Training And Tradition May Have Cast Us In Dissimilar Molds, But The Basic Stuff Of Our Humanity Is Pathetically The Same. It Is This Realization That Now Makes Every Stranger Accessible To Me . . .

GSC

. . . He may be a barber or a banknote engraver, but it is almost certain that he can tell me something that will heighten my mental stature or increase my spiritual gauge . . .

. . . By Far The Larger Part Of Our Human Race Is Composed Of Interesting And Friendly Members, All Eager To Know Each Other . . .

FLYING

BRANNEN HALL

. . . And I have yet to see the person who did not become more attractive and more alive for laying aside his too-prized reserve and mingling on equal terms with other members of our common, struggling, hungering human family.

-Henry Morton Robinson

Fair Introduces Clubs To Students

About 40 groups participated in the annual Organizations Fair October 2, 1979. Held in front of Landrum Center, the fair helped students become aware of the various organizations on campus. Highlights of the event included a fencing exhibition, a Psychology Club think tank, and a Kappa Alpha Psi precision drill.

EXIT

Horrors Haunt House

"Watch out for the rats!," "Don't step on the snakes!," and "See you in hell!" were frequent shouts chanted by GSC's program planning class at the ninth annual Haunted House. Hundreds of local children and college students were spooked, pinched and pushed through rooms full of rats, snakes, and other ghoulish Halloween props.

Malicious Rumor Subject Of Masquers' Production

The Children's Hour, Lillian Hellman's powerful drama, was performed by the Masquers November 14-17 in the McCroan Auditorium. The play had been in production since early October. The play, which dealt with adult material, was banned in London and Chicago 40 years ago.

The story begins as a young girl brings discord to a quiet boarding school when she starts a malicious rumor concerning two of the faculty members. The girl, who is striking back at those who punished her before, spreads the rumor that the teachers are involved in an unnatural homosexual relationship. The rumor ruins the lives of the two women and the boarding school is closed.

The incidents on which Hellman based her play are true.

Sarah's Recognized As Model For Food Service Programs

Although students joke about Sarah's Place glowing at night from all the microwave ovens, it was included in a study of successful and innovative cash-and-carry collegiate operations by the National Association of College and University Food Services.

GSC was among institutions such as Duke University, Michigan State, the University of Wisconsin, and the ivy league's Brown University, singled out by NACUFS as food service models for other colleges.

"One of the impressive things about Georgia Southern's operation is that you are small but innovative," noted Merrill Baker, director of auxiliary and food services at the State University of New York at Courtland, who surveyed selected college food services for the NACUFS report.

Sarah's Place was converted from a short order operation to a cash-and-carry operation where packaged food is sold from refrigerated cases and warmed in microwave ovens. This gives the students a quick meal they can eat on-the-run or in the dining room, television lounge, or gameroom.

Sarah's Place serves about 1200 students a day. It is the only one of its kind among colleges and universities. The only other high-volume operation like it anywhere else is the Sears Tower in Chicago.

THE CARETAKER Begins 1980 CLEC Schedule

The Campus Life Enrichment Committee's (CLEC) 1979-80 series started on October 8 with the Academy Theatre of Atlanta's production of ***The Caretaker.*** Written by Harold Pinter, ***The Caretaker*** shows the dual nature of "the naturalism of objective reality" and "the lyrical imagery of the dreamlike, subjective world."

On October 9, the Academy Theatre presented ***Families,*** an original work which does not have a set plot or characters. It is a "dreamlike, theatrical reflection of major areas of tension for families and family members."

The second in the series of CLEC events was ***Bananas,*** a zany tribute to vaudeville, presented by the Southern Educational Theatre. The title, ***Bananas,*** comes from an old vaudeville phrase "top banana," used to distinguish the number one performer in a troupe from the others that were in the show.

Pianist Janina Fialkowska was next in the CLEC series, performing in Foy Auditorium on November 6. Fialkowska is a frequent guest soloist with major orchestras in North America and in Europe.

In 1968, at age 17, Miss Fialkowska received her Bachelor and Master of Music Degrees from the University of Montreal. She has made several recordings including an all-Liszt recital and an all-Chopin program.

The fourth event in the CLEC series was a three-day residence, January 21-23, by the renowned Luis Rivera Dance Company. The troupe is ensemble of dancers and musicians who perform the fiery flamenco and medieval, regional, and classical Spanish dances. "He seems at his best in those percussive moments when heel and toe explode against the floor in a wild outburst."

On Tuesday February 19, the French baritone Gerard Souzay performed in Foy. Universally recognized as one of the supreme masters of lieder singing before the public today, Souzay performs annual recitals in the world's greatest music capitals. His recordings have been awarded the Grand Prix du Disque in France, Holland, Italy, and Japan. The French Government has conferred him to the Legion of Honor.

Sizue Banz is Dead was presented in McCroan on March 4 by Stage South. The Tony Award winning play traces two South African blacks as they attempt to change the tradition that reduces them to numbers. It was created in South Africa with collaboration of playwright Athol Fugard.

The last program in the CLEC series was the Billy Taylor Jazz Trio which performed on Tuesday, April 15.

Taylor is a versatile jazz pianist, composer, arranger, teacher, and actor. He has written 300 songs, a dozen books on the art of jazz piano, and has made over 30 recordings.

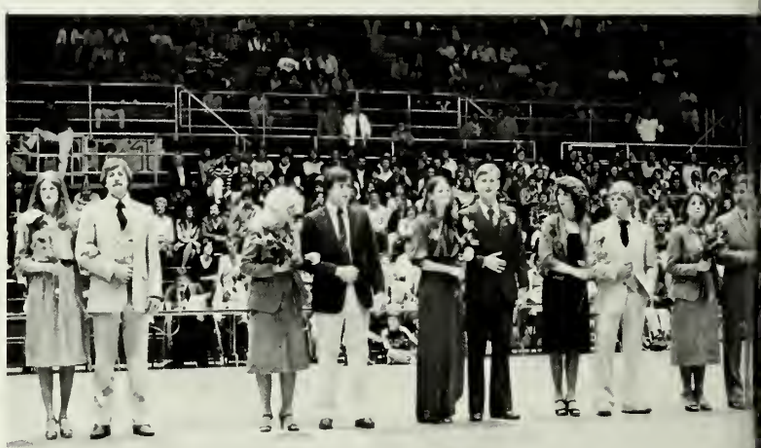
Some of Taylor's own compositions include "Suite for Jazz Piano and Orchestra," which was commissioned by Maurice Abravanel and premiered by the Utah Symphony; and "I wish I knew How It Would Feel to be Free," which has become one of the theme songs of the civil rights movement.

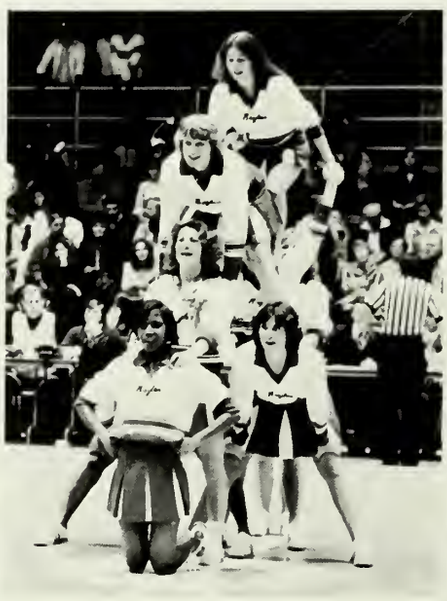
Kimmie Byrd Crowned 1980 Homecoming Queen

Homecoming 1980 got off to an early start with two crowd-pleasing concerts sponsored by the Student Union Board. Mike Cross performed Tuesday, January 22, followed by the Glenn Phillips Band on January 24.

Evelyn and Norris Strickland were named Alumni of the Year at an Awards Banquet held at Williams Center. Also honored was Dr. Charles Emory Bohler, who received GSC's Distinguished Biology Alumni Award.

Homecoming day, January 26, brought the usual festivities and excitement, along with the almost-traditional rain. However, the rain did little to dampen the spirit of loyal Eagle parade-watchers. Amidst the rainy weather, thirty-seven entries competed in the parade in four categories. In the float category, Delta Zeta and Sigma Phi Epsilon captured first place while Chi Omega and Sigma Pi placed second. Kappa Sigma took the first place honor in the crazy car competition with Delta Sigma Pi placing second. First place in the animated characters went to Delta Zeta; Chi Omega placed second. In the clown competition, Delta Zeta took first place honors; Gamma Beta Phi took the second place award.





A crowd gathered in Hanner Fieldhouse for the culmination of Homecoming activities: crowning of the Homecoming Queen and playing of the basketball game.

The six Homecoming finalists were Linda Blue (Pi Kappa Phi), Tambo Bowen (Phi Mu), Kimmie Byrd (Sigma Nu), Carol Davis (Zeta Tau Alpha), Debe Davis (Chi Omega), and Sandra Horton (Delta Sigma Theta). At half-time the suspense was broken as Kimmie Byrd was crowned the 1980 Homecoming Queen, receiving the crown from Pat Fetter, GSC's first male Homecoming Queen. Linda Blue was first runner-up and Carol Davis was second runner-up.

The basketball game proved to be somewhat of a disappointment. Pitted against Murray State the Eagles put up a good fight but lost 75-68. The Eagles' poor shooting (44.6%) compared to Murray's (54.5%) was the squad's downfall.

March . . . In Like A Lamb?

Under the direction of Dr. Richard Johnson, the Masquers presented "The Doctor in Spite of Himself" as the winter quarter production. Running February 20-23, the acting group performed one of Moliere's finest satirical plays in front of a large audience each night.

Peg Shelton, cast as the doctor's wife, gave a fine performance of being boisterous, resentful, yet fiercely loyal to her husband — all the while making wicked plans for revenge. Alan Loper, in his stage debut, portrayed the doctor, Sgnarelle, a man with a smooth tongue and a sharp wit. His ability to extricate himself from predicaments caused by his excessive greed provided much of the play's humor.

Michael Clinton Funk and N.J. Hodges played the parts of a married couple, prone to humorous follies. As the husband, Funk charmed the audience with his broken speech, mispronunciation of words, and his jealousy of the men who eyed his somewhat voluptuous wife. Hodges was the fickle wife who could not resist flirtation with the handsome Sgnarelle.

Wade Named Miss GSC in 32nd Annual Pageant

The thirty-second annual Miss Georgia Southern College Beauty Pageant was held on Saturday, March 1, 1980. The theme of this year's pageant was "Everything's Coming Up Music." Mia Wade captured the Miss GSC title from a field of 20 contestants. Angie Bellamy was first runner-up, and Mitzi Garcia was second runner-up.

The contestants competed in talent, poise personality, swimsuit, and evening gown competitions. The pageant's judges were Ms. Ruby Byrd, Mr. and Mrs. Ralph McRee, and Mr. and Mrs. Bill Reaves.

Mia Wade won the talent competition, and Angie Belamy, the swimsuit competition. Teresa Wright was named Miss Congeniality.

Miss Wade, a junior from Folkston, was sponsored by Sigma Alpha Iota. Miss Bellamy is a senior from Stockbridge and was sponsored by Phi Mu. Miss Garcia, sponsored by GSC Parks and Recreation Society, is a senior from Panama City, Panama.

The Miss GSC Pageant was sponsored by the Panhellenic Council. The winner receives a $300 scholarship and is eligible to compete in the Miss Georgia Pageant.

Fire Damages Lewis Hall; Residents Not Injured

On April 18 a 3 a.m. fire caused $300-500,000 in damages to Lewis Hall, leaving all 92 residents without serious injury.

The fire did heavy damage to the roof of the dorm, but resulted in only minor smoke and water damages to the three floors below. A concrete floor in the attic prevented the fire from spreading downward.

Chief of Security Harold Howell said that faulty electrical wiring was ruled out as the cause of the fire. Criminal Investigator Henry Anderson said that one of the possibilities of the fire's cause being considered was that it was started by students smoking marjuana in the attic.

Kevin McLaughlin, one of the first students to discover the fire, said that he pulled two fire alarms but that neither of them was operative. When the alarms did not work, McLaughlin began knocking on doors to wake the residents.

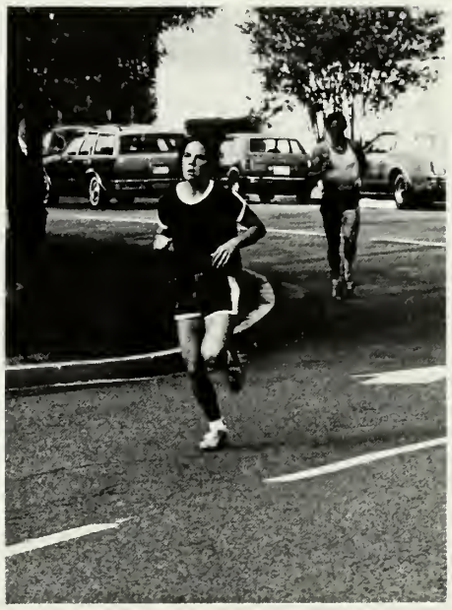
The residents of Lewis Hall were reassigned to other dorms on campus. The dorm is scheduled to reopen in fall of 1980.

Dillon, Hill, Britt And Gay Win Dale Lick Run

Approximately 57 runners participated in the third annual Dale Lick Run. Trophies were awarded to the first two finishers in the events and T-shirts were given to the first five. There were two lengths in the race, a 3.2 mile run and a 1.6 mile run.

The winner of the 3.2 mile run for the men was Mike Dillon with a 15:07 time. He was followed by Bill Kelly (15.26). The women's winner of the 3.2 mile was Karen Hill with a time of 18:54. Jane Mattingly was second with a 21:44 time.

In the 1.6 mile run, Mike Britt took the honors with a winning time of 8:46. Second place went to Bill Champion with a time of 9:00. The winner of the women's 1.6 mile was Kathy Gay with a time of 10.56. She was followed by Cindy Price (13:20).



Second Annual GSC 10,000

The second annual GSC 10,000 Road Race was held on May 3. It was sponsored by the GSC Foundation in cooperation with the Bulloch County Running Club. There were three seperate events in the overall race. These events were the 10,000 decimeters (.8 miles), the 10,000 half-meters (3.1 miles), and the 10,000 meter run (6.2 miles).

First place trophies were awarded to male and female runners in six different age groups. The six age categories were: 12 and under; 13-17; 18-29; 30-39; 40-49; and 50 and over. Everyone finishing the race received a "Georgia Southern 10,000 Race" tee-shirt.

Presley, Kinsey Honored

The Honor's Day program was held on Monday May 19 at the center of Sweetheart Circle. Dr. Herbert Bice, the 1979 Professor of the Year, delivered the Honor's Day address. Dr. Bice, who first came to GSC in 1958, talked about how GSC once was and how much it has since grown. For instance, then there were on 59 members of the faculty as compared with today's 360.

The top honors of the day went to Dr. Delma Presley and Gary Stephen Kinsey. Dr. Presley, a member of the English department, was selected as Professor of the Year in a vote held early in spring quarter. Gary Kinsey, a senior, was presented the Alumni Association Award. This award is given to the student who has the highest scholastic average and who has completed all of his college work at GSC.

Forty-five graduating seniors received excellent scholarship awards; 15 students were honored by Who's Who Among Students in American Universities and Colleges; and 22 students received awards for Constructive Leadership and Unselfish Service.

Special Awards

The Alumni Association Scholarship Award ..... GARY STEPHEH KINSEY
This award is presented annually by the Alumni Association of Georgia Southern College to the senior who has the highest scholastic average of those who have done all their college work at Georgia Southern College.

Alpha Psi Omega Drama Award ..... ***MARGARET SHELTON***

American Marketing Association Award ..... ***BETTY L. WILSON***

Bird-Brannen Scholarship Award ..... ***MATTHEW L. WOLFE***
The St. Phillips Parish Chapter of the Daughters of the American Colonists and one of its members, the late Mrs. Lawton Brannen, promote the study of American History by this scholarship, which is awarded annually to the undergraduate student in history whose work is judged excellent in both quantity and quality.

Black Student Alliance Award ..... ***GLENN NELL LOVETT***
An award given annually to a junior or senior member of the organization with the highest cumulative GPA above 3.5 and with at least two quarters of residence at Georgia Southern College.

Chemistry Award ..... ***JOHN D. BOHLER***
A Handbook of Chemistry and Physics is presented by CRC Press Inc. for outstanding achievement in freshman chemistry.

Delta Sigma Pi Award ..... ***PATRICIA HOOD HUNTER***
A scholarship key presented to the senior business administration major who has the highest GPA and who exemplifies good character.

Foreign Language Awards:

French ..... ***MICHELLE PHILLIPS***
Presented annually by the French staff for outstanding achievement in the study of French language and literature.

German ..... ***FREDA DAVIS and WANDA MENGER***
Presented annually by the German staff for outstanding achievement in the study of German language and literature.

Spanish ..... ***MARTEN BRAZIL and GARY BEASLEY***
Presented annually by the Spanish staff for outstanding achievement in the study of Spanish language and literature.

Frederick W. Taylor Award ..... ***NANCY A. COPELAND***
Sponsored by H. Minkovitz and Son, Inc. and awarded to the outstanding senior majoring in management.

Home Economics Association Award ... ***DEBBIE ROYAL and BONNIE HALL***
This award is given in recognition of service and leadership in this organization.

K-Mart Marketing Award ..... ***MELINDA R. McDONALD***
Presented annually to an outstanding senior in marketing.

National Secretaries Association Award ..... ***PAULA S. GROOVER***
Annual award to the outstanding senior in office administration.

Outstanding Achievement in English Award . ***DEBORAH BARBARA HARRISON***
Presented by the Department of English to the English major with the highest academic average.

Outstanding Achievement in Sociology and Anthropology Award ..... ***FREDA LUFFMAN***
Presented by the Department of Sociology and Anthropology to the senior with the highest academic average.

Outstanding Senior Printing Management Award ..... ***SHARON JACKSON***
Presented by the International Graphic Arts Education Association to the graduating senior with the highest GPA.

Phi Kappa Phi Outstanding Junior Awards ..... ***SAMUEL W. FOSKEY***
MARTHA J. HICKERSON
STEVE A. LYNCH
LINDA JEAN WATROUS
CHERYL M. ZAK

Phi Kappa Phi Outstanding Sophomore Awards ..... ***DONNA MAE BRANCH***
JEFFEREY I. JOHNSON
DEBORAH ELLEN PARKER

Honors

DEVRA D. PROCTOR

Phi Kappa Phi Scholarship and Essay Award ..... *WANDA SHADIX*
A scholarship presented to a junior. The award is based on academic achievement and the writing of an essay.

Physical Education Award ..... *BRUCE OWEN and SUSAN WILLIS*
Presented by the Department of Physical Education to the physical education major exhibiting outstanding scholastic achievement and leadership qualities.

Pi Omega Pi Award ..... *MONA THOMPSON*
An award of merit given by Pi Omega Pi, the National Business Teacher Education Honor Society, to the graduating member with the highest academic average.

Sigma Alpha Iota College Honor Award ..... *AMANDA ASHBURN*
Given by the National Office of Sigma Iota to the member of the local chapter displaying excellence in leadership, scholarship, and musicianship.

Sigma Alpha Iota Scholastic Honor Award *DEBORAH COSTLOW CARTEE*

T.J. Morris M.I.S. Award ..... *DOREEN LYNN GURKA*
This award is presented bthe Morris Information Systems Division of T.J. Morris to the outstanding senior in the management data processing major.

U.S. Government Printing Office Intern Awards ..... *POLLY CREECH*
AMY HAUGABOOK
SHARON JACKSON
TERRY MILLER
These awards are presented annually to the top twenty students in the United States on the basis of outstanding scholarship and ability in the field of printing management.

Wall Street Journal Award ..... *HOLLY LEIGH HOLDER*
Presented annually to a finance major for excellent scholarship.

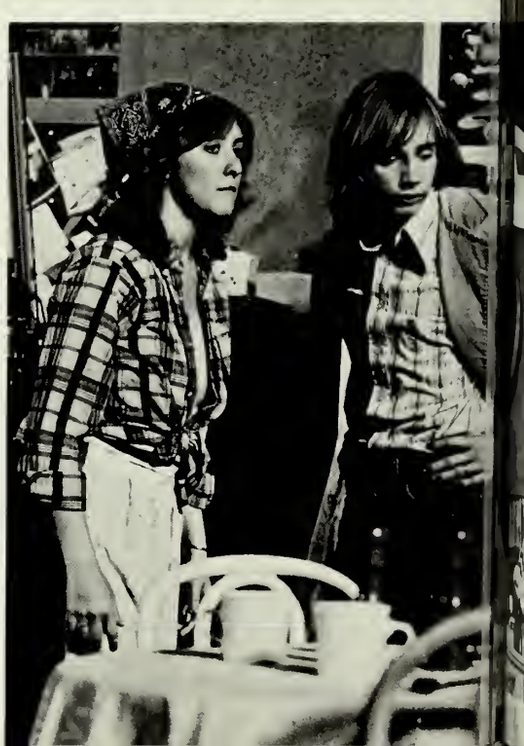
Blind Woman's Struggles Subject Of Dinner Theater

For their spring production the Masquers presented "Wait Until Dark" as a dinner theater May 14-17 in the Williams Center.

The play, a mystery by Fred Knott, is the story of a blind woman who struggles against hoods in the darkness of her apartment. Tanya Gilmore played the blind woman and Mike Funk, Johnny Guy, and Don Huele played the hoods.

Also included in the cast were Garry Fordham as Sam Hendrix; Anja Johnson as the 13-year-old neighbor; and Tommy Aikens and Kent Parajar as policemen.

Don Gaughp, director of the play, said theater at GSC should be taken advantage of. "Live theater is always better than TV or films just as live concerts are better than records or tapes. Peple are able to become part of what's going on."



Spring Graduation-1980

Students, faculty, friends, and family were gathered at the W.S. Hanner Fieldhouse June 7 at 8 p.m. as GSC graduated almost 1,000 students. Eugene Patterson, a Pulitzer-prize winning editor, delivered the 52nd annual commencement address. Patterson, a native of Adel, Ga., is the president and editor of the ***St. Petersberg Times*** and its Washington publication ***Congressional Quarterly.*** Awarded at the ceremony were approximately 170 graduate degres and 800 bachelor degrees in over two dozen fields.

The graduation festivities began at 4 p.m. when a reception was held by GSC President and Mrs. Dale W. Lick for the graduates and their families at the F.I. Williams Center. At 8 p.m. the black robed and capped graduates marched into the fieldhouse as Dr. Jack Broucek, head of the music department, played "Pomp and Circumstance." The invocation was given by Dr. Guy K. Hutcherson, pastor of the First United Methodist Church of Statesboro. Dr. Lick gave the welcoming speech and Dr. Charles Austin, vice-president for academic affairs, introduced the speaker. After the conferring of the diplomas, Donna Henderson, Alumni Association president, welcomed the graduates into the association. The singing of the Alma Mater was led by Dr. William Sandlin, assistant professor music.

The highlight of the program came when Elizabeth Leonard Headley, a blind student at GSC, received her bachelor of science degree in recreation. Elizabeth, who graduated magna cum laude, received a standing ovation which lasted until she returned to her seat.

Eagles Barely Survive With 4-23 Season Finish

Although Coach J.B. Scearce anticipated the 1979-80 season to be "one of satisfaction," the Eagles struggled through the season to finish with a 4-23 record.

The season opened on the road against two Ohio Valley Conference schools, Tennessee Tech and Austin Peay State University (APSU), handing the Eagles two losses. Although GSC outscored Tech 50-46 from the field, the Eagles lost at the free throw line, 18-7, and committed 19 turnovers to give Tech the win, 64-57.

In the game against Austin Peay, GSC shot a 55.9% from the field but committed 20 turnovers and 22 fouls, losing to APSU, 84-80.

Similar performances plagued the Eagles the remainder of the season, highlighted by only five wins.

The first win of the season came against Georgia State's Panthers in the Eagles' home opener. The 70-66 win broke a 15-game losing streak dating back to January 20, 1979.

The University of Tennessee at Chattanooga (UTC) Mocs gave the Eagle team its second victory, eight games into the season. Both the Eagles and UTC shot poorly, 34% and 29% respectively. John Fowler proved to be the hero of the game by hitting a jump shot from the corner with only 12 seconds left to edge the Mocs, 51-50.

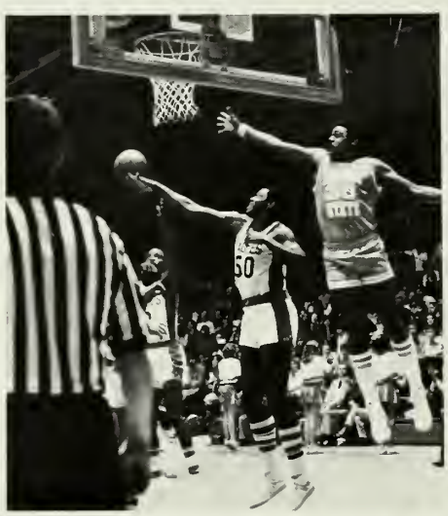
Later in the season, the Eagles and Mocs met again, with GSC coming out on top, 82-70, boosting the Eagles' record to 3-7.

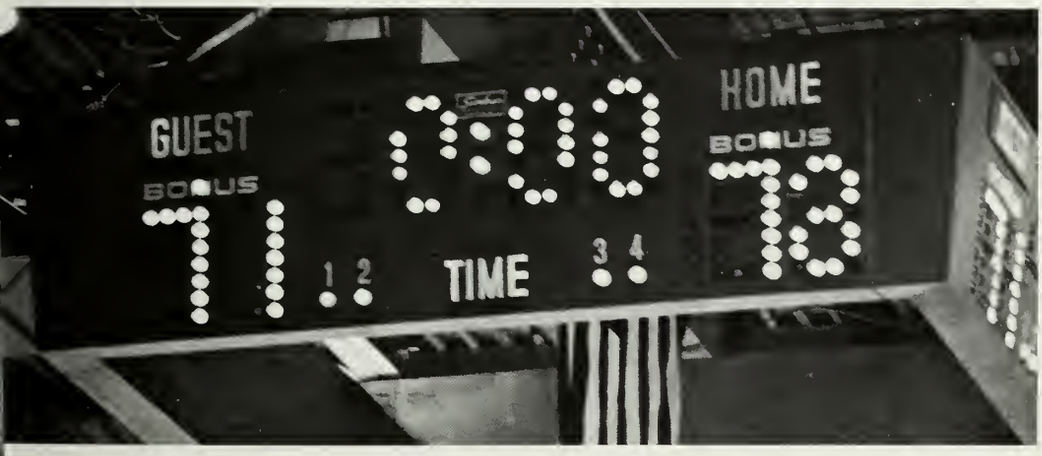
After Head Coach J.B. Scearce resigned his position, assistant John Nelson took over as head coach of the Eagles and, in their first game under him, the GSC team took its fourth victory. The win over the Mercer Bears broke an eight-game losing streak for the Eagles and raised their season mark to 4-15.

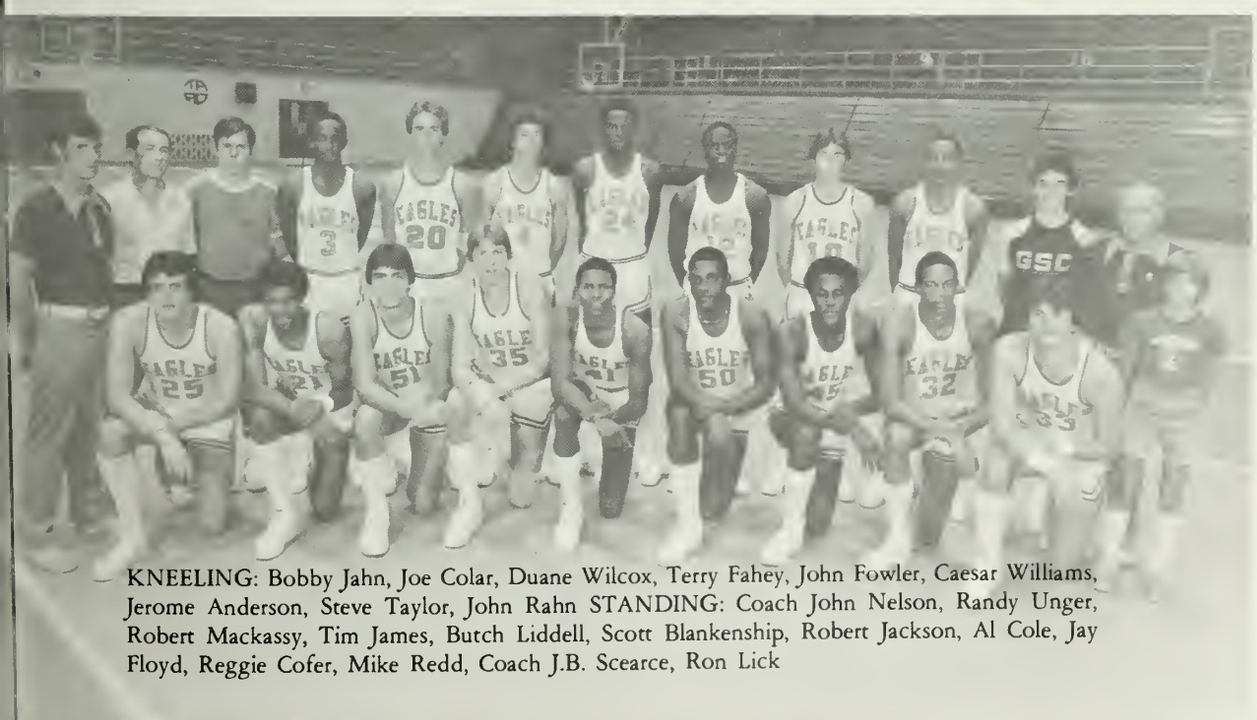
In the GSC-Mercer game, the lead see-sawed in the first half, but the Eagles were ahead at halftime, 37-30. Again, in the second half, the lead see-sawed. With 12:18 remaining, the Bears held a 53-52 lead. Tim James and Caesar Williams led in scoring to pull GSC up to a 68-59 advantage. Mercer pulled within three at 68-65, but Williams and James free throws gave GSC a 72-65 margin with two minutes left.

Mercer scored five points to tie the score at 72-72 with 38 seconds remaining. GSC's Bobby Jahn made a 25-foot jump shot with two seconds left, giving the win to his team, 74-72.

The Eagles won a fifth game, 78-71, over Northeast Louisiana, but later had to forfeit because of an academically ineligible player.







KNEELING: Bobby Jahn, Joe Colar, Duane Wilcox, Terry Fahey, John Fowler, Caesar Williams, Jerome Anderson, Steve Taylor, John Rahn STANDING: Coach John Nelson, Randy Unger, Robert Mackassy, Tim James, Butch Liddell, Scott Blankenship, Robert Jackson, Al Cole, Jay Floyd, Reggie Cofer, Mike Redd, Coach J.B. Lady Eagles Ranked Second In State, Region

Under the direction of their first year coach, Ellen Evans, the Lady Eagles finished second in the Georgia Association Of Inter-Collegiate Athletics for Women (GAIAW) Tournament and second in the AIAW Regional Tournament, to end the season with a 24-9 record.

The team won their first eight games of the season, including victories at the Carson Newman Tipoff Tournament, before falling to South Carolina, 72-69. Posting wins over Armstrong State, North Georgia, and Berry College, the Lady Eagles came out ahead in the North Georgia Christmas Tournament.

Entering the final tournaments with an impressive 20-7 record, the Lady Eagles beat Georgia Tech and Georgia State to get into the GAIAW finals against Mercer of Macon. Here the Lady Eagles faltered, losing to Mercer in the third and final round of the tournament to finish second in the state.

Competing in the AIAW South Regional Tournament held in Cleveland, Mississippi, the ladies defeated Florida and Jackson State before falling to Mercer once again, finishing second in the region.

Mercer Outlasts Southern In GAIAW Tourney Finals

The Lady Eagles, hosts of the GAIAW Tournament, lost to Mercer's Teddy Bears in the finals, 89-75. Their second-place finish qualified the team for the AIAW Region III Tournament in Mississippi.

In their first round of play, the Lady Eagles routed Georgia Tech, 77-51. A halftime lead of 37-25 gave GSC a comfortable advantage which they lengthened at the beginning of the second period with a 10 point surge. Diane Fuller led the GSC attack with 16 points, followed by Pat Hines and Terrie Housten with 12 each.

Debra Linebarger and Pat Hines paced the Lady Eagles to an early lead against Georgia State's Pantherettes. With five minutes remaining in the half, State rallied to close the margin, 28-26, but GSC hung on for a 36-31 lead at the half. In the second half, GSC never allowed State to get closer than 10 points. Renarda Baker led the GSC scoring with 15, Vuzeda Merriweather had 11, and Linebarger and Hines had 10 each.

In the championship game, the Lady Eagles faced Mercer of Macon, a team ranked in the top 20 earlier in the year. At halftime the Teddy Bears led 49-36. GSC cut the margin to 59-56 with 11 minutes remaining in the second half, but Mercer pulled away for the win, 89-75. Housten led the Lady Eagles with 24, followed by Hines with 19.

In the consolation game for third place, Georgia State defeated Valdosta State, 79-63.

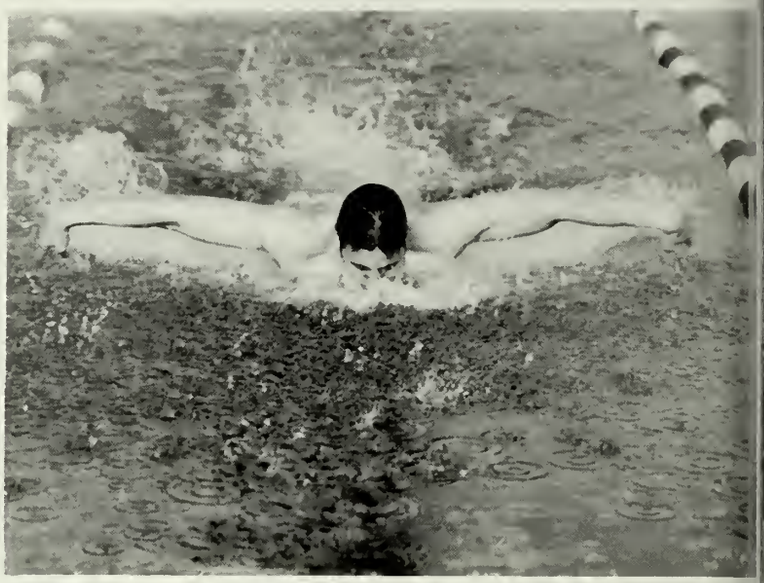
Eagles Set Four Records



An all-day meet in Gainsville, Georgia, in the Brenau Relays began the men's swimming season. The four-month schedule ended with a 4-5 record.

The most outstanding point of the Eagles' swim team was the records broken by the '79-'80 squad. Kurt Smith broke the 200-yd. backstroke record with a time of 2:00.73 in a meet with The Citadel, Eagle Randy Holt set a 1000-yd. freestyle record (10:19.2); later, he set a new 1650-yd. freestyle record with a 17:10.9 time in the Sunbelt Invitational. Also in the Sunbelt, teammate Chris Walker broke the 100-yd. butterfly with a 53.05 time.

Diver C.L. Wyatt captured 75% of the first places in all of the diving competitions.

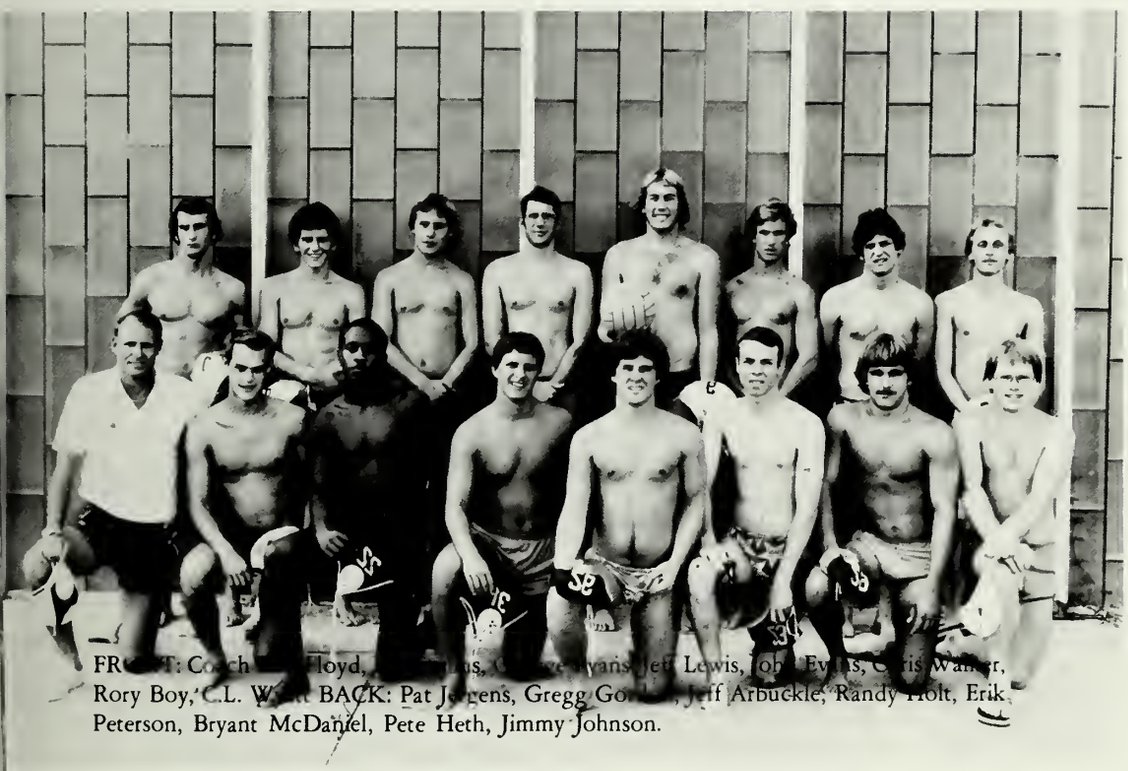
GSC Takes Fourth In Championship

Erik Peterson tallied 47 goals during the season to lead the Eagles to a 5-4 record. The team competed in nine games, two Southern Water Polo League tournaments, and the final League championship. In the championship GSC was seeded fourth and, consequently, placed fourth.



FRONT: Coach [illegible] Floyd, [illegible], [illegible] Evans, Jeff Lewis, John Evans, Chris Walker, Rory Boy, C.L. Wyatt BACK: Pat Jorgens, Gregg Gordon, Jeff Arbuckle, Randy Holt, Erik Peterson, Bryant McDaniel, Pete Heth, Jimmy Johnson.

GSC Wins 3 Titles, Receives NCAA Bid

The Eagle golfers stroked the team to a number three seed in the Schenkel Invitational and to a ninth straight bid for the NCAA tournament during a successful year.

Throughout the year, the golfers picked up victories and other top finishes to be named number seven nationally in the annual preseason poll conducted by ***Golf World Magazine*** in March.

GSC's club was one of five top-ten teams that played in the 22-team field of the 10th Annual Chris Schenkel Invitational Tournament. The Schenkel title went to Oklahoma State who beat the Florida Gators in a playoff. Host GSC placed third; sophomore Jodie Mudd placed fourth individually with a 214 total.

The linksmen finished second in the Southern Intercollegiate Championships in Athens, May 1-3. In the opening round, senior Tom Carlton shot a six-under-par to tie the course record and to break the SI record by one stroke. Individually, Carlton finished second behind Hal Sutton of Centenary.

For the ninth straight year, the Eagles' hopes were realized as they received a bid for the NCAA Division I Championships, held in late May at Ohio State. Only Wake Forest can match that string of appearances.

Going into the NCAA tourney, the Eagles held three titles, having finished second once, third twice, and ninth once in tournament play.

Lady Eagles Have 'Best Season Ever'

The Lady Eagle tennis team finished the season with an 18-4 record-"the best season ever in the history of women's tennis at GSC," according to Coach George Shriver.

Composed mostly of freshmen, the squad's victories included wins over nationally ranked Flagler College and James Madison. They fell only to the powerful teams of College of Charleston, Florida Southern, and University of Georgia. However, GSC's number three doubles team, Kim Mosely and Betsy Handwerk, defeated Georgia to give the Lady Eagles their first win over UGA in five years. Mosely-Handwerk finished the season with a 18-1 record.

Freshman Marsha Fountain compiled a 21-2 record, capturing the Georgia Division II State Tournament title and the number four singles title at the AIAW Regional Tournament. By winning the letter, Fountain earned a berth in the AIAW National Tournament in Los Angeles, Calif., in June.

Eagles Take TAAC Title, Get Fifth NCAA Regional Bid

In spite of losing several key players to graduation and to the pros, GSC's Eagles experienced another winning year, complete with a conference title and a berth in the NCAA Atlantic Regional Tournament. The Eagles' season ended with a 38-21-1 record.

May 1-4 saw GSC participate in-and win-the four-day, double elimination TAAC tournament in Macon. Five other teams battled for the title-host Mercer University, Northeast Louisiana, Centenary, Northwestern State, and Hardin Simmons.

The Eagles' first game in the tournament was against Centenary. In the sixth inning, the Eagles scored three runs to take an early 3-0 lead, but Centenary came back in the seventh to tie the score. The game went into the tenth inning before Centenary could pull out a victory over the Eagles, 4-3. Pitcher Paul Kilimonis took the loss, only his second of the season.

Game two saw the Eagles down Northeast Louisiana, 8-6. Tied at six apiece in the seventh, GSC broke loose in the eighth, scoring two runs to make the score 8-6. The win gave Chuck Lusted his eighth win of the season against three losses. Phil Leisure got credit for the save, his sixth of the year.

The Eagles defeated Northwestern in their third game of the tourney, 11-4. After six innings, GSC had a two-run lead, 4-2. Then, in the seventh inning the Eagles sent 11 men to the plate, pushing across six runs. Another run in the ninth made the score 11-4. Roger Godwin went the distance for the Eagles, picking up his fifth victory against four losses. Godwin struck out seven, allowing six base hits and walking three.

Game four saw the Eagles make a dramatic comeback in the bottom of the ninth to slip by the Mercer Bears, 5-4. GSC jumped out to a quick lead in the first inning, 1-0, but Mercer tied the score in the fourth. In the bottom of the fourth, GSC again took a slim lead, 2-1. Then, in the seventh inning, Mercer pushed across three runs to re-take the lead, 4-2. No scoring was allowed by either team in the eighth, but, in the ninth, GSC exploded, scoring three runs and adding another win to the record. Kilimonis relieved Bob Elliott in the eighth and was credited with the win.

In contrast to the fourth game, the Eagles routed Mercer in the championship game, winning 15-1. GSC batters pounded out 22 hits in the finale; Carlos Colon went the distance, getting credit for the win.

Four Eagles-Bob Laurie, Derrell Baker, Marty Pevey, and Colon-were named to the All-Tournament Team. GSC was the only team to have four players placed on the team.

Riding a 38-19-1 record and the TAAC title, GSC received a bid for the fifth time in Eagle history to play in the NCAA Atlantic Regional Tournament, held at Clemson University, May 22-25. Unfortunately, the Eagles' stay was short, being eliminated after two games, losing to South Carolina and East Tennessee.

Host GSC Takes Top Honors In First Hall Of Fame Tourney

GSC's Eagles came out on top in the first ever Hall of Fame Baseball Tournament, held here March 9-14, out of a field of seven teams. The round-robin tourney included, in addition to the Eagles, Virginia and Maryland of the Atlantic Coast Conference, East Tennessee State from the Southern Conference, American University from the East Coast Conference, Yale from the Ivy League, and George Mason, independent.

Behind Ricky Horton's pitching and Jeff Musser's and Jay West's homeruns, Virginia took an 8-3 decision from the Eagles in the tourney's opening game. This proved to be the only loss GSC suffered as the Eagles went on to post a 4-1 tourney record.

East Tennessee went 3-1-1 while Virginia came away with a 2-1-1 record. Maryland was 3-2, with Yale 2-3. American and George Mason both finished 1-4.

Lady Eagles Post 17-5 Season Record

The Lady Eagle softball squad, under the direction of coach Bill Spieth, started the season very strong for the third straight year. They began this season by competing in the Armstrong State Round Robin. They won seven of the eight games they played, defeating Armstrong once and falling to them once.

The Lady Eagles later traveled to Georgia Southwestern, defeating them twice before traveling to Georgia Tech where they split the series. They also defeated Georgia Southwestern in back-to-back games. To complete their regular season games, the Lady Eagles began a series of away games. In these last eight games, the girls dropped only three, including two to Auburn and one to Jacksonville.

Finishing the season with an impressive 17-5 record, the ladies began to prepare for the final tournaments. The team, however, was unable to capture its third straight GAIAW title due to a surprise loss to Armstrong and a disappointing loss to West Georgia. Their third place rank did, however, entitle them to a trip to the AIAW South Regional Tournament held in Columbus, Mississippi, where they placed fourth.

Sports Fans- No Longer Forgotten

Quite often sports enthusiasts (otherwise known as fans) are a forgotten element in the sportsworld-but they shouldn't be. A more dedicated breed will never be found anywhere than the die-hard, tried-and-true fan. Each one of this unusual type will brave all elements-rain, snow, or blistering sun-to cheer on his/her favorite team.

These followers are not found in any one particular socio-economic bracket but in ***all*** of them. The only important factor is the "oneness," the common bond of pulling for the same team.

Since these so-called "fanatics" are often seen only in the background (if at all) and are seldom considered as "special," the pictures here and on the following three pages are a salute to all Eagle fans everywhere.

Go get'em!!

Baptist Student Union

BSU Offers Wide Range Of Programs For Members

The Baptist Student Union is involved with students' needs as well as outreach. The BSU operates through an executive council and under the leadership of a campus minister. The council members are composed of the president of the BSU and the chairmen of eight committees. The committees provide a variety of activities and opportunities such as nursing home visitation, work with underprivileged children, and church services led by students.

The students are given the opportunity to get involved with Wednesday night worship services, drama and puppet teams, choir, intramurals, and summer missionary service. The well-rounded programs of the BSU cover a wide range of interests such that anyone can be as involved as he likes.

Bio-Science Club

Trips Highlight Club's Calendar

The purpose of this club is to promote extracurricular activities relating to the field of science. All interested students, regardless of major, are invited to join.

This fall's events included the annual fall cookout for members, faculty of the Biology department, and students interested in the club. During winter quarter there were two trips: one, a canoe trip, down the Ebeneezer River; the second was a backpack trip on Cumberland Island. (It was cold!)

There were several activities during the spring. Members decided to honor Earth Day, April 22, by planting two trees beside the infirmary. Other events included a bicycle trip to Magnolia Springs State Park and a day trip to Okefenokee State Park with Dr. McKeever's ecolgy class.

TOUCH THE EARTH,
LOVE THE EARTH,
HONOUR THE EARTH,
HER PLAINS, HER VALLEYS,
HER HILLS AND HER SEAS;
REST YOUR SPIRIT
IN HER SOLITARY PLACES.

--Henry Beston

Campus Crusade For Christ

Group Sponsors Pat Terry Concert

Campus Crusade for Christ, founded in 1951 at UCLA, is a movement committed to communicating the person of Jesus Christ to the college campus in a culturally relevant way.

Highlights of 1979-80 included a Crusade-sponsored Pat Terry concert and the regularly scheduled College Life.

GSC Cheerleaders

Chi Omega

Sisters Have 'Good Year'

The 1979-80 year was a good one for the Nu Kappa Chapter of Chi Omega. They placed third in Sigma Chi Derby Week, second in the Homecoming parade float contest, and a representative on the Homecoming Court, and placed in several Greek Week events.

Numerous service projects dotted the sorority's calendar, including kidnapping fraternity presidents for Thanksgiving kindness, participating in the Heart Fund Drive, ADPi dance marathon, Special Olympics, and a fishing rodeo for High Hope.

The sisters were involved in social activities, too, including fraternity parties and a lock-in-spend-the-night party at the Chi O lodge.

Activities Are 'Nuts 'n Bolts'

Circle K is a service organization through which college students can find a means of responsible student action in their communities and a more active involvement in direct personal service.

The members are involved in "nuts 'n bolts" activities that help people and serve the campus and community as clubs perceive needs that can be met.

Activities included a Halloween party for the Bulloch Memorial Hospital; visiting Brown's Nursing Home; Circle K training conferences; district convention in Athens; and delivering over 4,000 children's books from the Albany library to the Statesboro library.

Delta Chi

Delta Sigma Pi

Officers for 1979-80 were: Jay Fulton, president; Sharon Jackson, vice president (senior); Ronnie Curl, vice president (pledge education); Stephen Jones, vice president (professional activities); Richard Knieriem, treasurer; Laura Seyle, secretary; Laura Exley, CEI chairman; Cathy Chappell, chancellor; Ann Thigpen, historian; Anona Kicklighter, alumni activities.

Delta Sigma Theta

Members Stress Public Service

Delta Sigma Theta Sorority, Inc., has been involved in the campus and community ever since its founding in January, 1979. The members have been active at the community level with visits to the nursing homes and with trick or treat at the hospital with the children.

The sisters work each year with the Red Cross, Heart Fund, and Cancer Drive as well as the Reading Is Fundamental Program with the public library.

Delta Sigma Theta is a public service sorority dedicated to the serious endeavor of college women. As members of Delta Sigma Theta the GSC chapter, Xi Eta, strongly stresses community service and high academic achievement.

Today, Delta Sigma Theta Sorority has over 90,000 members and 25 chapters across the U.S., Liberia, the Republic of Haiti, the Virgin Islands, and Germany.

Delta Zeta

GAIAW Hospitality Room Highlights Year

The Fellowship of Christian Athletes endeavors to know more about Jesus Christ and His way of life, to be active in His church, to strive to be Christians in their personal lives, and to share their convictions with others.

To accomplish these things on the campus of Georgia Southern, they have participated in various projects, including Youth Encounter days at Pinewood Christian Academy and a local church. They have also visited an area nursing home to entertain and fellowship with the tenants; served as marshals in the Smokeout Road Race; and assisted in the Bankers Breakfast for the GSC Foundation.

A highlight of the year was the FCA-sponsored hospitality room for the GAIAW Women's State Basketball Tournament. Members hosted the visiting teams and staffed the hospitality room for the entire tournament.

To further their unity in Christ they have held camping trips and their annual FCA Banquet.

"Progressus per Eruditionem"

Gamma Beta Phi

Club Encourages Scholastic Effort

The Gamma Beta Phi Society was instituted for the promotion of the ideals of scholarship, service, and character among college students in the United States.

It is a non-secret, non-profit, scholastic honor, educational-service organization for the students in colleges and universities. The society's primary purpose is to encourage scholastic effort and reward academic merit, to stand for and promote worthy character and high ideals, and to foster, disseminate, and improve education through appropriate service projects.

GSC's chapter is active throughout the year in campus and community projects. Each year the society sponsors a faculty appreciation day and professor of the year, helps with the blood pressure check-up drive, and often serves as guides for prospective students and as ushers for the Masquers' productions.

Paper Has 'Year Of Change;' Wins 13 Press Awards

This was a year of newness and change for the ***George-Anne*** and its staff. And it was a year for winning.

The GSC newspaper won 13 awards at the Georgia College Press Association annual convention, more than any other college paper in Georgia and, more importantly, more than any ***G-A*** staff.

The publication schedule was changed in order to distribute the newspaper on Thursdays instead of Mondays so that the information in the paper could be more timely.

A new printer for the ***G-A*** was found in Swainsboro at the ***Forest Blade,*** a weekly newspaper there. The change has yielded consistently better graphic quality for the publication.

The staff of the ***G-A*** was in a constant state of change in 1979-80. Only two of the original staff members lasted the entire year: Ken Buchanan, editor, and Sarah King, managing editor.

The final staff at the end of spring quarter also included: Don Fain, news editor; Sally Scherer, features editor; Alan Loper, sports editor; and Tal Wright, assistant news editor. A host of other staffers and reporters worked hard to make the 1979-80 George-Anne one of the most timely and interesting ever.

GSC Band

GSC Fencing Club

Sport Appeals To The Daring

The GSC Fencing Club was founded in 1972 by Geoff Elder, a grad student, Dr. Frank French, and some undergraduate students. After Elder left GSC, Dr. French took over the reins and has made the club the most active fencing club in the state.

The Fencing Club holds two tournaments every year, the Geoff Elder Open and the Octoberfest. The Elder, which was started in 1972, is named for the club's first coach. It is the second largest fencing tournament in Georgia. The Octoberfest is recognized for the festive-appeal and the unusual event of placing men and women together in a one touch foil competition.

Fencing is truly an interesting sport. It tends to appeal to the adventuresome and daring type person. Fencing has been called an art and the oldest modern sport, but to the GSC fencers it is hard work, friendship, and fun. The GSC Fencing Club stresses both practice for the much-needed skills and social events for the unification of the club members.

The club participated in the following events: Atlanta Open (Atlanta), Octoberfest (Statesboro), USC Open (Columbia, SC), Novice Foil (Atlanta), Brenau Open (Gainesville), Geoff Elder Open (Statesboro), Pink and Blue (Charleston, SC), Augusta Open (Augusta), Greater Athens (Athens), Collegiate Championships (Statesboro), Georgia Divisionals (Atlanta), and Southeast Sectionals (Nashville, TN).

Kappa Alpha

Celebrates Anniversary

The Iota Pi Chapter of Kappa Alpha Psi, whose purpose is achievement in every field of human endeavor, celebrated its first anniversary on March 10. This glorious occasion was highlighted by a revitalization of "that good ole Kappa spirit" and a rededication ceremony.

As usual, the brothers of Kappa Alpha Psi were very active in enhancing the well-being and social lives of the campus and community. Among the various activities were a Food for Life Drive, Sunday morning transportation to church, and monthly visits to area nursing homes.

The Chapter is now in process of establishing a minority scholarship at GSC. The brothers attended the Southeastern Province Council Meetin, held in Greenville, SC, where they received the Guide Right Leadership Award for the second consecutive year. The Iota Pi Chapter of Kappa Alpha Psi trained for leadership for one year.

Kappa Delta

Sisters Enjoy Year Of Winning

The year 1979-80 was a year of winning for the sisters of Kappa Delta. Their achievements included winning: Sigma Chi Derby Week, intramural football, intramural basketball, Miss GSC 1980 (Mia Wade), Greek Goddess (Jan Bradford), Miss Congeniality at Miss GSC pageant (Teresa Wright), and Dale Lick Run (Kathy Gay).

KD's national philanthropy is the Crippled Children's Hospital.

Phi Delta Theta

Phi Mu

Active In Service Projects

Phi Mu proudly hosted tne Chris Schenkel Invitational Golf Tournament for the 10th year, April 24-27.

Phi Mu place 2nd overall in Derby Week winning the count and skit contest. Also, that week Pam Tomberlin won 1st place in the dance contest, Angie Bellamy was 1st runner-up in Miss Darling Debut, and Paula Groover holds the title of Miss Derby Day.

Tambo Bowen was one of the five finalists in the Homecoming Court. Phi Mu entered a float with EX in the parade.

Angie Bellamy was 1st runner up in the Miss GSC pageant and Kelly Shepherd placed 3rd.

Phi Mus participated in Greek Week activities and won 1st place in Greek sing with a varied Broadway production.

Phi Mus participated in Intermural football, basketball, volleyball, holds 2nd place in bowling and softball.

Phi Mus have been active in service projects supporting the ADPi dance marathon for the Kidney Foundation, supporting TKE and EX basketball marathon for the handicapped, supporting ATO and EX softball marathon for High Hope, and winning 1st in spirit for this marathon, also, Phi Mus walked 7 miles for their Philanthorpy project Hope, collected for the Heart Fund, made Valentines for the Old Folks Home, and were ushers for Miss GSC pageant.

Phi Upsilon Omicron

'79-'80 Greatest Growth Ever

Pi Kappa Phi Fraternity, a very personal experience, was founded at the College of Charleston on December 10, 1904, and came to GSC on November 2, 1968. Pi Kappa Phi, had its greatest growth ever during the 1979-80 school year.

Pi Kappa Phi was very active in the community through such projects as UNICEF, Special Olympics, and the Red Cross Heart Fund Drive. This year the fraternity raised $1,000 for their national project, Play Units for the Severely Handicapped (PUSH) in the First Annual Pi Kappa Phi and Sigma Chi Twenty-four Hour Basketball Marathon.

In athletic competition, Pi Kappa Phi participated in the Great American Smoke-Out Road Race, receiving the Participation Award. The fraternity also won the First Annual Delta Chi-High Hope Softball tournament. Pi Kappa Phi also made great showing in basketball, softball, and football. During Greek Week, the fraternity won the Chariot Race and tennis competition.

The year's social activities centered around a number of theme parties, such as Casino Party, Hawaiian Party, Studio 54 Party, and the Western Party. The biggest social event was the formal beach trip for the alumni, Rose Ball, held each spring quarter.

Pi Omega Pi

Pi Sigma Epsilon

Pi Sig Ranked Seventh Nationally

Pi Sigma Epsilon, a sales and marketing fraternity, had a very prosperous year. During its first full year PSE engaged in many professional and fund raising projects. The year's activities included sponsoring movies, the book exchange, participating in the Organizational Fair, and the Miller Pick-up contest.

PSE also does consultant work for small businesses in the area under the Small Business Development Center. PSE co-sponsored a Career Awareness Day.

Fifteen members traveled to the national convention in Louisville, Kentucky where they were recognized as ranking 7th in national standings. They ranked third in the marketing projects with the Valentine's project.

This year's officers were Cindy Crowley, President; Mark Layfield, V.P. Marketing; Allan Hightower, V.P. Public Relations; Steve Taylor, V.P. Administration; Pam Ivie, V.P. Personnel; Lynn Stults, Recording Secretary; Marene Lee, Corresponding Secretary; Donna Collins, Treasurer; and Sandy Borland, Social Chairman.

Political Science Club

Activist Club Holds Forums

The Political Science Club had a very successful year. The club sponsored the following events: a forum on how a student can become a delegate to a national party convention; a session with a representative from the Socialist Workers Party; an Iran Forum that was well-attended by students of different persuasions; four public speaking engagements involving candidates for the U.S. Senate; a forum concerning the optential value of a political science degree and a session dealing with the new country of Zimbabwe in Africa.

The club topped off the year with a week-long symposium, "Nuclear Awareness Week," which consisted of a series of public debates concerning the issue of nuclear energy and nuclear arms.

The club is an activist organization that is open to all students interested in politics.

Professional Office Administrators Organization

Club Seeks To Attain Professional Level

The Professional Office Administrators Organization began in the fall of 1979. The objectives are to attain professional competence by stimulating interest in office administration, developing better understanding of office responsibilities, and providing the basics necessary to the preparation of future professional office administrators.

Officers are Lynnah McGee, pres.; Kay Shelley, vice-pres.; Sheryl Stone, treas.; Paula Groover, recording sec.; Lee Weaver, correspondence sec.; Mary Jenkins, chaplin.

Sigma Phi Epsilon

Sig Eps Have Active Year, Bring Home Three 'Firsts'

Founded on November 1, 1901, in Richmond, Virginia, Sig Ep is the second largest college social fraternity nationwide. Sigma Phi Epsilon stresses the principles of virtue, diligence, and brotherly love.

The Sig Eps were very active in the '79-'80 academic year. They brought home the first place homecoming float with Delta Zeta. In flag football, they won third place, and in basketball Sig Ep captured first in fraternities and second overall. First place in the Miller Pick-Up was another accomplishment.

The Sig Eps were active in community service, too. They supported the ADPi Dance Marathon and helped collect for the Cancer and Heart Fund Drives.

Members are: (FRONT) Felicia Harber, Cheri Crafton, Ellen Smith; (SECOND) Sue Sanders, Emilie Martin; (THIRD) Melinda Blackerby, Brenda Larson; (FOURTH) Anita Shuman, Kim Wallace, Lisa Bridges; (FIFTH) Melody Hatcher, Carol Hobbs, Tara Hardwick, Jean Bell, Kathy Fiehman; (SIXTH) Bob DePaulo, John Van Deburgh, Vince Carr, Doug Patterson; (SEVENTH) Zip White, Chip Wood, Mike Nash, Bud Davis, David Beard, Jeff Nelson, Greg Arnsdorff, Robert Reps, Greg Vickery, Fred Adams, Frank Godger, Jay Grover, Pat McBride, Bob Billard; (EIGHTH) Bobby Gonzalez, Russ Patchett, Chuck Thompson, Ricky Doak, Buck Kilgore, Frank Voight, Dee Gottman, Jimmy Millett, Howell Sweat, Mike Kinion, Walter Daniel, Eric Felland, Bill Wilson, Butch Corona, Jerry DeWine, Ken Traylor, Randy Brown; (NINTH) Tom Dyar, Brett Schwartz, Wayne Woodside.

Sigma Pi

Society Of Manufacturing Engineers

Members are (l-r): Wayne Murphy, Bob Riess, Jimmy Bennett, Jeff Harrison, Bob Boone, Doug Fowler, Jim Wynn, Frank Holley, Keith Newberry, Daniel Bolta, Ben Boutwell, Wesly Parker, Tim Canney, Michael Dean.

Society Of Physics Students

Southern Rugby Football Club

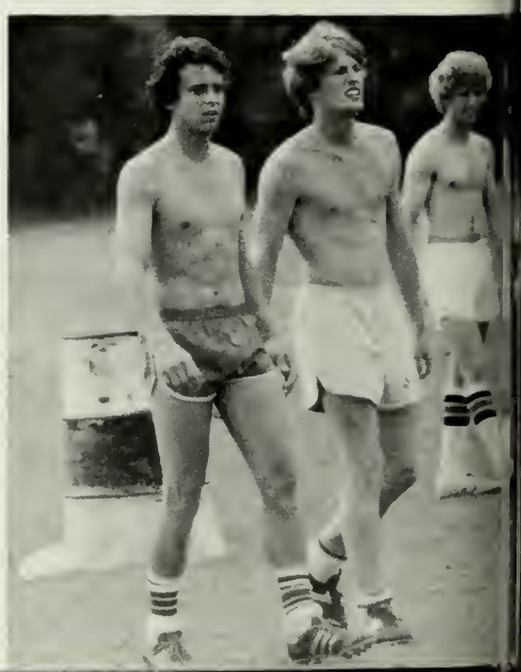
Club Wins 'Frog Jump' Bowl

This year's version of the Southern Rugby Club became firmly established as a team to be reckoned with. The club made many advances on and off the field, including winning the Frog Jump Super Bowl in South Carolina, placing second in the Coastal Area Championships, and making their presence felt in the prestigious Bold City Rugby Fest in Jacksonville.

Combining the elements of awesome strength and size in the forward pack and hard hitting power running in the backlines, the Southern Club bested many opponents this year. The most fitting compliment came from a University of South Carolina rugger who said, "Those guys never give up." Look for great things from the Southern Rugby Club because great things are on the way.

Officers are: Paul Whitaker, President; Ulysesses Knotts, Treasurer; Bruce Wells, Secretary; Scott Terrell, Captain; Gil Bell, Co-Captain, Forward Coach; Bob "Jake" Church, Co-Captain, Back Coach; Skip Hanson, Head Coach.

Soccer Club



Interested In Special Children

The Student Council for Exceptional Children is a professional organization comprised of members interested in special children. Membership is open to all majors.

SCEC had several fund raising projects during the year. On Halloween, the club members dressed in costumes and gave out candy at the Trainable Mentally Retarded Center and the Child Development Center. Toru Watanabe gave a lecture on special education in Japan. The SCEC attended the national and state conventions.

Tau Kappa Epsilon

Zeta Tau Alpha

Sisters Enter, Win Contests

A successful rush was just the beginning of Zeta Tau Alpha's busy school year. Involvement in money-making and service projects such as the ADPi Dance Marathon took place throughout the year.

ZTA participated in the Sigma Chi Derby Week where Diana Mann was named first runner-up in the Miss Derby Day Contest.

Zeta's involvement in intramural sports brought Linda Smillie the Punt, Pass, and Kick award; the bowling team was another winner, placing first.

In addition to social events with their big brothers and other fraternities, ZTA held their annual Fall Pledge Dance, Parents' Day, and Alumnae Weekend.

During the Homecoming events, Carole Davis tied for first runner-up to the Homecoming Queen.

Greek Week was a success for the ZTAs. Julie Ginn won Greek Woman of the Year, Carol Caronis was a finalist for Greek Goddess, and big brother Buddy Johnson won Greek God. Other awards were second place in Greek Sing, and first place in badmitton and swimming.

The ZTAs ended the year with a beach trip to Jacksonville, Florida.

WVGS

Accommodates 'Finickiest' Of Listeners

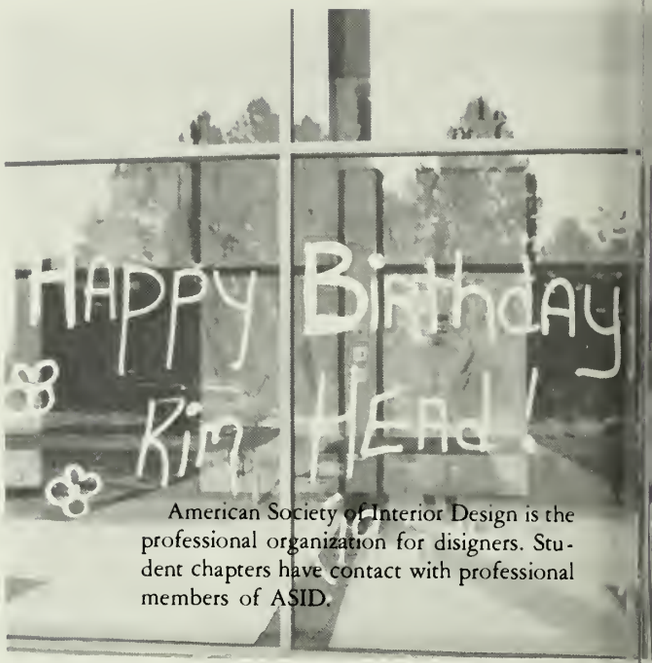
WVGS is GSC's student-owned and -operated radio station. We offer an incredible array of programming designed to accommodate even the finickiest of listeners. WVGS features a wide variety of programming such as classical, jazz, folk, reggae, blues, comedy, and ethnic music. During this past year, VGS featured a documentary on the Barnwell Anti-Nuclear Rally, a broadcast of the Albert Collins concert here at GSC, interviews with GSC administrators, and sponsored the SGA elections forum.

WVGS is open to participation from all students and welcomes input from all areas of the campus.

ADVENT
SPARTA
SPARTA

There Are Others . . .

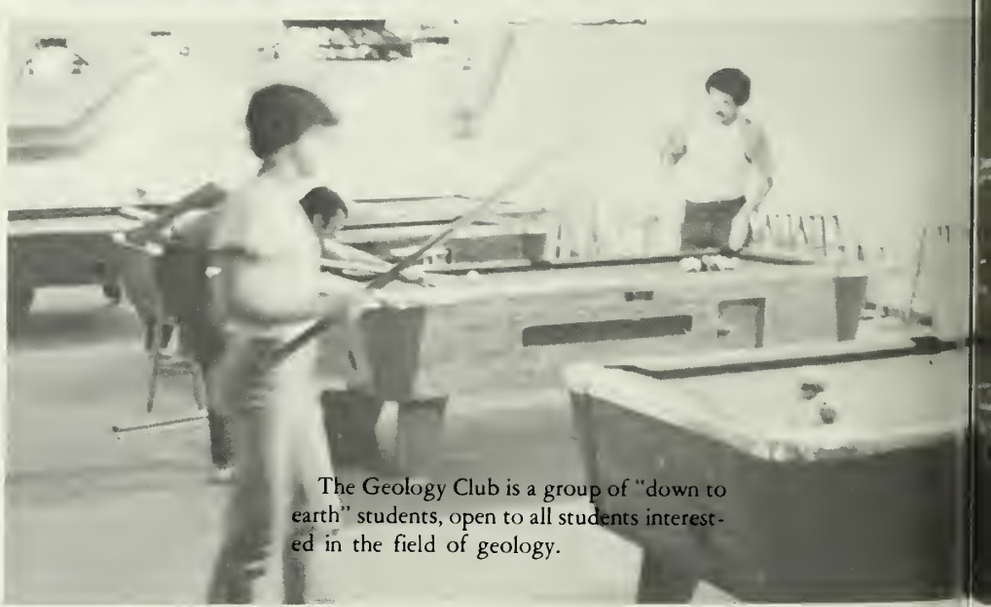
The organizations listed here and on the following three pages provided insufficient material to receive seperate pages. This problem in communication between the organizations and the yearbook will hopefully be solved in the next volume.



American Society of Interior Design is the professional organization for disigners. Student chapters have contact with professional members of ASID.

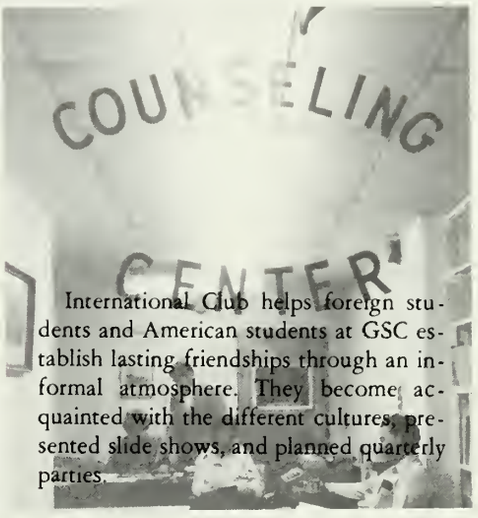
Criminal Justice Club

Delta Phi Alpha



The Geology Club is a group of "down to earth" students, open to all students interested in the field of geology.

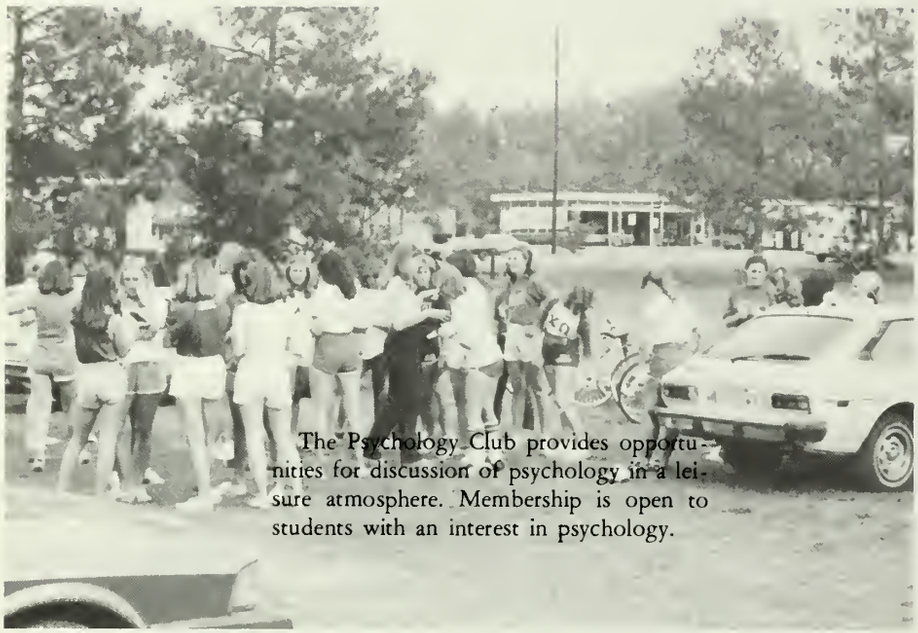
GSC Chess Club promotes an interest in chess. Membership is open to all students with an interest in learning and in excelling in the high-strategy game.



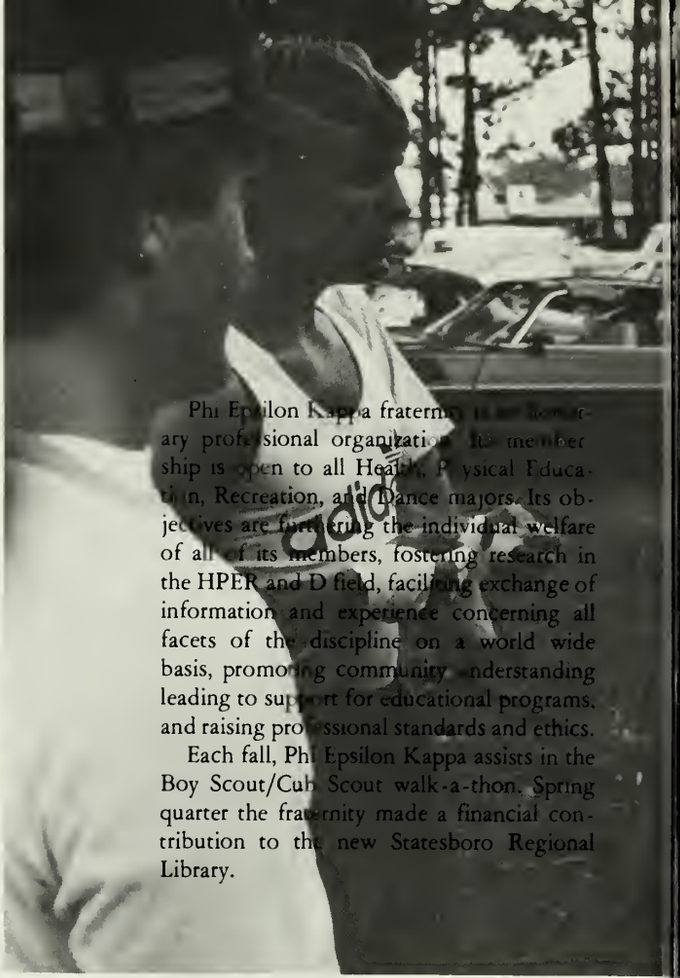
International Club helps foreign students and American students at GSC establish lasting friendships through an informal atmosphere. They become acquainted with the different cultures, presented slide shows, and planned quarterly parties.

Omicron Delta Epsilon is an international honor society of economics which promotes interest in professional economics.

Phi Alpha Chapter of Phi Alpha Theta promotes an interest in the study of history and encourages outstanding scholarship in historical studies among GSC students.



The Psychology Club provides opportunities for discussion of psychology in a leisure atmosphere. Membership is open to students with an interest in psychology.



Phi Epsilon Kappa fraternity is an honorary professional organization. Its membership is open to all Health, Physical Education, Recreation, and Dance majors. Its objectives are fostering the individual welfare of all of its members, fostering research in the HPER and D field, facilitating exchange of information and experience concerning all facets of the discipline on a world wide basis, promoting community understanding leading to support for educational programs, and raising professional standards and ethics.

Each fall, Phi Epsilon Kappa assists in the Boy Scout/Cub Scout walk-a-thon. Spring quarter the fraternity made a financial contribution to the new Statesboro Regional Library.

The Public Relations Student Society of America encourages understanding of current theories and procedures in the practice of public relations, provides an opportunity for students to become acquainted with professionals of public relations. Membership is open to interested GSC students.

Sigma Alpha Iota is an academic fraternity for women in the field of music. They provide programs for concerts and various other musical performances.

Society for Public Administration

Sociology Anthropology Club members include Angela Graham, Karen Robbins, Agneta Jaghem, Kelly Canady, Kim Stradling, Kathy Idagan, Effie Smith, and Freda Luffman. This club provides students with an impartial forum for the discussion of public issues and seeks to enlarge the professional opportunities of Sociology and Anthropology students.

Student Home Economics Association state officers are Debbie Aulday, UGA secretary; Sandra Stevenson, UGA historian; Gail Walford, UGA, reporter; Betty Childs, UGA, vice president; Candy Kemp, UGA, treasurer; and Joy Cleveland, UGA, publicity chairperson.

Lick Plans Improvements

During his first two years as president here at GSC it has become increasingly clear that Dr. Lick is a man of action. He recognizes the growth potential at GSC and has formulated several plans for the college's development. His future goals for the college include gaining university status and additional programing, strengthening of existing programs, and creating a doctoral program in GSC's school of education.

When he is not busy instigating changes at GSC, he spends his spare time fishing and playing tennis and golf. He is also a loyal fan of all of GSC's team sports. Another hobby is writing. He writes columns for some twenty newspapers and has written on such topics as interinstitutional cooperation, hunger and malnutrition, and educational innovation.

Dr. Lick stated that what he likes best about Georgia Southern is the friendly atmosphere and people. What he likes least is the constrained budget that GSC has to work with. He feels that GSC deserves additional funding to keep up with its future development and expansion.

Austin Optimistic About Future

In his second year as vice-president, Dr. Charles Austin speaks with pride about the home he has found here at GSC and with optimisim when discussing its future growth and development. Dr. Austin said that he likes the size of the school and the cooperation of the faculty. "GSC is large enough to offer a wide range of program but small enough that students do not feel lost and are acquainted with most of the students in their major." Basic changes, he said, should include additional funding and a broader graduate program.

In his spare time, Dr. Austin enjoys reading, golf, tennis, amateur photography, and just being with his wife and five children. He has also done some lecturing in classes here at GSC. A firm believer in involvement, Dr. Austin is a member of a special accrediting committee. His basic objective at GSC is "to help Georgia Southern continue to develop into a fine institution of higher learning with a good sound academic background. A good reputation is the only way to attract students of academic quality."

Cook "Proud" To Be At GSC

"Proud to be part of GSC," Mr. Bill Cook, vice president of business and finance, considers the students to be "the best part of GSC" because they are friendly and cooperative.

Optimistic about GSC's future growth, Cook feels that the college needs additional funding. This funding would allow expansion of programs at GSC, making the college more appealing to a wider variety of students.

Cook was recently appointed to a committee to study the optimal distribution of institutions. Concerned with the promotion of institutions to university status, this committee determines if institutions have a viable purpose for existence.

At home, Cook enjoys golf, fishing, and gardening. As a father of two children, Cook has a background of working with young people, which helps him in his job at GSC.

World Travel Gives Wachniak "Education"

World wide traveling taught Ms. Lana Jane Wachniak, criminal justice professor, about the "different peoples and cultures which exist around the globe."

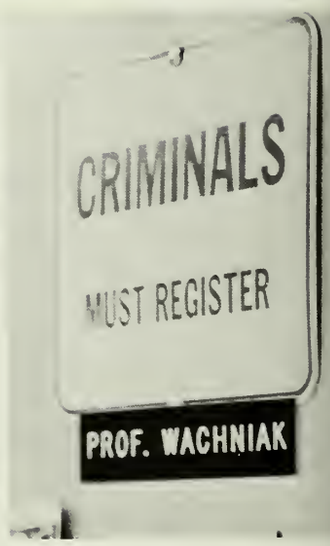
Her travels began as part of her doctoral work at Florida State and were based in London. From there she toured most of Europe — Spain, France, Italy, Czechoslovakia, Germany, The Netherlands — and part of Africa. In fact, she hitchhiked across Europe.

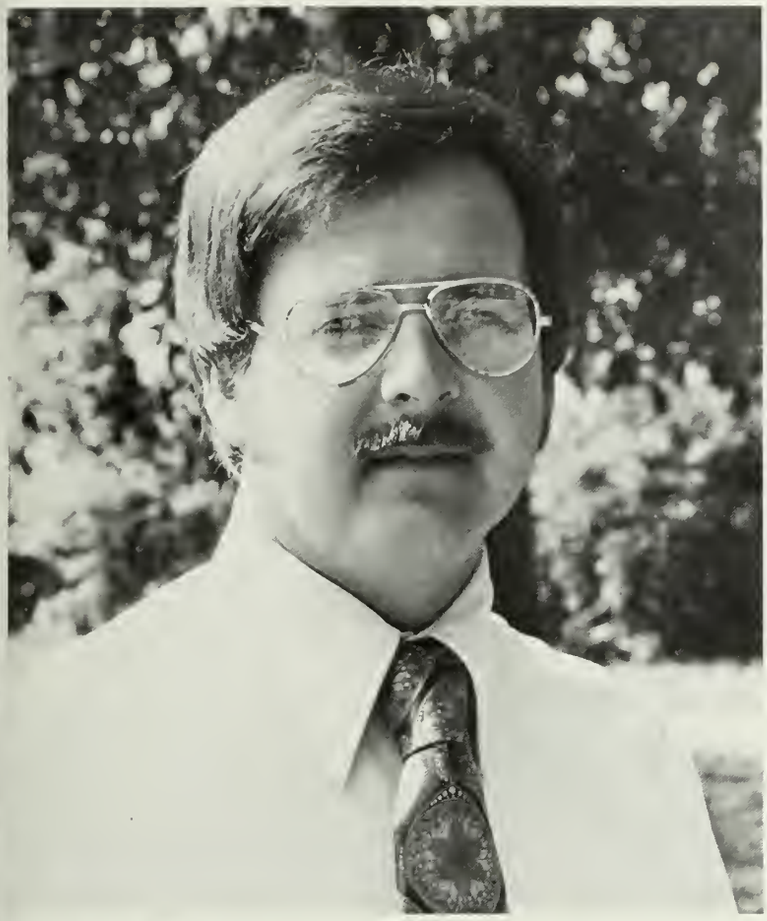
Wachniak noted that the primary difference between our culture and others is the political systems of other countries. "While we may criticize our own government, other countries fear and respect their own political systems," she said.

Waiting in line at supermarkets in Czechoslovakia and in Hungary was a new "experience" for her, she recalls, "Only two or three people were let in at one time. The selection of items to purchase was limited, too."

In Africa, she found "many cultural shocks. Women wore scarves around their faces; people fought in the streets." And, in Switzerland, she saw free performances, such as Diana Riggs, Alec Guiness, and Maggie Smith.

Here, at GSC, Wachniak enjoys teaching because she "loves interacting with the students." And, despite her travelling, she "loves" Statesboro.





Physics — More Than A Job

Many of Mr. Chip Mobley's pet projects center around physics — the same field he teaches in at GSC. In the past, he has worked for NASA in the jet propeller laboratory; his dream is to build solar-heated houses; and he is currently involved in distilling alcohol by using solar energy.

Mobley believes that alcohol will emerge as the logical replacement of gasoline when the latter reaches the $2 per gallon mark. According to him, alcohol can replace gasoline with a few minor adjustments in the motor.

In addition to his solar energy projects, Mobley's hobbies include sailing, flying, and coin collecting. Sailing, he maintains, requires "a great deal of concentration and patience." He recently placed second in the St. Paddy's Sailboat Race in Savannah. He also takes groups to the Bahamas two or three times a year.

Flying is another "passion" of his. He owns his own plane, but usually confines his trips to Atlanta or Miami. However, he once flew to South America. He is currently restoring an old engineer plane.

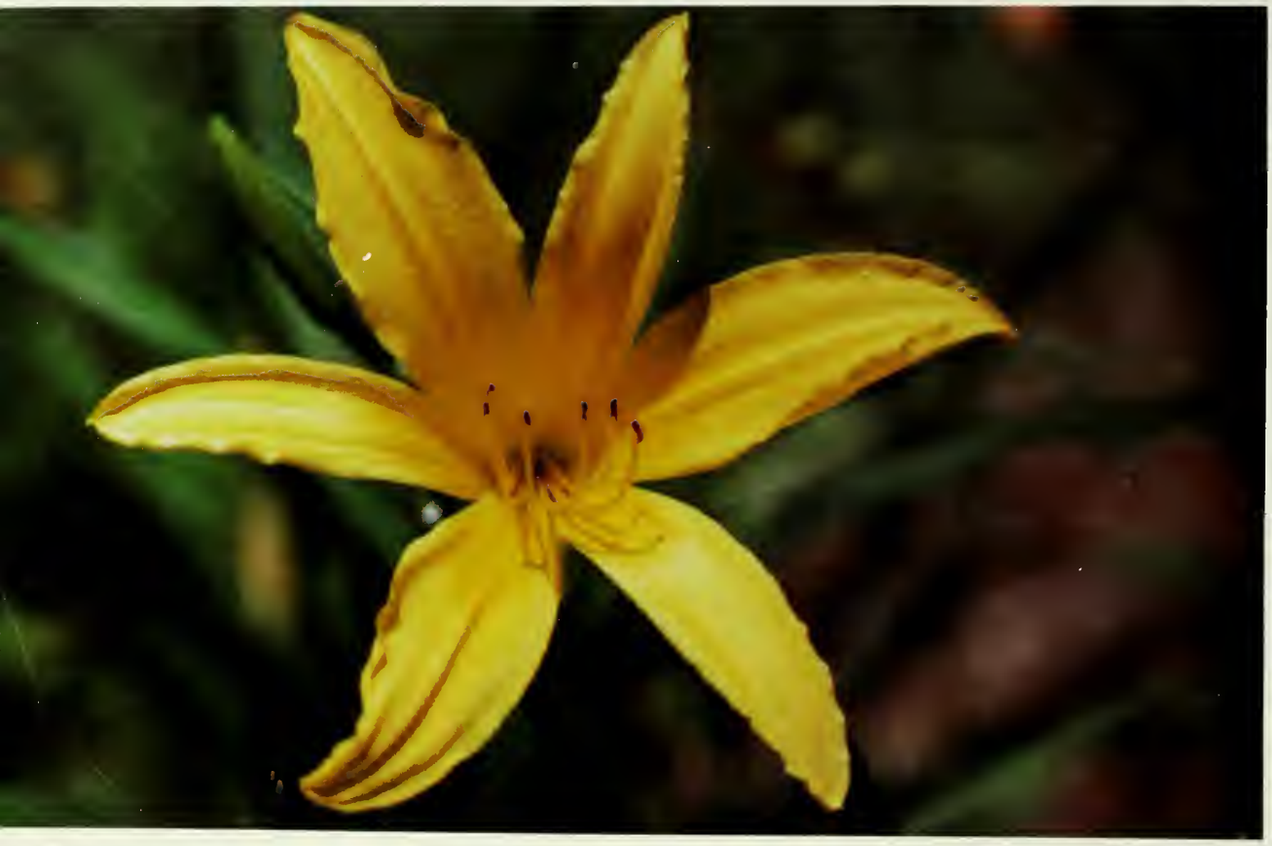
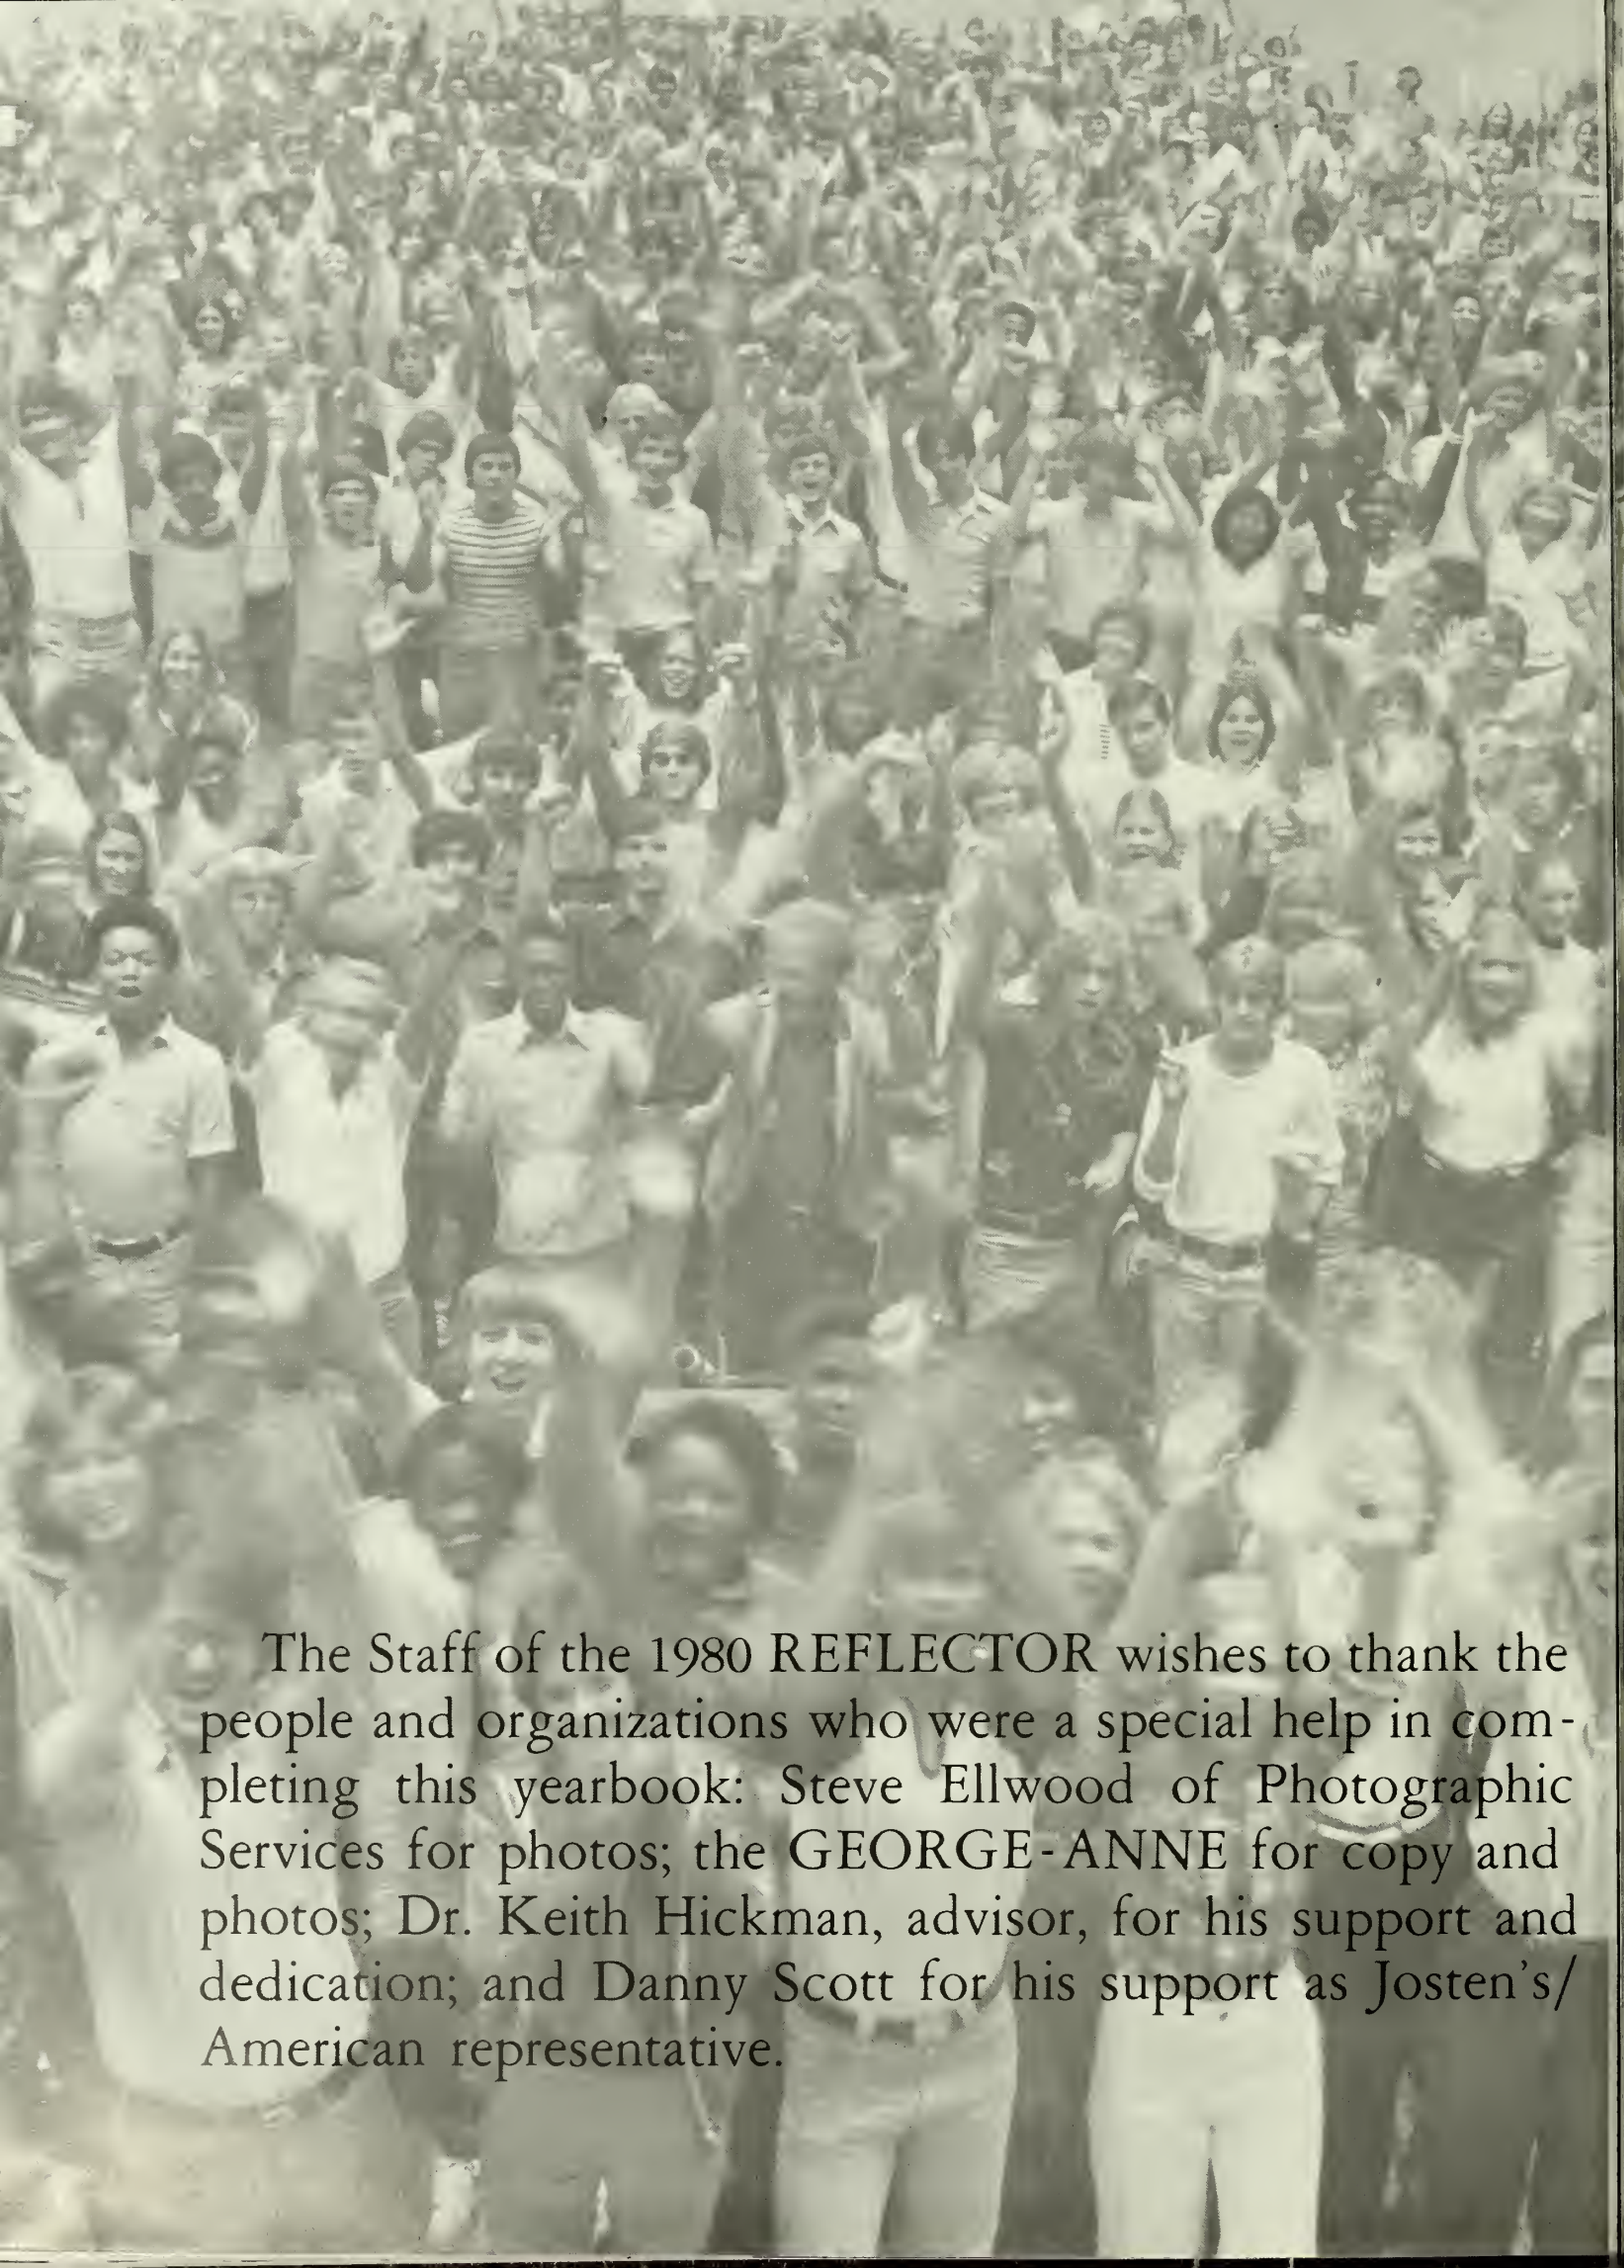
There Is A Common Belief, Which Perhaps Is Just, That There Is Not So Much Friendship In The World As There Used To be. Various Causes Have Been Assigned For This-That Men Are Less Heroic, More Querulous, More Selfish, More Domestic . . .



. . . In my opinion the real cause is want of time. And it must be remarked that to keep up friendship, it is not sufficient to have spare time now and then; but you require an amount of certain and continous leisure.

-Arthur Helps



The Staff of the 1980 REFLECTOR wishes to thank the people and organizations who were a special help in completing this yearbook: Steve Ellwood of Photographic Services for photos; the GEORGE-ANNE for copy and photos; Dr. Keith Hickman, advisor, for his support and dedication; and Danny Scott for his support as Josten's/ American representative.
