Consolidation Update – Dean Mitchell
There was no update on the consolidation of GSU and ASU provided at the President’s Council Meeting today. Future updates from the President will be made as this process is completed and approved. The President was asking for feedback on admissions requirements. On Thursday morning there will be a meeting at GSU with Board of Regents members, Dr. Noble and Dr. Venn. Dean Mitchell will share this report via listserv on Thursday afternoon.

The question was asked about transportation being provided between GSU and ASU. Dean Mitchell responded that until the organizational charts are completed it is unclear if any arrangements of this type will be established.

Dean Mitchell shared with Provost Cone last week a report compiled by C&RS regarding expenses shortfall after consolidation. This will be discussed at the next meeting with the Provost.

The question was asked regarding the selection of a new Provost for the new campus. Dean Mitchell responded that the recruitment process will begin again this Fall after consolidation plans are finalized.
