CALL TO ORDER

APPROVAL OF MINUTES. The minutes of January 14, 2015, were approved as presented.

ITEMS

I. College of Education
   A. Childhood and Exceptional Student Education (no items)

B. Secondary, Adult, and Physical Education

   Rationale for the following items: The BOR, at the request of USG Education Deans, is encouraging the reinstatement or development of BSED Secondary programs. This move is an effort to better prepare teacher candidates in middle grades in their respective content areas. The BOR is allowing institutions to submit a “substantive change request” which would allow for an expedited group review process if the program is submitted in February, 2015.

   Items 1-7 from the Department of Secondary, Adult, and Physical Education were discussed and approved by the committee. They are being submitted to the Faculty Senate for approval.

1. Create the following course:

employment and contractual obligations, responsibilities to address student needs and diversity, accountability for curriculum, instruction, assessment, and duty to maintain integrity and security in the school environment.

Rationale: GaPSC approved educator preparation providers shall ensure that candidates complete a well-planned sequence of courses and/or experiences in professional studies that includes knowledge about and application of professional ethics and social behavior appropriate for school and community, ethical decision-making skills, and specific knowledge about the Georgia Code of Ethics for Educators. Candidates are expected to demonstrate knowledge and dispositions reflective of professional ethics and the standards and requirements delineated in the Georgia Code of Ethics for Educators.
