## US Secret Service Internship for Atlanta and Savannah

June 20, 2019

The U.S. Secret Service is putting out a PAID internship for Atlanta and Savannah. The attached flyer provides details and although it indicates ATLANTA, there will also be one position in the SAVANNAH office of the USSS. In this office we conduct financial crimes involving Ponzi schemes, investment frauds, cryptocurrencies and dark web and we have forensic accountants we work with from PWC and Deloitte and an internal cyber lab which we use to conduct dark web investigations. I would be looking for someone in the Georgia Southern Cyber program if at all possible that could assist in these investigations.

The opening closes on June 21<sup>st</sup> ?
