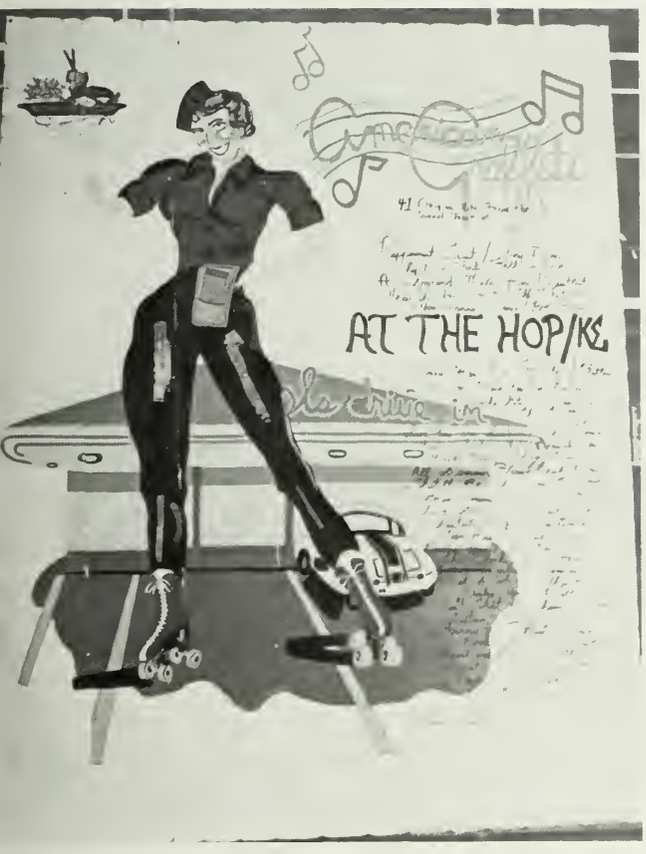
Welcome To Fonzie's Garag



Guys with hair slicked back and rolled up jeans, girls in ponytails and saddle shoes all rocked to the music at Fonzie's Garage on a rainy night in May.

Fonzie's Garage was a '50's Dance sponsored by the Resident Hall Committee. Old favorites such as Elvis's "Jailhouse Rock" and Heartbreak Hotel," Chubby Checker's "Twist" and many others were played in the Old Hanner Gym.

Winner of the Fonzie look alike contest was Scot Wynn. Pat Leepheart was the winner of the best single girl at the hop. Richard Morriss and Stephane Smith won best couple for the evening. Winners of the dance contest were Jackye Lumby and Bill Hagar.



Speakers

As in years past, many speakers came to Ga. Southern this year through the invitations of varied organizations on campus. Abba Eban and James Kirkpatrick were two of the more notable men to come.

"Last of the Red Hot Lovers"

Masquer's Winter Quarter production was "Last of the Red Hot Lovers" by Paul Simon. Five talented people were cast in this play to portray an average man trying to enliven his life with a love affair. The play was another success for Masquer's list of accomplishments.

First Outdoor Concert

During spring quarter GSC held its first outdoor concert on the intramural fields. The various singing groups included the "Earl Shybe Review," "Contenders," "Skyboat," "Rock Mount'n," and "Eric Quincy Tate." Music ranging from country to hard rock n'roll was played to an enthusiastic crowd till midnight.

Studer
Prote

Students at GSC rose in protest twice this year. The first protest occurred because of the cut in library hours. A "sit-in" was staged at the library to call attention to the situation which students faced. Pope Duncan discussed these issues with the students.

The second demonstration took place in the form of a peaceful march. About one hundred students gathered behind a sign which read "No Taxation Without Representation," and marched to the dedication of the library on April 3. The group quietly assembled behind the spectator's chairs where they remained almost passive until the appearance of CCC President, Dave Cook. Cook thanked the taxpayers and Board of Regents for the new library, then proceeded to talk about the budget cuts, tuition hikes, and lack of budgetary accountability to students. At the close of his speech, Cook presented Chancellor Simpson with a petition containing about 2,700 signatures protesting the tuition hike.

Dr. Nicholas Quick said "I think we need to say something to get this into the right perspective." The students then walked away and regrouped near Williams Center, where Stephen Hausman addressed the group. He thanked everyone for their support and dismissed the gathering with the statement "This doesn't end here. We may have to do this again."

Star Spangled Girl

Spring quarter brought a new innovation of a dinner theater by Masquers to present Star Spangled Girl by Neil Simon. Hard work and enthusiasm mixed with the talents of many young people created an enjoyable evening.

International Club Hosts Banquet

The International Club held their annual banquet on February 21. Over 250 people were present for the dinner, which featured a meat and dessert from each country represented. The program included a style show, singing, dancing, and even a bull fight! The evening concluded with the song "I'd Like To Teach The World To Sing," sung in several languages.

Honor's Day

The traditional honor's day was held this spring at Southern. Outstanding students were recognized for their achievements and improvements at GSC.

Southern Bounces Back

Georgia Southern bounced back from a slow start to post a respectable 11-16 record for the season. Seniors Maurice Stoutermire and Ed McArthur provided leadership for the charges of Coach Larry Chapman who completed his second year as head coach. Kevin Anderson, who led the team in scoring as a freshman, was one of several bright prospects for the future.

Waterpolo Post

Georgia Southern's waterpolo team faced a tougher schedule in its third year of intercollegiate competition. With eastern power, Richmond, added to its schedule, Coach Floyd's team had a 4-2 record for the season. They also finished third in the Yale Invitational.

Great Third Year

Georgia Southern's swimmers had a somewhat disappointing season, winning only three out of seven matches. However, Don Welchko represented Georgia Southern for the fourth consecutive year at the NCAA Swimming Championships in the fifty yard freestyle.

First row — David Proskin, Bobby Dann, Dan Gallimore, Andy Cowart. *Second row* — Mark Robinson, Mark Miller, Mark Reed, Bill Gresham. *Third row* — Scott Muse, Lee Clark, Marq Lett. *Fourth row* — Herb Brown, Don Welchko, Scott Fowler. *Fifth row* — Coach Floyd, Jane Ruedebucsh, Coach Jane Bosbyshell.

A First For Women's Swimming

Coach John Bosbyshell's charges were strengthened by new recruits. Robin Brake, a mainstay on the Southern swim team, became the first woman to receive an athletic scholarship at GSC. Only in their third year, the team's improvement and determination showed swimming to be a continuing popular sport.

Gymnasts Faced Rigorous Schedule

A rigorous schedule of top competition faced Coach Ron Oertley's men's gymnastics team. Southern's All-American performer, Steve Norman, led the injury ridden Eagles against such teams as Ohio State and Georgia Tech. Norman captured several first place honors during the season.

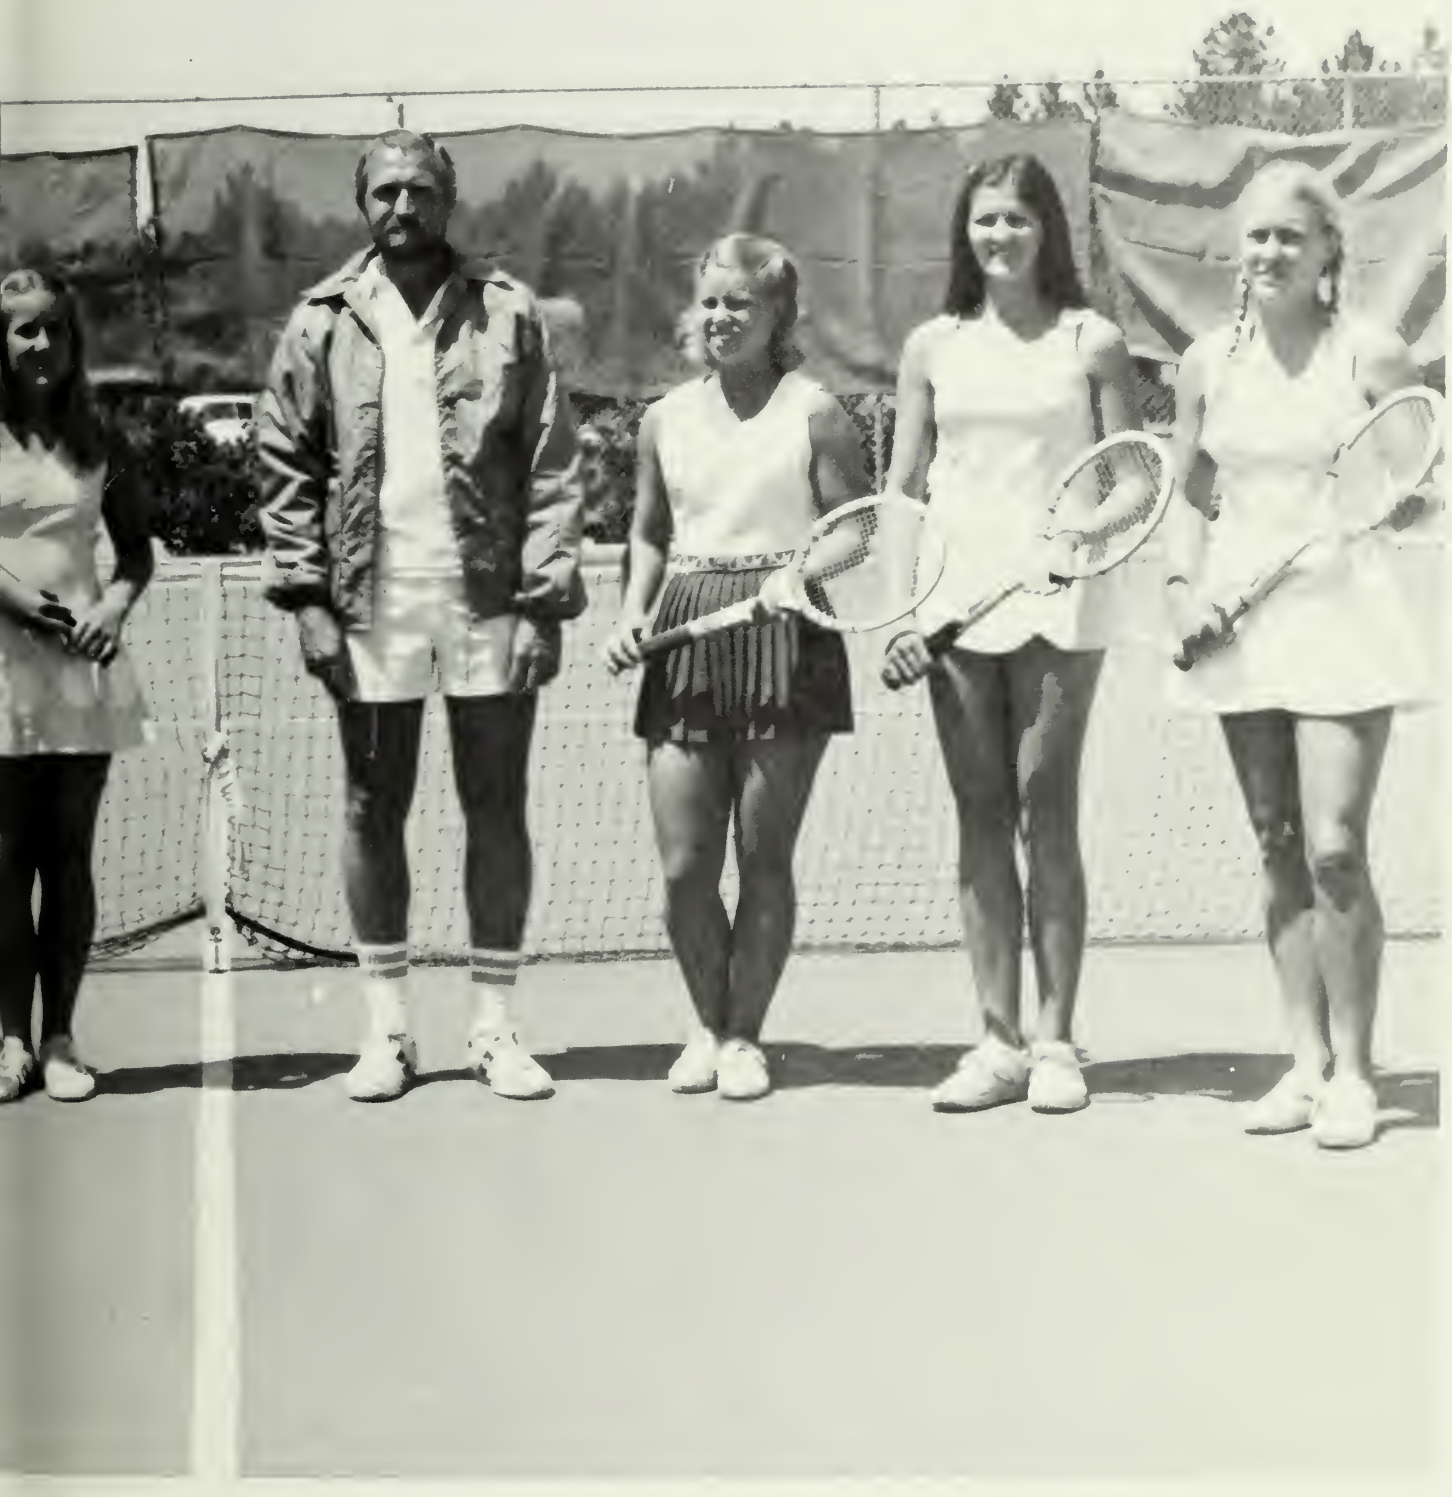
Lady Eagles Post 10-5 Season

A creditable 10-5 mark was accomplished by the Lady Eagles 1975-76 tennis team. Jeri O'Neal, a freshman, played at the number one position. Seniors Beth Warren and Widget Vennit were standouts who helped to lead the team to a second place finish in the GAIAW Tournament.

(L-R) — Jan Lowe, Cathy Hall, Bev Vaughn, Dawn Kopec, Coach Shriver, Widget Bennett, Jeri O'Neal, Beth Warren.



Hard hitting Ray Boyer, Benjie Moore and pitcher Richars Hudson were selected as members of the Independent-All-American Baseball team. The Eagles, under new head coach Jack Stallings, were ranked as high as ninth in the college rankings. Although compiling a 36-19 record, the Eagle squad was overlooked in the selection of teams for the NCAA Tourney.

Panhellenic Council

Fall Rush

Fall 1975 was an exciting time for many incoming GSC freshman co-eds who participated in GSC's fall rush, sponsored by the Panhellenic Council. Prospective pledges were fed, entertained and introduced to the Greek way of life by sorority sisters from various sororities. Even though only a few young women could be pledged to each sorority, all of the participants had a good time and went through an experience they would never forget.

1975

ΣX Derby Day

An important part of all the sororities' fall activities was participation in Sigma Chi fraternity's annual Derby Day. Fund raising activities took place in the first part of the week, which was culminated on Friday by Derby Day. Many different games and an exhausting search for derbies highlighted the big day which was climaxed by the crowning of Miss Derby Day and Miss Daring Debut.

Intramurals

Bonecrushing, gutbusting, and physically exhausting described GSC's version of Intramural flag football. The football games gave many students a chance to get away from the books, whether it was as participants or spectators. There were more than fifteen teams participating with the Greek and Open division winners playing in the championship game.

Greek Week

Greek week was held in late May. A variety of activities were planned for GSC's 18 fraternities and sororities. There were softball and golf tournaments for the men and swimming races and a bowling championship for the women. Beer drinking and pizza eating contests were held for all of the fraternities and sororities. The exciting week ended with a whole day of field games which included a chariot race and the crowning of the greek goddess.

Fish Found Dead In Small P

By mid morning Wednesday, April 21, hundreds of fish lay dead and dying along the bank of the small fish pond. The causes of the destruction of the fish are still unclear.

Plant Operations began pumping water from the campus water supply into the small pond several days before the fish began to die emmease. Fred N. Shroyer, director of Plant Operations, stated that this was done periodically to replace oxygen depleted by warm dry weather. However, tests run that Wednesday afternoon by Dr. Henry Curtis of the biology department at the behest of Plant Operations showed the oxygen level of the pond to be within acceptable limits.

Plant Operations began draining the pond Thursday. According to Levons Anderson, grounds superintendent, this was done in order to clean out the bottom of the pond. According to Shroyer this decision came after "we had found out that it (the fish kill) was from excess silt and duck manure." He stated that due to the "collection of duck droppings" a fish and algae killing fungus had set in. Shroyer stated that the conclusion was the result of "absolute, logical deduction."

Although not experts on small ponds, Dr.'s McKeever, Maur, and Lovejoy of the biology department refuted the duck dropping-fungus theory. Dr. Kishwar Maur, an expert on fungal growth, stated, "It (the duck dropping) had nothing to do with it. The fungus is not capable of killing the fish in such a quick manner." Dr. Meur was concerned about the absence of plant life in the small pond on last Wednesday. She stated, "I was shocked. I was expecting a lush growth of algae because of spring. There was no algae in the pond. The water had something in it that wouldn't allow the algae to grow."

Due to a strong odor of chlorine around the pond and the bleached appearance of many of the dead fish, there was speculation that the chlorine in the water pumped into the pond had killed the fish. Shroyer asserted that the chlorine "didn't have anything to do with it. If anything, it helped." A chlorine test run by Anderson Wednesday afternoon showed no trace of chlorine in the water.

Shroyer later stated that the chlorination for the school's water supply had been shut off and during the time the water was being added to the pond "there was no chlorination going in it at all."

The small duck pond was drained last of the wastes that supposedly caused the dead Various theories explaining the killing of the fi waste theory and the over-chlorination theory

Kilpatrick Speaks

The State Of The Union

By SUSAN CLARY

"Gerry Ford is doing a good job," said James J. Kilpatrick, syndicated columnist, commentator and author. "There have been two years of candor, fresh air and honesty in the White House."

Kilpatrick spoke in McCroan Auditorium April 1 at the invitation of the GSC Lecture Series.

"The state of the union is good," he said. "Employment was at its highest level in history last month - some 93 per cent of our people are gainfully employed."

The columnist also said America has "the best record for containing inflation of any industrialized nation in the world."

The gross national product has had a significant increase and there has been a strong industrial growth, according to Kilpatrick.

"Without tinkering with the economy - without inflation of borrowed money - Ford's do-nothingism is working," he said.

Kilpatrick predicted that the President will be unbeatable in the general election this year "unless something happens to upset the current drift of the country."

No Democratic candidate will enter the party convention with the required 1505 votes to

JAMES J. KILPATRICK

ballot, Kilpatrick said. "I think (Sen. Hubert) Humphrey will win it in a brokered convention. He's waiting in the wings for lightening to strike."

The journalist feels that Jimmy Carter's southern heritage is a handicap, though he has "never met a candidate for public office more ambitious, determined and obsessed with the idea of winning." He is impressed with Carter's primary record, but finds "it hard to believe the Democrats would give the nomination to a man who is so little known nationally."

Jerry Brown is the most exciting character on the has possibilitaes for the vice-presidency.

"Wallace runs for President the way other men go bowling - he loves it. He has had a great effect on the Democratic party and has focused attention on the little people."

Kilpatrick criticized congressional "irresponsibility." He stated that Congress' failure to pass the Election Commission bill was contemptible and could have been done in a week. "They deliberately tied it in knots for partisan, political reasons."

AAUP Sur Rates Deat Administra

The administration of Georgia Southern College has recently been graded by local faculty in a state-wide evaluation conducted by the American Association of University Professors (AAUP).

They were evaluated on their effectiveness in serving the citizens of Georgia and the interests of higher education, according to Dr. Rosemarie Marshall, president of the AAUP.

The results were announced at the AAUP's chapter meeting April 27.

Local faculty graded Chancellor George Simpson, Dr. Pope Duncan, Dr. Nicholas Quick, and the head of their respective school on an A through F scale. The response averaged 63 per cent, based on 320 faculty members.

Duncan's overall grade point average (GPA) was 2.16. He received 24 A's, 54 B's, 70 C's, 47 D's and 24 F's, one of them an F.

Quick also received one F out of 38 F's, has overall GPA being 1.76. He was given 22 A's, 39 B's, 53 C's and 47 D's.

Dr. Warren F. Jones, head of the School of Arts and Sciences, received an overall GPA of 3.18 - the highest average computed in the evaluation. He received 51 A's and 3 F's.

Dr. Starr Miller in the Education School had an

The Buy-Centennial

A wide selection awaited those Americans who wanted a momento commemorating our two hundredth birthday. American industry rose to the occasion with an unbelievable deluge of products ranging from star-spangled pinwheels to a diamond studded '76.' Indeed, as some advertisements said it seemed to be a "Buy-Centennial." But what could be more characteristic of contemporary America than buying?

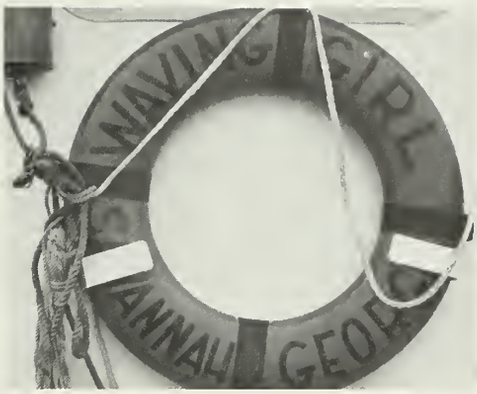
The celebration of our nation's birthday brought with it a surge of interest in local history. As a result, a Savannah river tour was organized by Dr. Hewett Joiner of GSC, and funded by the Georgia Committee for the Humanities. Historic sites visited included the Ebenezer settlement which contains the Salzburger Museum and the Jerusalem Church, Georgia's oldest standing public building. The tour was a great success resulting in a greater awareness and appreciation of Georgia's history.



Historic River Tour

Jimmy Carter

It is fitting that America's two hundredth birthday falls on an election year. Political races are infamous for their surprises, and this year has proven no exception. Who would have expected a relatively obscure person in the national political scene, much less a south Georgian, to emerge as the Democratic Presidential candidate? Who can say; perhaps there will be more surprises in this bicentennial year.
