*Memories are the
only things that
last —*

*Of the days gone
by that we call
our past.*

*The friends that we
loved and the
pleasure they gave —*

*Time fades the
memories that we
seek to save.*

*The present is what
we live for today –
Whether it be sunny
or if it is gray.*

Today is the only thing in life
we know we have to share.
It can be so precious if we
learn to take the dare.

*Realize each day's worth
for soon it won't be here*

*For the past becomes
the present as the
future draws ever near.*

*The future to some is
uncertain for it's
impossible to say –
That we'll take the
right path in life or
if we'll lose our way.*

*But the future holds promise
because the dreams of our past –
Have taught us that monuments
of time truly last.*

*All good is not lost by the
day's setting sun.
Some worth is captured and
some accomplishments won.*

*Southern's past and present hold
so many wonderful things —
We can't wait for tomorrow
and the hope that it brings.*

WE CAN'T WAIT FOR TOMORROW

STUDENT LIFE

WILLIE W
IKE

HAUNTED FOREST TERRIFIES STUDENTS

Christmas is a very exciting time for G.S.C. students. The excitement starts around the first of December when the Baptist Student Union has its annual Christmas tree lighting on the big oak tree near the Williams Center. This fairly new tradition started in 1979. The lighting of the tree seems to be the beginning of the Christmas spirit for most students. Many of the dorms and organizations have parties and activities throughout the first part of December before the holidays begin. Students start spreading the Christmas spirit by sending cards to friends, exchanging gifts, being extra friendly to everyone, and some are so full of "the spirit" that they feel compelled to write Merry X-Mas all over campus! It is amazing what a little Christmas spirit can do!

DERBY WEEK

*STUDENTS ENJOY KIWANIS-
OGEECHEE FAIR*

HOMEcoming 1982

HOMECOMING 1982

Homecoming week was an exciting one at G.S.C. this year. Among the many activities, the main ones were dances, parties, the parade, and the Homecoming basketball games. The parade attracted people from all over Bulloch county as well as from all over campus. The games Saturday evening seemed to attract one of the largest crowds ever and the G.S.C. teams were victorious. During the halftime of the boys' game, the Southern Dazzlers performed and Miss Yolanda Epps was crowned Miss Homecoming.

G.S.C. 10,000

The G.S.C. 10,000 Road Race had 225 participants this year who were all eager to run the six mile course in the shortest time possible. Scott Woerner, a former University of Georgia football player, fired the starting gun. The race began in front of the Landrum Center, circled the campus two times and ended at the lake near the library. Awards were presented by Erk Russell, G.S.C. football coach. The overall winner was Danny Nagelberg who is a psychology professor here at Georgia Southern.

MISS G.S.C.

On March 6, girls from various campus organizations gathered in McCroan auditorium to compete for the Miss G.S.C. crown. Mitzi Smith, a junior majoring in Business Management, won the title for the 1982 term. Mitzi is now eligible to enter the Miss Georgia Pageant. Others on the court were: Carol Durrence, first runner-up, Vicki Wilkinson, second runner-up and winner of the swimsuit competition, Jackie Hodges, third runner-up, Tammy Russell, fourth runner-up and winner of the talent competition, and Debra Brimacomb was crowned Miss Congeniality.

S.U.B. BRINGS MOTHER'S FINEST TO G.S.C.

Spring, with that nameless pathos in the air
Which dwells with all things fair,
Spring, with her golden suns and silver rain,
Is with us once again.

—Henry Timrod

BEACH WEEK 1982

HAPPY DAYS ARE HERE AGAIN

April 12-16 was Beach Week at G.S.C. The week began with a demonstration by a professional frisbee team, the Jammers. Tuesday was a day for renting rollerskates and skating all over campus and Wednesday was the picnic at the lake. During the picnic, a volleyball tournament and canoe races were held. Thursday night's beach dance in the old Hanner Gym ended the Beach Week activities. All of the students seemed to enjoy participating in these activities and attending the beach movies that were held Mon.-Thurs. nights.

THE LEISURELY LIFE AT G.S.C.

GREEK WEEK

GO FOR IT!

The Davis City Run held spring quarter of this year had one of the largest turnouts ever. There was a 1.6 mile run as well as a 3.2 mile one. Jody Slater won the men's 1.6 mile run finishing in only 7 minutes and 44 seconds while Christine Kuhlke won the women's race in 11 minutes and 30 seconds. In the men's 3.2 mile run, Charles Backum won with a time of 14 minutes and 47 seconds and Susan Floyd won the women's 3.2 mile run in 18 minutes and 37 seconds.

DIG IN EVERYBODY!

Students and faculty were treated at the end of Spring quarter with a giant sundae served in front of the Landrum Center. Food Services prepared the sundae with plenty of ice cream and toppings especially for Pres. Lick since it is his favorite dessert. Pres. Lick took the first "dig" into the sundae and took the first taste as drooling students anxiously awaited their turns to taste this masterpiece. There was a large turnout of students who flocked to the scene to enjoy something rare — a FREE treat on a hot day!

THAT WAS THEN . . .

This year is the 75th anniversary of Georgia Southern and many changes have taken place during them. The campus started out with only four buildings and has history increased throughout the years to more than nine times what it started out. Mr. Dan Bland, an 87 year old man who resides in Statesboro, vividly remembers the days when he attended the First District Agricultural and Mechanical School, which is now G.S.C. He feels that a person was lucky to get to go to school in the early 1900's. There were no majors, everyone took basic courses. Boys took shop and agriculture while girls took classes in domestic arts and science. Approximately one half of those attending were day students and the other half, the boarding students, paid \$8.00 per month for board and they had to work extra in the dining hall. There was a 125 acre farm on campus where boarding boys also had to work at least five hours a week. If there was an additional work done on the farm other than that required, the boys were paid 10¢ per hour for their work. Mr. Bland tells that the farmwork was the one thing he liked least about the school. After WWI began, the boys had to take military training instead of farmwork and they had to wear uniforms for the first time. The girls had been required to wear blouses and white skirts with blue bow ties all along. For entertainment, the boys did blacksmith work and the girls sewed. On Saturday nights, boys could see girls in their dorm lobby if they were chaperoned and didn't eat with them for over five minutes. The campus consisted of only four buildings: the academic building, the dining hall, and two dorms. The two dorms were called East Hall and West Hall. East Hall being for girls and West Hall for boys. "The dorms were nice but nothing fancy," says Mrs. Dan Bland, who also attended the school. "The rooms were large with two closets and the lighting was good." There was a football team and a baseball team, but there was not much time for the boys to play after they finished doing their "chores" so the teams slowly dissolved. In 1915, there were only two cars on campus. One belonged to the school principal and the other one belonged to the county agent who boarded at the school. Mr. Bland is amazed at the growth of the school and feels that it is "tremendous".

When the golden age of time
Has turned backward in its flight
And a song from memory's pages
Breaks the stillness of the night
It will play upon our heartstrings
And Waft us back an hour or two
Twill be the echo of the praise
That we sing, T.C., to you
Silver words of truth and beauty
Written with a golden pen,
Could not reveal our love for you
To the future throes of men
May there be a true reflection
Mirrored here on every page,
A story that will live forever
Despite the perils of Age

In 1933, what is now G.S.C. was South Georgia Teachers College. The above words were printed in the 1933 S.G.T.C. yearbook.

THIS IS NOW

When asked to describe a typical student at Georgia Southern College, one would be most likely to answer, "A guy (or girl) enrolled in the college, usually in his late teens or early twenties, who lives on campus and spends some of his time in the library, a little more time roaming around on campus having fun and most of it out partying in "the 'boro". Although this is the basic idea most people have of the typical student, there are several other types of students who are rarely acknowledged. These are the foreign students, the handicapped students, the commuting students and even students who have returned to school after working for a while or raising a family. This page contains short essays written by some of these "special" students on why they are here at Georgia Southern and how they feel about the college.

Many factors entered into my decision to return to school after having worked for 23 years in the business world. After completing a secretarial administration course, I married and supported and sent my husband to college for 1 year. I have always been proud of this fact and he is the driving force in my life that encourages me to continue my education now that the children are older and more self sustained.

Probably the greatest motivation is the fact that I really feel good knowing that at my age I can still communicate and relate to so many young people and they with me. This has been a rewarding experience for me. Young people are just great! They need encouragement and a feeling of self confidence. In all of my classes, I have been accepted fully as "one of them" — I have not been set apart just because of age differences.

As you grow older, you realize that there are some goals in life that you want to clearly reach; going back to college and learning all I can is one of those goals for me.

Yes, it is tiring and challenging; however the end results will overpower those detriments.

— Glenda Reddick

Any handicapped person attending Georgia Southern College is fortunate indeed because this school is very, very empathetic toward the unique problems that confront the handicapped. We have, in fact, a special advisory board, the "504 Committee", of which I am a member, to handle any problems which might confront a handicapped student. Any student who is having problems or who has any suggestions is free to contact any member of this committee and we will gladly help and/or listen to him or her.

IF IT IS TO BE — IT IS UP TO ME! The ten most important words in the English language. I purloined these ten words a few years ago and adapted them as my motto. Why, one might ask do I need a motto? Because, during the period preceeding the above pilfering I became totally deaf. Any person who experiences such a devastating trauma needs a place to "hang her hat" so to speak. There are people who believe that any person who is not "perfect" should either hide out in a dark closet or be gassed to death at Treblinka! Also there are those people who so obviously believe that whatever physical disorder one has it is catching — shades of Typhoid Mary. One must take adamant action in order to protect oneself from undue prejudice. One can do *Anything* as long as one believes he can. So, to all the handicapped people out "there", to whom this article is dedicated, BE ALL THAT YOU CAN BE — DO ALL THAT YOU CAN DO, and the world will be a better place for all of us because we have conquered our handicaps and made it so!!!

— J. Perry Schou

G.S.C. is the second American institution I have attended. I graduated from Greenville Technical College, where I got an associate degree in Industrial Engineering. Towards the end of my last quarter in Greenville, I had a lot of problems about where to go next for my Bachelor's degree program in Engineering. I consulted one of my professors, who recommended Georgia Southern College. According to him, it is an ideal school where a student will find all he needs as far as a Bachelor's degree program in Engineering is concerned. I therefore, applied for admission. The admissions department found me academically qualified and admitted me.

This is my third quarter in this college. G.S.C. has such a small student population that every student is properly cared for. We, the foreign students, are particularly grateful to the foreign affairs office for the fair attention we receive. The location of the college is superb. It is fairly remote from downtown and therefore the zone is quite favorable for effective learning. The campus is very beautifully decorated with nice parks here and there for leisure. I am also pleased with the relationship of the American students to us foreign students.

Nigeria is a young country that is developing rapidly. The people of Nigeria have a great pride in their history and we eagerly look forward to challenge of the future. I think this is the basic concept why most Nigerians are here. We have set to ourselves a high goal because we wish to be a credit to our country.

— Mathew Ogunsile

I first came to the United States of America as a Rotary International Fellow. As an ambassador of good will for my country, I have attended the Rotary Foundation Summer Language Institute at Georgia Southern College where I had a very happy and meaningful relationship among people from different countries. I was able to exchange ideas with these people and to learn more in a simple talk about their different cultures than I could have learned in years of study. I am thankful to the summer language staff for the help and assistance that they gave me.

When I was in Brazil, I was a teacher at a university and at a high school. I taught several subjects such as general biology, zoology, microbiology, parentology, clinical pathology, anatomy and physiology. I have been in practice for approximately 7 years. I have also participated in many social, cultural and scientific activities. Some of these include: President of the Journey of Clinical Pathology, President of the Interact Club, member of the Rotarait Club of Rotary International and participant in the Congress and Expedition of Microbiology, hematology and parasitology.

I am now continuing my graduate studies by means of graduate research assistantship in the department of biology. I am working on a M.S. degree in biology.

Being at G.S.C. is an outstanding event in my life. I really like it — everyone is so nice, friendly and helpful.

I spend so much time in the lab because I have a goal, a dream and an ambition which I am determined to achieve. I am ready to complete my education and return to my country to help my people. I would like to say to all G.S.C. students: It is very important that you divide your time between working, studying and having fun.

— Gilberto Severino

HONORS DAY 1982

The annual Honors Day convocation was held May 14 in Sweetheart Circle. The G.S.C. Concert Band played "March Pontifical" as the Processional and Reverend Joseph Stranc gave the invocation. President Dale Lick introduced Dr. Russell Dewey, 1981 Professor of the Year, who presented the Honors Day address. Dr. Dewey told honor students to "take all the prophecies of gloom and doom with a grain of salt". He advised them to develop their abilities, to keep their eyes open and to expect the unexpected. Special music, "If Only You Believe", was presented by the G.S.C. Chorus. Honors presented included recognition for Who's Who Among Students in American Colleges, the Constructive Leadership/Unselfish Service Award, recognition for excellent scholarship, Professor of the Year Award, and many other special awards. Steve Allen Lynch received the Alumni Association Award, which is given yearly to the senior with the highest average who has done all of his work at G.S.C. Charles Christmas, a math professor, was chosen as the 1982 Professor of the Year. The program ended with the G.S.C. Concert Band playing "Ceremonial Recessional".

Down among the murmuring pine
trees where old nature smiles,

G.S.C. holds up a standard known
for miles and miles.

Lift the chorus, speed it onward.
Ne're her standard fail,

Hail to thee our Alma Mater,
G.S.C. All hail!

From the blue and broad Atlantic,
balmy breezes blow,

Waiting far G.S.C.'s spirit, may she
ever grow.

Lift the chorus, speed it onward.
Ne're her standard fail,

Hail to thee our Alma Mater,
G.S.C. All hail!

ACCOUNTING ASSOCIATION

Georgia Southern College Accounting Association, founded in 1969, is a professional organization that promotes the interest and understanding of accounting. Membership is open to students who are interested in accounting.

The highlight of the calendar for Fall, Winter and Spring was the quarterly "Meet the Accountant Night" banquet. At these banquets, the Association, in coordination with Beta Alpha Psi Fraternity, hosted various professionals who spoke on various topics that were interesting to business students. Other activities of the Accounting Association for the year included business meetings, professional meetings, and parties at the end of each quarter.

AFRO AMERICAN CLUB

The Afro American Club is an organization which strives to promote social as well as cultural enrichment to the student body at G.S.C. Its members are black students who realize their potential and work toward reaching their goals.

ALPHA DELTA PI

The Epsilon Pi chapter of Alpha Delta Pi, founded nationally in 1851 and organized on campus in 1968, is G.S.C.'s oldest sorority. 1981-1982 was a good year for Alpha Delta Pi. They participated in numerous activities including intramurals in which they placed first in football, third in basketball, and second in softball. Alpha Delta Pi also captured the G.S.C. championship in volleyball. Monika Redburn represented the sorority on the G.S.C. all-intramurals football team in New Orleans.

Alpha Delta Pi also supported Sigma Chi's Derby Week winning the Spirit award for the second year in a row. Julie Sims won Miss Daring Debut. During Greek Week, they placed first in racquetball. Kathy Machowski won Greek Woman.

Alpha Delta Pi is proud to serve both the campus and the community by sponsoring the annual Dance Marathon for the National Kidney Foundation. This year Alpha Delta Pi also sponsored a spring tennis tournament benefiting the Ronald McDonald House.

ALPHA GAMMA DELTA

OFFICERS: Bottom Row — Diane Browning — scholarship Vice President, Alicia Griffin — Corresponding Secretary, Bonnie Canon — President, Kathy Godfrey — Publicity Chairman, Ree Blalock — Treasurer. Top Row — Cindy Crowell — Fraternity Education Vice President, M.G. Valone — Panhellenic Delegate, Lisa Bagby — Altruistic Chairman, Theresa Carter — Recording Secretary, Lynn Blalock — Social Standards Chairman, Denise Pappas — Ritual Chairman and Membership Chairman, Debbie James — Rush Chairman.

ALPHA KAPPA ALPHA

Officers — Seated — Cassandra Adams — President. Standing — Gail Shatteen — Treasurer, Sandra Willis — Secretary, Alucia Walton — Sargeant-at-arms, Rhonda Austell — Dean of pledges.

Kneeling — Freida Williams, Cynthia Jones, Almetha Mustipher, Gayle Shatte, Pamela Angry, Shelia Leak, Felicia Phillips. Standing — Alucia Walton, Rhonda Austell, Vara Lucas, Cassandra Adams, Sandra Willes, Latrenka Redd, Dawn McCalvin.

André Washington, Adrian Curtis, Stanley Pollard, Crandall Jones.

ALPHA PHI ALPHA

For 76 years, the quest of Alpha Phi Alpha Fraternity, Inc., has been manly deeds, scholarship, and love for all mankind.

Georgia Southern's Xi Tau Chapter, founded on July 12, 1980, is a young organization that is continuing its orientation toward the responsibilities that come along with being an extension of the first Black Greek Organization.

During 1981-82, Xi Tau Chapter participated in many service projects including: The Special Olympics, The Heart Fund, The Tootsie Roll Drive for the Retarded, and GSC's Visitation Day. Also during 1981, Alpha Phi Alpha was the recipient of the Inter Fraternity Council Scholarship Award given to the Fraternity with the highest quarterly average.

Alpha Phi Alpha is beginning to ascend to its rightful position as a service leader for GSC and the Statesboro Community. The Brothers of Xi Tau Chapter will continue to serve, grow, and HOLD ALPHA HIGH!

André Washington, Bobby McNeely, Jerome Leary, Adrian Curtis, Charles Wynn, Stanley Pollard, Curtis Woody, Wayman Aldridge, Crandall Jones.

AMERICAN SOCIETY OF INTERIOR DESIGNERS

Officers —
 President — Kelly Ricks

AM. SOC. PERSONNEL ADMINISTRATORS

The American Society of Personnel Administrators is a group of predominately business students whose main objective is to learn more about the innerworkings of companies in today's business world. They go on field trips to places such as ITT-Grinnel, Union Camp, Great Dane, and Savannah Bank and Trust. The club also hosts speakers from companies at their monthly meetings. The club also engages in social activities such as their banquet, held this year at RJ's, and a pool party at the home of their advisor, Professor Svend Thomas.

Row 1 — Jan Hewell, Carolyn Jung, Joni Walker, Lori Tirey, and Lisa Brown. Row 2 — Name Unavailable, Neil Wells, Name Unavailable, Chuck Whitmer, Leo McLaughlin, Bob Turner.

ALPHA TAU OMEGA

Alpha Tau Omega, chartered at GSC on May 18, 1968, again has had another outstanding year in all facets of fraternity life. Coming off as a three-year winner of the All-Sports trophy was not easy, but ATO again captured 3rd place in football, basketball, and soccer. The Tau's continued their strong standing in the Statesboro community with participation in the Sally Zeterower Carnival, Muscular Dystrophy fund raiser, Bulloch County Special Olympics, and Pi Kappa Phi's basketball marathon for PUSH. ATO will also sponsor for the 9th consecutive time their Annual Softball Marathon for High Hope. Their varied social life included socials with most sororities, the annual Sweet-heart Trip to Jekyll Island, a Ski Trip to the mountains of North Carolina, and a fantastic Beach Trip to Panama City.

AMERICAN CHEMICAL SOCIETY

AM. SOC. OF CIVIL ENGINEERS

The purpose of the American Society of Civil Engineers is to provide Civil Engineering Technology majors with a chosen profession through field trips, guest speakers and various other activities. During the past year the club has visited the construction site of the nuclear facility, Plant Vogtle, near Waynesboro, and has had as guest speaker William E. Greenway. The club wishes a special thanks to their faculty advisor, Robert N. Brannock, and to all others who have made the past year a success.

AMERICAN SOCIETY OF HOME BUILDERS

CHORUS

GSC COUNCIL OF TEACHERS OF ENGLISH

Members are interested in improving the teaching of English in the elementary and secondary schools. This is the first full year of activities for the organization. The club has ordered publications and media aids for the public library, and it is now considering important proposals for its second year of operation.

President — Kathy Thompson
Vice President — Pat Woodward
Secretary — Gina Higgins
Treasurer — Pam Peppers
Liaison Officer — Greg Lynn

BETA ALPHA PSI

Beta Alpha Psi is an honorary and professional accounting fraternity with 143 chapters nationwide. It is designed to give accounting students the opportunity to learn more about the accounting profession and to work with students of accounting from other schools. The Zeta Delta Chapter was granted a charter on November 15, 1980, making GSC the only college in the state to have a chapter.

BLACK STUDENT ALLIANCE

The Black Student Alliance, which serves as the political voice for black students at GSC, was formed mainly to promote cohesiveness between black students and the black student organizations. The Black Student Alliance is comprised of members from the black student organizations recognized by GSC.

The BSA was recognized as an official organization of the college early in 1978 and is now advised by Mr. Randy Gunter. One of the BSA's primary functions is to aid GSC in the recruitment of black faculty and students.

This year's activities have included the annual Spring Breeze and the annual Homecoming Dance. This year the BSA also established the Black Student Alliance Scholarship, an award presented each spring to a deserving minority student at Georgia Southern.

BSU

The Baptist Student Union is a student ministry involved in meeting needs of students as well as outreach. It is devoted to helping the student's Christian growth through many and various activities. Some such activities are Fall and Spring conventions at Rock Eagle, Ga., weekly services, Bike-a-Thon, Rock-a-Thon, intramural sports, a small singing group "Daybreak", a choir and other fellowship services. Community activities involve those such as nursing home visits and ministry to underprivileged children.

CAMPUS CRUSADE FOR CHRIST

Campus Crusade for Christ is an organization open to all interested students. Its main goal is to fulfill the Great Commission — that is, reaching the world for Jesus Christ. Through weekly leadership training classes and bi-weekly times of fun and fellowship called King's fellowship, Campus Crusade makes available to students practical training in how to keep their walk with God a consistent, exciting experience.

DELTA CHI

Delta Chi enjoyed a successful year in 1981-82. Their brotherhood flourished as they enjoyed many social and athletic events together. This year saw them make a name for themselves on campus. Collecting money for the High-Hope School, ushering Eagle Basketball games, and participating in the Miller Pick-Em-Up were only a few of the beneficial things they did for GSC.

They continued to grow closer in brotherhood as they enjoyed excellent socials, successful athletic seasons, and good times in general. With all of the successes and setbacks the brothers still continue to grow closer in the bond of Delta Chi.

CONCERT BAND

The Golden Eagle Band, one of Georgia Southern's richest traditions, has built a reputation of unexcelled quality and musicianship during the seventy years of its existence. In addition to regularly scheduled concerts the group is often called upon to perform for various ceremonies, special events, and dedications. The Golden Eagle Band has recently been featured on two albums produced by the Department of Music.

The group is composed of approximately sixty-five students majoring in various degree programs from across the campus. Acceptance into the organization is based upon previous high school band experience as well as commitment to the highest standards of musical performance. Band scholarships based on an audition, are available. School owned instruments are also available to band members at no extra fee. In addition, Concert Band counts as two hours credit, each quarter, toward electives on any degree program.

CHI OMEGA

Fall Quarter for Nu Kappa Chapter of Chi Omega began with a fantastic rush by making quota and pledging 22 girls. Chi Omega participated in the Sigma Chi Derby Week in which Susie Reeves won Miss Derby Day. Chi Omega placed third in the overall competition. Other activities included a Thanksgiving Kindness, Blood Mobiles, Christmas Pledge Dance, Parent's Weekend, and Founder's Weekend. Chi Omega won the spirit award for the Alpha Delta Pi Dance Marathon for the third year. The sorority participated in the Pi Kappa Phi P.U.S.H. program that is held annually. Linda Pfeiffer was Chi Omega's representative for Homecoming. Lu Ann Knight and Tamee Guthrie were the sorority's representative in the Miss G.S.C. pageant. During spring quarter, Chi Omega participated in Greek Week. Susie Reeves was the representative for Greek Goddess. René Copeland represented us for Greek Woman. Academically, Chi Omega ranks among the top two sororities. Scholarship is a goal that we stress. In the intramurals, Chi Omega participated in volleyball, football, basketball, softball, badminton, tennis, and racquetball.

DAZZLERS/ CHEERLEADERS

What would a basketball game be like without the traditional pep and spirit provided by the cheerleaders? The excitement was doubled this year with the addition of the Southern "Dazzlers". The girls performed during half time at the Homecoming basketball game. Such entertainment was enjoyed by all.

DELTA PHI ALPHA

Delta Phi Alpha is a national honor society for German students. To qualify, one must have completed 3 quarters of German with a good to excellent record.

The Chapter was started in 1969 and is now advised by Monica Lynch — a native German and teacher in the Language Department.

The society provides opportunities for students to speak the language in a casual atmosphere and to learn more of Germany's culture and history.

Front Row — Ellen Dotson, Ellen Smith, Karen Aldredge, Julie Heath, Fran Lynch, Freda Gerant. Back Row — Jon Flowers, Jeff Delk, Andrew Shryock, Caroline Gatto, Dale Foster, Leland Haraszti.

DELTA SIGMA PI

Delta Sigma Pi is a Professional Fraternity organized to foster the study of business in universities, to encourage scholarship, social activity, and the association of students for their mutual advancement by research and practice, to promote closer affiliation between the commercial world and students of commerce, and to further a higher standard of commercial ethics and culture, and the civil and commercial welfare of the community. This is our official purpose, but Delta Sig is much more than that. It is a true brotherhood of business students, male and female. Our projects include the Professional Business Leader Award, co-sponsored with the Statesboro/Bulloch County Chamber of Commerce, our Annual Rose Dance, various tours of local businesses, and our annual lecture series speaker. Delta Sig is the oldest fraternity of any type at Georgia Southern, being established in 1964. Epsilon Chi Chapter is nationally recognized for excellence by the Fraternity.

Bottom Row — Ceil Walrath, Debra Moore. 2nd Row — Melinda Klatt, Doug Cochran, Janice Cobb, Leah Kendrick, Susan Funderburke, Sandra Stephens, Gina Odom, Tim Hall. 3rd Row — Yolanda Osgood, Floyd Whittington, Beth Hodges, Shari Parker, Marty Bruce, Jinnifer Zaraza, Michael Ellis, Christine Reese. Left Stairs — (B-T) Debbie Smith, Cynthia Lynn, Diane Brown, Sharrie Chaffin, Irene Schipf, Jan Hewell, Wanda Pryor. Right Stairs (B-T) Will Gober, Bryon Wilson, Gary Wheeler, Jim Garner, Perry Stripling, Vernon Scarborough.

DELTA SIGMA THETA

Delta Sigma Theta sorority is a National Greek public service sorority. The members of Xi Eta Chapter strive for high cultural, intellectual and moral standards. The sorority considers service a major aspect of morality and Delta's activities are devoted largely to such services that can benefit individuals as well as community and nation.

DELTA ZETA

Delta Zeta has had a winning 81-82 year and the pink and green turtles are getting ready for the winning year ahead. Delta Zeta was the first sorority to arrive on the campus of GSC. We are proud to say that we were the first then and we are the first now. Delta Zeta enjoys participating in campus events with the other Greeks at Southern plus individual events including Initiation Banquet, pledge dances, and Beach Trip.

Delta Zeta brought home the first place trophy for collecting the most money for the Alpha Delta Pi Kidney Dance Marathon for the second year in a row. DZ was shining during Greek Week '82, bringing home first in the Pizza eating contest, 2nd in Greek Swim, 3rd in Raquetball, and 2nd in Greek sing. DZ also participated in Sigma Chi Derby Week, winning third in Derby Skits, and Carol Ann Lee winning 3rd runner up in Miss Derby Day.

1st Row — Kathy Cauley, Tammy Knight, Susan Gallagher, Jenny Morrison, Patti Thurman, Cheree Buchan, Jan Stafford, Donna Streat, Emily Porter. 2nd Row — Lisa Tucker, Carolyn Holcombe, Anne Birch, Valerie Spieth, Holly Pittman, Missy Guinn, Susan Harrell, Paula Miller, Carol Homan, Anne Marie Miner, Lisa Coleman, Catherine DeVaughn, Trish Carter. 3rd Row — Paul Sanaford, Mark Trammell, Jeanad Cobb, Andrea Howard, Lynn Hightower, Lisa Crawford, Donna Sims, Susan Cramer, Susan Williams, Kathy Littleton, Amy Hamilton, Lisa Mitchum, Veleta Holley, Karen Kolpitcke, Kim Griner, Marty Bay, Patricia Pate, Ann Kurley, Scott Barfield, Deanne Mandes, Sandra Schwartz, Steve Borders.

DELTA TAU DELTA

ECONOMICS CLUB

The Economics club was formed during the 1981-82 academic year to increase visibility of the Economics Department and activities on campus, encourage student and faculty interaction, provide extracurricular opportunities for dialogue and interaction among those students having similar goals and interests, and to enhance economic education processes through forums, speakers and intern activities.

Membership is open to all interested students, faculty members, and community people. We meet at least once a month and often have speakers, films, and other interesting programs. We also have quarterly socials and do a variety of service projects for the good of the school.

FELLOWSHIP OF CHRISTIAN ATHLETES

GAMMA BETA PHI

Club Encourages Scholastic Effort

The Gamma Beta Phi Society was instituted for the promotion of the ideals of scholarship, service, and character among college students in the United States.

It is a non-secret, non-profit, scholastic honor, educational-service organization for the students in colleges and universities. The society's primary purpose is to encourage scholastic effort and reward academic merit, to stand for and promote worthy character and high ideals, and to foster, disseminate, and improve education through appropriate service projects.

GSC's chapter is active throughout the year in campus and community projects. Each year the society sponsors a faculty appreciation day and professor of the year, helps with the blood pressure check-up drive, and often serves as guides for prospective students and as ushers for the Masquers' productions.

Gamma Beta Phi

THE GEOLOGY CLUB

THE GEORGEANNE

Each week the George-Anne staff did their best to keep the campus informed of all the news that took place that week. Though not an easy job, this year's staff managed to pull together and put out the best newspaper possible.

At the annual Georgia College Press Association convention, held in Athens during the month of February, the George-Anne came away with five first place awards for senior colleges with less than 7000 students. The awards were won in news coverage, sports coverage, features coverage, editorial excellence and advertising excellence. They also received third place in layout and design and general excellence. Various staff members also won individual awards.

The year's staff consisted of: Sally Scherer, Editor; Vallerie Trent, Managing Editor; George Allen, News Editor; David Johnson, Sports Editor; Jim Claxton, Business Manager; Frank Logue, Photographer; Matt Berry, and Linda Lloyd, Copy Editors; Anne Brown, Production Assistant; Kaye Young, Assistant Business Manager; and Ernie Wyatt, Faculty Advisor.

GOOD NEWS BIBLE STUDY

Southern's Good News Bible Study is a nondenominational organization dedicated to reaching lost souls for Christ by spreading the gospel. Good News Bible Study has been a fully recognized organization here on the campus of GSC since November 1981.

The message that they endeavor to relay to the students of GSC, is that Jesus is Love, and He cares for you. God wants you to cast your cares upon Him. If you're in need or are heavy laden, just cast your problems at Jesus' feet for truly He is a problem solver. They also want you to know that God is soon to return for everyone that is living for Him.

INSTITUTE OF ELECTRICAL AND ELECTRONIC ENGINEERS

The primary purpose of the GSC Student Chapter of the Institute of Electrical and Electronic Engineers (IEEE) is to promote and advance the professional standing of its student members. This is achieved by frequent chapter meetings with professional guest speakers and technical demonstrations as well as field trips, clinics conducted by the students, and one annual visit to the Southeast IEEE convention. Members also take an active part in working with the Electrical Engineering Technology faculty in curriculum development. In summary, the student chapter attempts to prepare its members upon graduation for joining their chosen profession of electrical engineering.

KAPPA ALPHA

One hundred and seventeen years in existence, KA leaves us a proud southern heritage rich in tradition, and strengthened by a strong brotherhood. Yet KA remains a progressive organization continually expanding and improving. Our members hold positions of leadership and respect in numerous campus organizations. In the academic realm, KA has one of the strongest scholarship programs offered by any other group. KA participates in all interfraternity sports and the past year has been marked with success for our athletic efforts. We have been recognized by our strong support in GSC football.

Our traditional events include "convivium", commemoration of Robert E. Lee's birthday, and "Old South", a tribute to our southern heritage with a week of social events. We demand respect of other fraternities and return their respect as well. Our fraternity carries with its name a pride that we feel is unsurpassed in other houses.

KAPPA ALPHA PSI

Kappa Alpha Psi, established in 1911 on the campus of Indiana University, has been in existence at GSC for five years. Within this five year span, Kappa Alpha Psi has become an outstanding and respectable organization. Throughout the 1981-82 year, the brothers participated in several service projects. The fraternity received the 1st place Guideright Award, given each year at their Provincial meeting. On June 5, 1982, they sponsored their first "Kremson & Kreme" Affair. The funds raised, will be used to establish a revolving loan fund for all students. For Kappa Alpha Psi, there is only one way, ACHIEVEMENT.

KAPPA DELTA

This sorority started off the year by getting a great group of pledges during Fall Rush. Wildcat Parties during winter and spring quarters also brought more girls into the Chapter.

The KD's were very active this year. They had several beauty pageant representatives, won Derby week, held a parents weekend during winter quarter, held first reception for the football team, won Greek Sing, and Chrislynne Kuhlke won state in women's singles tennis.

MASQUERS

KAPPA SIGMA

Having been the leading fraternity on campus for most of their fourteen years, there is only one word to describe the Kappa Sigmas here at GSC, and that is awesome.

While excelling in all athletic functions here, the main goal of this fraternity is to achieve academic excellence. The social life of Kappa Sig leaves nothing to be desired and is unsurpassed by no other social organization on campus. Their social events include various Homecoming parties, a riverboat cruise, hillbilly party, Hawaiian luau, and many other celebrations.

With the acquisition of a large anti-bellum style house in the winter of '82 and pledge classes exceeding 25, the Kappa Sigs are definitely on the move.

PI DELTA PHI

Pi Delta Phi was founded as a departmental honor society at the University of California, Berkeley, in 1906. After twenty years as a local chapter, Pi Delta Phi declared itself the National French Honor Society and chartered the Beta Chapter at the University of Southern Cal. in 1925.

The purpose of the society is three-fold: 1) to recognize outstanding scholarship in French language and literature; 2) to increase the knowledge and admiration of Americans for the contributions of France to world culture; 3) to stimulate and encourage cultural activities which will lead to a deeper appreciation of France and its people.

PHI DELTA THETA

The Phi Delta Theta Fraternity was founded on Dec. 26, 1848 at Miami University, Oxford, Ohio. The objectives of the fraternity are the promotion of friendship, sound learning, and rectitude. Since its establishment, Phi Delta Theta has grown to include over 175 active chapters. On August 31, 1968, the Kappa Theta Colony of Phi Delta Theta was founded at GSC. Three years later, on April 1, 1971, the Georgia Epsilon chapter of Phi Delta Theta was chartered.

Phi Delta Theta also places emphasis on community service and scholastic achievement. This year, community service projects included supporting the ADPi Dance Marathon for the Kidney Foundation, collecting donations for the Heart Fund, and various activities for the High Hope center. Academically, Phi Delta Theta has consistently ranked among the highest G.P.A. at Southern. In the last ten years, Georgia Epsilon has taken its place among the top Phi Delta Theta Chapters in the nation. The future should prove just as bright.

PHI MU

Phi Mu, one of the largest and oldest Greek organizations for women, was founded at G.S.C. on April 5, 1968.

During Sigma Chi Derby Week, Phi Mu took first place in the dance contest and in the skit contest with "Snow White and the Seven Dwarfs". Maureen Cassiday was also a finalist in Miss Daring Debut. Phi Mu placed an overall second for the week.

Three Phi Mu sisters were honored as fraternity sweethearts. Susan Adams for Alpha Tau Omega, Kelly Shepherd for Sigma Chi, and Penny Rogers was Kappa Alpha Rose.

Four Phi Mu's were chosen as homecoming representatives, with Susan Adams being elected to Homecoming Court.

Kelly Shepherd was also selected as "Who's Who in American Colleges and Universities."

Phi Mu participated in all intramural sports, taking first place in sorority basketball, Alpha Delta Pi's Dance Marathon for the Kidney Foundation, collected food for the needy with Sigma Nu and participated as student tour guides for freshman visitation.

Tammy Russell, also won talent and was fourth runner up in this year's Miss G.S.C. Pageant.

PHI Upsilon OMICRON

An honorary Professional Home Economics Society that has 65 active chapters on leading college campuses throughout the nation. Our purpose is to promote Home Ec. to those outside the profession, to stimulate professionalism and growth in its members, and to hasten leadership in them, as well as encouraging advanced study in home ec. programs. The Beta Mu Chapter here was established in the spring of 1968. Each year a professional project is adopted as a service to the campus and community as a whole. This year, Beta Mu is sponsoring a slide presentation of the Home Ec. programs offered here at GSC to be shown to area high school students.

PI SIGMA EPSILON

Pi Sigma Epsilon, the National Professional Fraternity in Marketing, Sales Management and Selling was founded in 1952 at Georgia State University. Since then it has expanded to 93 chapters including the one at Georgia Southern, which was founded in the Fall of 1978. Members are involved in surveys, advertising, and various sales projects. In 1981, Pi Sigma Epsilon enjoyed a \$26,000 cash flow.

REFLECTOR STAFF

Each year, the Reflector staff endeavors to compose a yearbook which will be an overview of all the activities organizations and students of G.S.C. The job, although not easy, is important because the Reflector symbolizes all that we did and learned during our college years. It is all that remains after the years have passed and the fond memories fade. The Reflector brings into focus all of those memories under the leadership of Lori Tirey. The staff has composed this account with the help of the hard working members, cooperative teachers and students and of course, our advisor, Dr. Delma Presley.

■ SIGMA ALPHA IOTA ■

Sigma Alpha Iota is an Academic Fraternity for women in the field of music. One of our big projects is the Bold Note Project for visually impaired people. Each spring we have an American Musicale with Phi Mu Alpha, the men's fraternity, where we try to promote American music. We don't simply exist to satisfy some sort of personal glory or reputation, but to promote music for everyone to enjoy.

SOCIETY OF MANUFACTURING ENGINEERS

SOCIETY OF PHYSICS STUDENTS

The Society of Physics Students' purpose is the advancement and diffusion of knowledge of the Science of Physics and the encouragement of student in physics throughout the academic and local communities. Membership in this Society of Physics Students chapter is open to all individuals interested in physics.

Membership in Sigma Pi Sigma, the physics honor society included within the Society of Physics Chapter, is based upon character and academic and professional attainments and is not restricted to physics majors.

The G.S.C. chapter participated in many outstanding events this year. Some of the events include the witnessing of the second launching of the Space Shuttle Columbia in Nov. 1981. The S.P.S. represented G.S.C. at the Ga. Academy of Science in Columbus, the club also sponsored a "pig" roast outling a volleyball competition. Future events include a science softball challenge, and guest lectures from NASA.

This year the G.S.C. Chapter is proud to induct Margaret Bynum into this National Physics Honor Society, in recognition of her outstanding character and academic excellence.

STUDENT ASSOC. OF EDUCATORS

The Student Georgia Association of Educators is a pre-professional organization of concerned education students. They have had a year full of activities, workshops, and state seminars.

Fall began with the state leadership conference at Jackson Lake in Covington, Georgia, and our chapter was proud to be represented by state president Barbara Jones, local president Patti Thurman, and vice president Charlie Adams. SGAE was hot for the states' Students in Action for Georgia Education fall convention, welcoming over 300 high school students to our campus for a day of seminars and activities.

Winter quarter was no less exciting than fall. Patti Thurman was one of five Georgia representatives to the Student National Education Association Representative Assembly February 2nd through the 6th. SGAE sponsored the programs The Teacher Certification Exam and Stress in the Classroom as a service project. Winter quarter also included The Heart Fund Drive and Anti-Depression week activities. The Anti-Depression week activities were chaired by Jean Crawford and included the "Smile-a-Mile" contest and the daisy sell.

Spring quarter brought plans for an even more eventful 1982-83 year for SGAE. After returning from SGAE state convention, new officers were chosen and new ideas formulated for next year.

STUDENT GOVERNMENT ASSOC.

GSC Student Government Association is for the use of the student body to make their desires known to the administration of our college; also an instrument by which students can have tremendous leadership opportunities.

STUDENT HOME EC. ASSOC.

Students in every area of home economics are encouraged to become a part of the Student Home Economics Association. SHEA is the student member section of the Georgia Home Economics Association and the American Home Economics Association. This professional organization has as its emblem the Betty Lamp which represents joy, knowledge, fellowship, cooperation, service, and achievement. The Ga. Southern College Student Home Economics Association accomplishes these through professional resource persons, community service activities, participation in campus functions, working closely with the other home economics organizations, and working closely within SHEA.

ZETA TAU ALPHA

Zeta started the school year out on top by filling the Fall rush quota with 22 great pledges and participating in the ATV softball marathon for High Hope. ZTA won not only the spirit award but also the award for the most contributions toward High Hope Mental Retardation Center.

Zeta was very proud of representative Diana Mann, who was a finalist on the Homecoming Court. Zeta's Mitzi Smith was crowned Miss Georgia Southern College 1982-1983.

For ZTA the year was filled with activities such as EX Derby Week, intramural sports, big brother parties, and fun. Zeta also participated in service projects such as the Red Cross Blood Drive, and the Tootsie Roll Drive for the Mentally retarded and the AATT Dance Marathon for the Kidney Foundation.

Davis, Jim Whitfield, Patrick Beaman, Pat Douglas, Terry Mock, Rob Allen, Geoff Baker, Billy Brantley, David Shields, Wayne Bulluck, Tony Natson, Gregg Normann, and Andy Anderson. **Kneeling** — Daniel Lecost, Frank Godfrey, Greg Waters, Steve Rogers, Richard Wilbanks, John McGana, Kelly Parrish, William Carwell, Tim Mason, Ron Smith, Timothy Sheehan, Tommy Raye, David Thrower, David Sykes, Dennis Cheeks, Randy Benson, Jeff Lee, McCall Woolard, Fahr, Brian Hite, and Neil Spradley. **Standing** — Tom Smith, trainer, Phil Kelly, Pat McShea, coach, Ben Griffith, coach, Bob Boy, coach, Stephen Giella, Andy Rewis, Mark Kahrs, Larry West, Bruce Vogel, Dwain Sammons, Daryl Fineran, Robert Williams, Jay Powers, Scott Conner, Jeff Hix, Kevin Spurgeon, John McCahan, Dean Goodwin, Jimmy Kerfoot, Michael Kerr, Marcus Young, Kelvin Mitchell, Doug Dixon, Bobby Matheny, Hinton Deloach, coach, Pat Spurgeon, coach, Hugh Nall, coach, and Barney Hester, coach. **Top Row** — Steve Pennington, coach, Chuck Conley, coach, David Barras, Jeff Williams, Carlos Tenorio, Michael Srtozier, Craig Taylor, Gip Johnston, Thomas Gilstrap, Bill Parr, Barry Ward, Robby Bortles, Patrick McDevitt, Fred Feinstein, Bill Woodard, Jim Iler, Steve Forney, Steve Hunt, Charles Raulerson, John Lamar, Louie Golden, Jessie Jenkins, Erk Russell, head coach, Mike Healy, coach, and Ricky McBride, coach.

1, 2, 3, 4; 1, 2, 3, 4; . . .

What will they think of next?

It's almost time!

For forty years, G.S.C. had been a college lacking one of the most important sports associated with school sports — FOOTBALL! Well, in July of 1981, a man named Erskine Russell changed this. Giving up the position of Assistant Head Coach of the University of Georgia Bulldogs, Erk came to Georgia Southern to start his own football team. The start of this team has added a new enthusiasm to G.S.C.

Four second count-down!

"Erk's Eagles", as they are affectionately called, began practice fall quarter. This year the team played only four games, one which was a Blue-White intrasquad game. This game was played in Dublin, Ga. at the Shamrock Bowl, on October 31. The game proved to be an exciting one, with the White team defeating the Blue team with a score of 28-17.

The first game played against an opposing team was played against the F.S.U. Seminoles. The Eagles impressively opened the game with a touchdown and extra point to make the score 7-0. The rest of the game was played well, but unfortunately in the last three minutes the Eagles lost by a score of 30-20. Although the Eagles were disappointed by this loss, they proved their strength by winning the last two games they played.

After these games, the Eagles did not get much rest because they are now training for the 1982-83 season. Hopefully in the upcoming season the team will play other teams such as the University of Georgia Junior Varsity; Auburn University Junior Varsity; Valdosta State; Central Florida University; West Georgia College, and several others.

Just don't kick my hand!

Which way do we run?

This is my ball, and nobody is going to take it away!

Hot Dog an open space!

Okay boys hit 'em low.

Please catch this ball.

Hi Mom!

What are ya'll looking on the ground for? I've got the ball.

Give me that ball!

Ha Ha! I got away from you.

Look at them men run!

THE MAGIC IS BACK!

Front Row — Lafayette Adams, Brian Norwood, Spindle Graves, Dennis Murphy. Second Row — Reggie Cofer, Aaron Rucker, Clarence Hall, Joe Colar, Bobby Jahn. Top Row — David Wright, David Meakins, John Rahn.

Super Eagle!

Good Luck.

I heard that remark.

We are cool.

Looks as though it was a victorious game for the Eagles!

John Rahn shoots high.

Warm-ups always help.

Go ahead and shoot — I've got him covered!

Warm-ups.

No applause please.

The Eagles finished the season with a 14-13 record. It is the first winning season for the Eagles since 1976-77. They had a loss earlier in the season, to the Armstrong Pirates, but this was nullified because of an ineligible Pirate, and the game went to G.S.C. The final defeat for the Eagles came as they were defeated 70-69 by the Centenary Gents in the opening round of the TAAC Tournament being held in Monroe, Louisiana. Even though the Eagles were shut out in the first game of the tournament, it was still an honor to be able to participate, and congratulations should be given these men for such a fine season!

Come on and try to take it!

I want the ba

That man can jump.

HELP!

Confidence.

Go get 'em.

Stay away from me.

Long shot.

I don't care if you are two inches taller than me.

Cool me!

WOMEN'S BASKETBALL

Front Row — Penny Waters, Janet Reddick, Vyanne Roush. Second Row — Debbie Myers, Velvet Merritt, Jean Garris, Val Flippen. Third Row — Linda Wilkinson, Cathy McNeill, Vuzeda Merriweather, Maria Marchigiano, Beverly Wilson. Back Row — Belinda Foy, Trina Roberts, Susan Fuller, Terrie Houston.

Mental telepathy works every time.

Gentle words, from the coach, always help.

Goal . . . Why do you have to be so far away?

This takes speed.

Don't question me
... I'm the coach.

Come back down ball.

Here comes trouble.

It's me against the world.

I sure showed her!

Watch out net . . . here comes the ball.

LADY EAGLE SWIMMERS

Georgia Southern's Lady Eagle swimming team rocketed to its best start ever this season, winning all four of its fall meets. The most dramatic sign of success for this year's squad is in the fact that it has set new school records in 13 of the 16 dual meet events, including 12 of 14 swimming events, during a period where speed is not important as a primary goal of the practice regimen.

Bottom Row — Conrad Helms — coach, Alicia Blandford, Susan Fitzwater, Michi Martin, Kelly Dorsy, Cindy Young, Patricia Sinclair, Teresa Smock, Trish Carter, Kim Bocchihino. Top Row — Lori Lavoie, Jean Dennis, Paige McCarthy, Carol Klotz, Teresa Stokes, Debbie Brashears, Lenora McDonald, Susan Witt, Vicki Stokes, Diane Teel.

I don't want to get wet.

Hey look! A towel swing.

Here goes!

Seven G.S.C. swimmers returned from Moscow, Id., with more than 30 All-American certificates. These seven had competed in the AIAW Division II swimming Championships. The team also captured 5th place in the Seahawk Invitational Championships at North Carolina, Wilmington.

Using the paddleboard really makes it easy.

Which one will die?

G.S.C. MEN'S SWIM TEAM

Bottom Row — Alan Dekle, Doug Steiner, Rusty Pressey, Bryan French. Top Row — Pat Jergens, Bud Floyd — coach, Randy Bennett, Bryant McDaniel, Mike Voss, Ron Duggleby, Larry Peak, George Evans, Greg Marion, Jeff Courter, Dale Teal — manager.

The Georgia Southern Men's Swim team had a slow season. The Eagles ended the dual meet portion of their season with a 2-6 record. The season was closed with a 9th place finish in the Seahawk Invitational Championships at North Carolina, Wilmington.

Doug Logan made the strongest showing for the Eagles with fifth place finishes in the one and three meter diving events.

Other top ten finishes were by the 400-yard medley relay team, 800-yard freestyle relay team, and diver Mike Elapau.

I stopped just in time

Help!

I'm not impressed.

Lockerroom Gossip.

We're behind the Eagles!

I swam pretty good, didn't I!?

AIR!

GOLF

Kneeling — Tripp Kuhlke, Steve Smart, Rusty Hawkins, Scott Morgan, Jody Mudd, Steve Chapman. Standing — Coach Doug Gordin, Billy Booe, Dick Hatcher, Phil Waggoner, Danny Eckles, Don Paige, Greg Bedell, Mike Cooney.

All-American Jody Mudd played his last season with the Eagles, and this will be a tremendous loss for the team. Even with the loss of Mudd, the team should still be strong next year, because there are still several promising players on the team.

This year the Eagle captured their second TAAC Championship when the team rallied from third place with a final round 297 total to edge Centenary by one stroke, 885-886.

The tournament came down to the last hole where the Eagles' Steve Smart dropped in a par putt to preserve the victory. Smart and teammate Danny Eckles earned All-Conference honors by placing in the top six in the individual race.

MEN'S

GOLF

MEN'S TENNIS

The Georgia Southern College tennis team recently closed out its season with a third place finish in the Trans America Athletic Conference Tournament.

The men managed one singles title and 45 points to finish third behind champion Northeast Louisiana and runner-up Northwestern Louisiana.

John Gompert was the bright spot for Georgia Southern as he captured the conference title at number two. Craig Jones reached the finals in the sixth spot but was defeated by Garcia-Cors of Northeast in a close match.

The Eagles, plagued with injuries all season, ended the year with a 12-13 dual match record. The team played a tough schedule which included tennis powers Georgia, Auburn, Alabama and Florida.

Uli Wilms, GSC's number one player, led the team this year as he finished with a 20-9 mark. He recorded wins over several top players including John Mangam of Georgia, and Florida's George Tanase. Wilms, a junior

Front Row — Todd Ross, Brian Morrow, Craig Jones, Lindsey Benton. Back Row — Coach Joe Blankenbaker, Ricardo Pazmino, John Gompert, Uli Wilms, Mike Imbornone, Christian Schuller.

from West Germany, placed fourth in the conference tournament.

Gompert, also a junior, ended the season at 19-9 and as a conference champion. Jones, who was the only other player to reach the conference finals, finished the year with a 16-13 record.

Ricardo Pazmino posted a record of 17-11. The highlight of his season was an appearance in the quarterfinals of the Georgia Intercollegiate. The Eagles finished third in that tourney.

Other members of the 1982 Eagle squad were Lindsay Benton, Mike Imbornone, Brian Morrow, Todd Roth, and Christian Schuller.

"I feel like we improved during the year and after some of our injured players came back we were much stronger," states Coach Joe Blankenbaker in recapping the season, "we have a much stronger nucleus to build on for next year."

G.S.C. WOMEN'S TENNIS

Christy Colmer, after disappointing finishes at state and region, came on strong to capture third place in the number two singles spot. The Atlanta native who went into the tournament unseeded beat the number three seed in the consolation match. The junior finished the season with an 18-8 record.

Chrislynne Kuhlke and Faughnan claimed fourth place in the number two doubles. The Augusta duo, 18-4 on the season, was region champion and state runner up. Kuhlke, a sophomore, captured state and region titles in number three singles. She won one match at nationals and ended the season 13-9.

McCurry, after being "placed" in the number four singles, ended up fifth in the nation. The junior was the state runner up and semifinalist. The Atlantan ended the season with a 20-7 record.

Fountain, the state and region champ of number six singles, garnered a fifth place finish in the national tournament. The junior from Adrian closed out the year with a 19-5 record.

Terri Bissinger, playing the tough number one spot, picked up two victories at national. The freshman from Atlanta

captured state and region crowns while ending the year 19-7.

Three other women; Terri Cook, Libba Holcomb, and Karo Wilson made strong contributions to the Lady Eagles this year but did not participate in tournament play.

"I am very proud of the entire team," said Coach George Shriver.

Facial expressions help every-time.

I do everything gracefully

Smooth sailing

G.S.C. FENCING

Front Row — Tony Schwalm, Charlene Lamke, Dennis Layson, Charlotte Nizzi. Middle Row — Mark Fiquett, Laura Fox, Allan Mulford. Back Row — Mark Carter, Dr. Frank French, coach, Jason Williams, Stuart Johnson, Mike Thompson.

Officers — Pres. — Charlene Lamke; V. Pres. — Connie Turner; Treas. — Susie Herndon; Sec. — Charlotte Nizzi; Armourer — Walter Branch; Historian — Gary Bolick.

September through May was filled with matches in the Amateur Fencing Circuit in Georgia and in South Carolina. Both the men's and women's team did very well. The really outstanding moments for the team were in their collegiate meets. A defeat over both Wofford and Piedmont gave the women a 2-0 record, while a loss to Wofford and a victory over the Citadel and Piedmont gave the men a 2-1 record.

I wonder if I have enough protection?

Hold it right there.

Who will win?

Gosh, I'm bored!

EAGLE BASEBALL

Standing — Larry Bryant, Assistant Coach, Evong'yong Kim, Assistant Coach, David Pregon, Steve Peruso, Mark Susce, Steve Stringer, Mike Scott, Tom Nieoporte, Philip Dale, Kevin O'Neill, Todd Kliment, Mickey Lezcano, Steve Sotir, Assistant Coach, Gary Harrison, Assistant Coach. Kneeling — Jack Stallings, Head Coach, Dave Shannon, Gary Botti, Greg McMullen, Ben Abner, Carlos Badillo, Chris Lane, Marty Pevey, Ricky Hernandez, Grant Dennis, Alan Balcomb, Kenny Roberts, Dave Howard, Assistant Coach. Sitting — Rolando Lopez, John Scara, Jeffery Miller, Nick Waddell, Ray Storms, Luis Ramos, Jeff Petzoldt, Scott Schaefer, Aron Boehm, Dean Terry. NOT PICTURED — Terrill Parham.

I wasn't serious when I said "break a leg".

Man, this is disgusting.

The 1982 Georgia Southern Baseball Season is one of the ones that most fans and players want to quickly put behind them. The Eagles, behind a young pitching staff, struggled to a 34-33 record.

While there were a few bright spots, like Marty Pevey's record setting 22-game hitting streak, for the most part the "memorable moments" of the 1982 year will be a bit on the negative side.

A look at the final pitching stats will tell most of the story of this Eagle season. Southern managed seven team highs over the course of the year and while part of those marks can be attributed to the fact that there was a record setting 67 games, much is due to the fact that the mound corps simply struggled from start to finish.

Among the new season pitching records set were the 33 losses, a 5.19 Earned Run Average, 595 hits given up, 428 runs allowed (313 earned) and 49 walks allowed.

The ERA mark is nearly a full point higher than last year's record setting 4.29 mark. The staff allowed 122 more runs than last year's record (63 more earned), but just five more hits than a year ago.

Individually, Kenny Roberts was touched for eight losses surpassing the old record by two. Steve Stringer's seven losses also topped the old mark, while Phil Dale tied the previous standard with six losses. Ironically, those three were probably the most effective of the Eagle freshman pitchers and accounted for a total of 14 wins.

Another freshman, outfielder Ben Abner was the brightest newcomer among the regulars. He set a new school record for most at-bats with .262, was the team's second leading hitter at .332, led the club in doubles with 22 (one short of the record), was third in homeruns with nine, and tied for the team lead in base hits (with Pevey) at 87.

Pevey, the Eagles' junior catcher led the club in hitting with a .367 mark. He flirted with the .400 mark the first two-thirds of the season, but a beating behind the plate over the long haul began to take its toll as he slumped during the final weeks of the year.

Junior outfielder Steve Peruso led the club in home runs (12), triples (3), slugging average (.569) and game winning hits (6) while finishing third in average (at .322).

Dave Pregon, who was second to Peruso with 10 homeruns, was also the club's strikeout king with 45, three more than Peruso's 42.

Alan Balcomb led the squad with 64 runs scored, 62 walks and 17 stolen bases. He was caught only twice trying to steal, but was picked off a team high seven times and thrown out taking an extra base on four occasions.

Balcomb, who has been a three year starter several GSC career records, including 682 at-bats (old record was 610 by Mark Strucher), 178 runs scored (145 Non Laurie), 211 hits (203 by Strucher), 184 games played (172 by Laurie), 63 stolen bases (48 by Carl Gardner).

Peruso (101), Balcomb (84) and Lezcano (66) all surpassed Strucher's old career strikeout record of 65 whiffs.

Terrill Parham came within two of John Gibson's record 84 walks issued in a season, while Roberts was within a pair of Bob Gerdes record 70 runs allowed.

The most striking record set was probably the 25 runs the Eagles gave up to Clemson in the final series of the season. Along with the record number of runs they also allowed a record of 25 hits. The Tigers managed a record 10 runs and eight hits in the seventh inning of that contest.

Earlier Southern had given up 19 runs to Florida State (that is the fourth most ever allowed) and four times during the year allowed a then record tying eight runs in an inning.

Three members of Georgia Southern's 1982 baseball team have been named to the Trans America Athletic Conference team. Eagles Marty Pevey, Dave Pregon and Ben Abner were selected by a panel of the Coaches and Sports Information Directors from each of the seven TAAC baseball playing schools.

Pevey, who hit .367 for the Eagles, was selected as the TAAC All-Conference catcher. Pregon, who saw his average dip from the mid .300's to .291 the closing weeks of the season, still managed to grab first baseman honors. Abner, one of two freshmen on the squad, hit .332 this season and was selected as designated hitter.

Time to check for injuries.

Here comes the ball.

Hey man! Don't take that picture.

I'll show you.

It almost slipped!

Fly ball.
Cheese!

I'm hurrying.
Can you believe that?

OH BOY! I'm going to make it!
But, I can't run two ways at the same time.

This is my base and you can't have it.

He just walked off with the base.

What a Knock-out!

LADY EAGLE SOFTBALL

Front row — Janet Reddick, Tricia Braddy, Karen Melancon, Dinah Posey, Christi Proctor, Venda Gay, Cara Everett. Back row — Debbie Young, Beth James, Cheryl Hendrix, Kathy Meeks, Faye Baker, Kelly Stewart, Bee Carrollton, Coach Bill Spieth.

For the Georgia Southern Women's softball team, the 1982 season was another year of winning and success as Coach Bill Spieth's Lady Eagles recently completed the 1982 campaign with their second National Tournament appearance in as many years and a 27-12 record.

"This was a good season for us," commented Spieth. "We hit the ball well all year long. Sometimes our defense hurt us, but overall I consider this a most successful season."

Leading the Lady Eagles in 1982 was senior Kathy Meeks. The Waycross native led the team in batting with a .478 mark and also in RBI's with 35. "Kathy had a great year, and she helped to provide the leadership needed this year," said Spieth. Meek's was rewarded for her season by being named to the All-State Tournament team.

Tricia Braddy, a senior from Soperton, also captured spots on both teams. Braddy was the team's third leading hitter with a .404 average.

Karen Melancon and Janet Reddick, both seniors from Statesboro, also capped honors this season. Melancon was named to the All-State tournament team while Reddick was picked on the All-State team.

In only five years of existence, Georgia Southern has built up a reputation of being one of the strongest teams in the South. Along with their two national tournament appearances, the Lady Eagles have captured the state title four out of five years, including the 1982 title, and they have finished a strong fourth in the Region III tournament for the last three years.

To all coaches and members of the GSC women's softball team, the Reflector staff would like to apologize for your not having more coverage. The pictures for the pages were taken, but due to a goof-up in the darkroom, the negatives were ruined and we were left with no pictures. An effort was made to find more pictures, but it was unsuccessful. We are sorry for this and will be sure and do a better job in the 1983 Reflector.

G.S.C. SOCCER . . . IT'S REALLY CATCHING ON!

Georgia Southern shutout defending Trans America Athletic Conference Soccer Champion Hardin Simmons, 3-0 to capture third place in the TAAC Championships at North-east Louisiana.

Earlier in the tournament the Eagles dropped a 2-1 decision to second seeded Houston Baptist and topped Centenary, 1-0.

"We played three exceptionally fine matches," said GSC Coach Pat Cobb. "I felt we actually outplayed Houston Baptist, we just couldn't get the ball in the net."

The Eagles finished their season, just their second in soccer competition, with a record of 8-10-1.

The win over Hardin Simmons avenged a loss in the TAAC Championships last year, when the Eagles placed second in the Conference.

Back row — Jim Yockel, Danny Jones, Sean Byrnes, Stuart Thompson, Ralph Carbone, Jeff Gunter, Bill Hope, Bo Pitts, L. Jarvis (man.). Mid. row — Pat Robertson, Tom Troutman, Chris Nowak, Don Ahearn, Scott Barnard, Jack Evans. Front row — Santiago Alvarez, Jim Wydock, Alex Gyedu, Matt Alden, Kevin Lievsay.

Ha! Ha! I've got the ball.

Why do I always have to get the ball?

Hey quit. That tickles!

Rear guards.

INTRAMURALS

There is a giant hole in the ceiling now.

LOOK-OUT above!

This is hilarious.

Intramurals are sports that get little recognition, but are a large part of the lives of many college students. Some of the teams even go into other states to compete. This was true of the GSC mens' and womens' flag football teams that went to Louisiana to participate in the Michelob Light Sugar Bowl Flag Football Tournament. The womens' team finished fifth overall and placed two on the All-American team.

There were some really outstanding games played by the basketball teams also. The top winners were: Fraternity A Division — Delta Chi 6-0; Fraternity B Division — Kappa Sigma 5-0; Sorority Division — Phi Mu 5-1; Women's Independent GSCSRPs 7-0; and Mens' Division Humper's Inc. 6-0.

So what if I can't throw the ball 2 feet.

There will be revenge for this one.

I'll get the ball.

Maybe this is modern dance instead of softball?

Stabalize!

FEATURE

Georgia Southern's Raegan McCurry and Marsha Fountain had good reason to feel pressure going in the AIAW Division II Tennis Championships last month. After all, the Combination was seeded first in the third flight of doubles. The fact that they were a perfect 18-0 didn't help, either.

"Being the top seed put the pressure on us," says Fountain. "Being undefeated only made it worse."

The Lady Eagle pair rolled through the early matches with only one close match, a three set victory in the quarterfinals. Going into the finals match, the two juniors were 21-0. The pressure mounted on Atlantan McCurry and Adrian Native Fountain.

The duo got off to a quick start, taking a 4-1 lead in the opening set against Ann McLean and Sue Claggett of Richmond. But the going got tough. McLean and Claggett came back to tie the set 6-6 and then won it in a 13-11 tiebreaker.

McCurry and Fountain began to fear that they would lose all that they had worked for in their final match of the season.

"We knew that we had to forget about the pressure or we would lose," states McCurry. To relieve the tension, the two began to laugh at themselves and at each other.

"Every time we changed ends of the court, Raegan and I looked at each other and laughed," says Fountain. "The judge and everyone else must have thought we were crazy."

Nobody thought so when the match was over. The two fought their way back into the match. The second set also went to a tiebreaker, after the GSC duo missed several chances to win it outright. In the tiebreaker, McCurry and Fountain took control of the match. They won the tiebreaker 7-3, then breezed to a 6-2 win in the decisive set.

The win added a national title to what had already been an outstanding year for the doubles team, including state and regional titles. It also kept their winning streak intact as the pair ended the year at 22-0.

What makes the team so good? "We help each other, stick together, and never give up," says Fountain in response to the question.

"We never get discouraged," adds McCurry.

They are Southern's first national champions ever. They are also two of four tennis All-Americans for the Lady Eagles this year. The women's team had its best season ever, winning titles at state and region while finishing fourth in the nation.

Fountain and McCurry were successful in singles this year, also.

Fountain, an Adrian High School graduate, won state for the third straight year and region for the second time in three years. The management major, playing the sixth spot finished fifth in the nation and ended the year with a 19-5 record.

McCurry, a graduate of Riverview High School in Sarasota, FL, was the state runner-up and finished fifth in the country. The business major, who now resides in Atlanta, ended the season with a 20-7 record as the Lady Eagles' number four player.

Both players will be back at GSC next year to play their senior seasons. Undoubtedly, the pair will continue to be doubles partners. After all, why fool with perfection?

Georgia Southern's women's tennis team ended its best season ever by capturing fourth place in the AIAW Division II National Championships last week.

The Lady Eagles, who won state and region crowns earlier this season, got six top-five finishes in the nationals. Four Lady Eagles — Margaret Faughan, Christy Colmer, Marsha Fountain and Raegan McCurry were named to the 1982 All-America Team.

McCurry and Fountain, playing as the number three doubles team, became Georgia Southern's first national champions. The pair also won state and region titles as they went through the season undefeated in 22 matches.

Margaret Faughan, playing at number five singles, was the top seed in her flight and finished second. The junior from Augusta won titles at state and region. She finished the season with the team's best singles record, 23-2.

WE CAN'T WAIT FOR TOMORROW

The past, the present, and the future of GSC — that is what this book is dedicated to. As we celebrate our seventy-fifth year at GSC, we realize just how far we have come. We stand here in our seventy-fifth year, in the midst of so much growth and expansion. It only seemed fitting that our theme should be — WE CAN'T WAIT FOR TOMORROW. For in the future lies the hope and the promise of new beginnings and growth for our school.

As a staff, our objective was to capture the GSC that used to be, the year's events, and the promise that the future holds. We only hope that our effort will be met with satisfaction by you — the student body — for that is who this book truly belongs to. There are so many who have contributed to the production of this book. As editor, I would like to express my appreciation to the clubs, the coaches, and the students who have cooperated with us this year. I would also like to thank ALCOA INC., whose motto served as inspiration for our theme. Last, but not least, I would like to thank my staff as well as our advisor Dr. Delma Presley. His guidance and energy have always been felt throughout the year.

To the student body I say that although this book may now only seem like a picture book to shuffle through, its importance will be felt in later years when treasured memories start to fade. The REFLECTOR will bring into focus the laughter and the tears that was 1982.

Lori Tirey
